Good Morning Mr. Stifter and Mr. Dokken,

I want to start off by expressing my gratitude for the opportunities and experiences I have had with the staff and students at Rippleside. I loved most of my time at Rippleside and ISD1. However I have decided not to come back for the 2025-2026 school year.

There are a few reasons that I have decided to move in a different direction for work but the main reason is Rippleside just doesn't feel like a team anymore. When I first started anyone would help anyone without question. You have some amazing people working at Rippleside but I feel that there are only a few that would step in to help, without question, if needed.

I hope you understand that this was a very hard decision for me and I am going to miss the students and staff very much but it is what is best for me.

Please accept this letter as my formal resignation as a paraprofessional from Rippleside and ISD1.

Thank you for everything you do!
Sincerely,

Tiffani Kullhem
