Subject:

Consider Approval of an ILA Contract for the Wedgewood Elementary School Kitchen Plumbing Repairs

Background:

Bonds 2023 Savings and Interest totaling \$380,000, which includes a \$20,000 contingency for unforeseen conditions, are approved to replace the kitchen sanitary and grease waste drain system at Wedgewood Elementary School. The existing system is original to the building and has experienced significant deterioration, with multiple failures occurring throughout. Due to the widespread nature of these issues, repairs are no longer practical or cost-effective. A full replacement is required to restore proper function and prevent continued disruptions. Aedile Plumbing, a trusted local contractor with a proven track record of successfully completing plumbing repairs for CCISD, is well-qualified to perform this work in a timely and dependable manner. The project is scheduled to take place over the summer while the building is undergoing other priority repairs, minimizing impact to campus operations.
