CORPUS CHRISTI, TEXAS

Date: May 13, 2024

Subject: Consider approval of MAYA Consulting contract for the 2023-2024 Learning Acceleration Support Opportunities (LASO) Cycle 2 Strong Foundations Planning Grant

New Business

Action

BACKGROUND INFORMATION

The District was awarded the 2023-2024 Learning Acceleration Support Opportunities (LASO) Cycle 2 Strong Foundations Planning Grant. The awarded grant funds must be spent on technical assistance providers from Texas Education Agency's Strong Foundations Approved Provider List (SFAPL), to assist the District in literacy framework development. Administration and the Curriculum Department have reviewed the provider list and selected MAYA Consulting as the technical assistance provider that best meets the District's needs for literacy framework development support.

Because MAYA Consulting is on TEA's SFAPL, the District is not required to conduct a formal procurement for these services per TEA guidelines. In lieu of a formal procurement, Administration has submitted and received approval from TEA for Request for Other Noncompetitive Procurement Approval (Not Sole Source) for the MAYA Consulting contract.

ITEM ADDRESSED

Discuss and consider approval of the MAYA Consulting contract for the 2023-2024 Learning Acceleration Support Opportunities (LASO) Cycle 2 Strong Foundations Planning Grant

RECOMMENDED ACTION

The Administration recommends the Board approve the MAYA Consulting contract for the 2023-2024 Learning Acceleration Support Opportunities (LASO) Cycle 2 Strong Foundations Planning Grant.
