

**** Sponsor responsibilities are subject to change based on the principal's decision and will be communicated to the sponsor.**

NBHS Club/Organization Sponsor Guidelines

Student Participants in Extra Curricular Activities

Students involved in extracurricular activities will be held to additional standards as stated in the Extra Curricular Handbook and as determined by individual coaches and sponsors. Students participating in extracurricular activities will be responsible for knowing and abiding by the policies contained in the Extra Curricular Handbook and set forth by coaches and sponsors. The New Berlin Code of Conduct for Athletics and Extra-Curricular Activity Handbook is available online to access information regarding our policies and procedures at: <http://www.pretzelathletics.com/forms.html>

Attendance at Extracurricular Activities

Students may attend all extra-curricular activities, athletic events, plays and music events with the following exceptions:

1. Unexcused absence from school the day of the activity.
2. Absence from school due to illness the day of the activity.
3. Serving an out of school suspension the day of the activity.
4. High school students may not attend junior high dances and parties.
5. Students leaving any extra-curricular activity will not be readmitted.

The administration has the right to remove any student who does not follow the handbook rules. Consequences for removal from an event may include exclusion from attending future extra-curricular events.

Officer Elections - Requirements for Students Holding Offices of Classes and Clubs/Organizations

1. The election should be held in the spring of the school year. A secret ballot with a simple majority shall be used to determine the election.
2. Every candidate for office must attend a mandatory Leadership Seminar held by the school. Topics covered may include: Motivating your group, parliamentary procedure, commitment, limiting your involvement to maintain the ultimate leadership skills, team building, and leadership responsibility.
3. An NBHS student can be President of one class, Student Council, or club/organization, and can be an officer in other club/organizations.
4. Students who attend CACC or LLCC/College Now can be an officer of Student Council, class or a club/organization, **but must meet the expectations of the leadership position or you will be removed.** Said member must bring his/her lunch to lunch meetings and attend the advisory meetings to be a member in good standing.
5. Student Council officer candidates may be required to give a speech to the student body. This speech would give detailed information about the candidate and his/her plans for time in office.
6. A student seeking office must have maintained a C average for the prior semester and continue to maintain a C average during his/her term of office. A student who fails to maintain a C average after being elected to office has one nine week period to raise his/her grades to a C average. Failure to do so will result in removal from office. A class or club will have an election at their next meeting to elect a replacement if removal is necessary. (The Vice-President will serve as acting President until the next election is held.) Advisors shall check grades every nine weeks.
7. Advisors have the authority to remove an officer if the officer exhibits actions unbecoming of the office and/or fails to perform the duties of the office in an appropriate manner. Advisors may remove a member should participation or conduct be unacceptable. The Advisor will give the student a written warning and will consult with the principal before removing a student from office or from the club or organization.

Class, Club/Organization Meetings

Students are highly encouraged to participate in extracurricular activities. Classes, clubs, and organizations can meet during Advisory any day of the week. To schedule a meeting for your group, send the date(s) that you will be meeting to the building secretary and the HS principal for approval. Once approved, it will be added to the NB Jr/SrHS Activities Google Calendar. Students are encouraged to participate in meetings. No unauthorized organizations will be recognized or allowed to assemble during the school day.

Building and Grounds Use By Students during a Club/Organization Activity

If a student is involved in before or after-school activity, or an activity taking place on a day school is not in session, the student must report immediately to the area designated for that activity and must be supervised at all times by the sponsor of the activity.

Organization Projects/Fundraising/Events

Classes and organizations will be permitted **two** money making projects during the school year. Dates and types of projects must be approved by the appropriate sponsor, student council, and the principal before making definite plans. Hayrack rides will not be permitted. No person may advertise, distribute or sell any item while on school property that would result in personal gain for the individual. Fundraising is limited to those school clubs and organizations that have previous fundraising approval of the administration in writing.

Activity Account Procedures/Purchasing

Each class/club/organization has an activity account that money can be withdrawn from/deposited into. If you do not have an account, contact the district CFO to complete the paperwork to establish an account. All purchasing must have prior approval by administration and must be submitted for approval on an Activity Account Purchase Order.

Extra-Curricular Field Trip Scheduling/Approval

Field trips may be taken by a club/organization pending approval of administration and the transportation director. The following steps need to be followed in order to gain approval.

1. Ensure that your activity account has the funds available to pay for the transportation costs of the trip. All school sponsored trips must use district transportation. School board policy outlines the exceptions that are taken into consideration if school transportation

is not used.

2. Check the calendar for any conflicts with the anticipated date. **Apart from the Senior Trip, there will be no field trips approved the last two weeks of the school year.**
3. Complete the google form for transportation requests and submit for approval.
4. Once approved, If it is during the school day, you will need to put in for a sub as a professional day.
5. Ensure that each student attending has had their parent (s) complete the Field Trip Permission.
