Today's presentation

- The only playgrounds that have seen significant enhancement in the last 20 years are at Arbor View, Briar Glen (small playground) and Westfield (added a tot lot playground).
- All the playgrounds are inspected annually. Rusted areas or damaged parts are repaired immediately by the district.
- Communication boards were added to each of the playgrounds prior to the start of the 2024-25 school year.

Arbor View

New playground in 2018. Fundraiser completed by PTC. Total funds raised were \$120,000. Installation was done by community members.

Small playground redone in 2021.

Kindergarten playground completed 2006.

Tot lot playground added in early 2010s. Donated by Butterfield Park District.

Looking ahead

- Most of our large playground areas have not been remodeled in over 20 years.
- Our PTCs/school communities have done the majority of remodels or additions, except for the tot-lot playground donated by Butterfield Park District.
- Arbor View was the most recent remodel in 2018. It was a community project that had a goal to make it more accessible.
