2. Be on time for and be in all your classes with your class materials. Students who are late to class will be recorded by their teacher as tardy. [Three classroom tardies will result in a written discipline report to the principal; a subsequent tardy will also result in a written report as well as tabulation on that quarter's report card.]
3. Show respect for and follow the requests & directions of teachers and all other supervisors. Teachers and other supervisors have the right to make reasonable requests of our students. Students who fail to follow all such requests will be considered insubordinate.

Student Guests and Visitors

Students may on occasion be allowed to invite a guest to attend school with them. Students must first request a "Visitation Permit" from the junior high school office and have teachers, of the classes in which the student is enrolled, and principal sign off BEFORE the guest's arrival. Students may be denied the opportunity to bring a guest at the principal's discretion. Guests will be limited to students who are currently attending school in another public or private district.

Physical Education

Students may be excused from Phy. Ed. class due to illness or injury if the student presents one of the following in writing:

2. Parental excuse -- This is valid for one class meeting in a case where the student has just returned to school after an illness, accident or similar circumstance.

Procedure: The student must present the excuse to the principal or nurse in the morning before school. The student will be given the proper excuse to present to the teacher. It is further understood that an excused absence from physical education means the student will not participate in after school activities. We expect every student to dress in their PE uniform for every PE class. A P.E. uniform is purchased by paying \$17 in the school office.

Swimming Program Policy

No jewelry is allowed in the pool area. Only certified staff, lifeguards and educational assistants will be permitted in the pool area while students are swimming. will be consulted. Two piece swimsuits are acceptable as long as they cover the body to an acceptable level, one piece suits are recommended. All students are required to complete the full swimming curriculum as outlined in the Albany Area School P.E. Curricula. Failure to fulfill this requirement will result in a non-passing / failing grade for that unit. Medical exceptions will be handled on an individual basis. Board Policy April 5, 2006

Academics

Our Advancement Policy

Students in junior high are expected to earn passing grades in all subjects/classes which are required in our Junior High school program. Grades for block and split-block classes are computed and recorded quarterly. Final grades for any classes that are 4.5 weeks in length are issued at mid-quarter and reported at the quarters end.

Core subjects: Math, Social, Science, and English.

Non-core subjects: Art, FCS, TechEd., Keyboarding, Word-Processing, Band, Choir, Health, Physical Education, and World Language.

If a student fails a core subject, the subject will need to be repeated during the school year, or be made up in a summer school program, or night school program. Failure for split block classes (English & Math) will be determined by averaging the quarter grades for that semester.

All students will be expected to pass, and thereby accumulate five units of non-core subjects each year. All non-core subjects are given one or one-half unit per subject:

PE 7,8 (1/2 Qtr.)	.5 unit	Health 7/8	.5 unit
PE 7,8 (One Sem)	1.0 unit	Tech Ed 7, 8	.5 unit
Art 7	.5 unit	FCS- 7	.5 unit
Keyboarding-7	.5 unit	Choir 7.8	.5 unit/qtr.
Band 7, 8	5 unit/qtr.	World Language	.5 unit
Art 8	1.0 unit	Word Proc. 8	.5 unit

Report Cards:

Report cards are issued at the end of each quarter. The purpose of the report card is to inform the parents /guardians and each student of their academic progress.

At Albany Area Junior High School we use the A-B-C-D-F-I method of marking along with the plus (+) and minus (-) .

A-B-C-D-F Grades:

The "A" grade denotes genuine intellectual interest and superior achievement in meeting the various course / subject learner outcomes. The student achievement indicates ability in learning and a spirit of real scholarship. [A = 4.0; A- = 3.67]

The "B" grade denotes evidence of a real awakening of intellectual interest. Student work indicates more than average achievement in achieving the complete learner program. [B+ = 3.33; B = 3.0; B- = 2.67]

The "C" grade denotes the learner outcomes have been met on a satisfactory level as required by the teacher. [C+ = 2.33; C = 2.0; C- = 1.67]

The "D" grade indicates the student is working below an acceptable level; the student minimally passes the subject/class. Additional effort is required. [D+ = 1.33; D = 1.0; D- = 0.67]

The "F" grade indicates the student has not satisfactorily completed assigned work/ tests and was not working up to his/her ability. The student did not complete or turn in required assignments, and/or did not prepare for tests, and/or failed to demonstrate expected participation in the learning process. [F = O]

An "I"(Incomplete) grade in any subject at the end of a marking period will be considered to be the same as a failure until the expected work is made up. A teacher will issue an incomplete at the end of the grading period only if one or more satisfactory reason(s) exist for providing extended time for a student to complete the class work due. A student may be allocated a maximum of ten days, except at the end of the 4th quarter, from the last day of the marking period to make up the work and to receive a grade, subject to the principal's decision. End of 4th quarter: maximum = 5 calendar days.

Student Information On-Line

Our school provides on-line information to parents who sign-up for the service. Parents may access progress reports, grades, attendance, parent demographics and lunch account information online. Parents need to have an "ID" and a "password" to access such information. Passwords are not given out over the telephone or via e-mail; "lost" or forgotten passwords require a personal visit to the school office. See the office secretary for details.

Homework

Students are given clear and very definite time lines to have teacher-assigned work done so the student and teacher are able to proceed with new learning or, when necessary, relearn concepts. An agenda book is given to students to enable them to write down their daily class homework. Students are responsible for their work. When students have not done their work, parents may expect to receive a phone call/ note from the teacher appraising them of this fact and that the student may be staying after school that day. We will make a major effort to inform parents. Parent cooperation and support is expected so students do not fall behind in their essential schoolwork.

Honor Roll

Any student who maintains a 3.0 grade point average or better is eligible for our "Honor Roll" each quarter. Our list of honor students is published after each quarter grading period ends and is shared with the local newspaper as directory information. All classes are included in the honor roll calculation. Classes that do not meet every day of the week or for only part of a block receive a proportional lesser value in calculating the student's grade point average.

Students who have an incomplete at the end of the quarter are not eligible for the Honor Roll until the incomplete grade has changed to a final grade. At such time, if the student qualifies with the 3.0 (or better) g.p.a., they will be added to the quarter list of the Honor Roll.

STAR Program

Our Star Program recognizes students who meet the following qualifications in each of their classes each quarter:

- 1) Arrives on time for class.
- 2) Comes to class with all appropriate materials.
- 3) Completes and turns in assignments on time.
- 4) Demonstrates appropriate participation in class/classroom.
- 5) Shows respect to self and others.
- 6) Has received no written disciplinary report during the current quarter.
- 7) Participates in all teacher-designated activities during PrimeTime .

All classes, are weighted equally and will count one star per class for students. Students who do not meet the criteria listed above and receive two checkmarks from each of two classroom teachers will not qualify for STAR for the quarter.

All students who qualify as a "STAR Student" have the opportunity to participate in a fun activity at the end of each quarter. All STAR activities are held from

approximately 11:15 a.m. - 2:30 p.m. Any student who chooses not to participate in, or does not qualify for the STAR, is expected to be in attendance at school.

A.S.K.

Assistance to Students for Knowledge is our peer-tutoring program available to any junior high student who needs help improving his/her grades, or understanding subject material. A student will meet with his/her tutor at least one hour per week. Each tutor attends a minimum of one training session and works closely with the ASK coordinator. Students should see their counselor for enrollment in this program. Any student (or parent) may request ASK help.

U.S. Presidential Academic Excellence Award

This recognition award consists of a small pin and a certificate signed by the President of the United States, the Secretary of Education, and the Principal. The awards are given to students who are completing junior high school. Students must fulfill criteria listed below to qualify for the Presidential Academic Fitness Award.

Grade Point Average = A- average or better. The A- (or better) average is composed of the fall semester of the 8th grade and all of the seventh grade year. It is equivalent to a 3.6+ on a 4 point scale.

Recognition of Outstanding Attendance

Recognition is given to our students who achieve "Perfect" and "Exemplary" attendance. We award special certificates to these students at our awards program on the final day of the school year. A "Perfect Attendance Award" is for students who have attended every school day of this year. An "Exemplary" award is for students who have missed no more than one half-day of school. Students excused due to school-related activities are not considered absent in determining the attendance awards. School-related activities include athletics, music, and class field trips. It does not include any church-related activities, piano lessons, family trips, or attendance at state tournaments except as a participant.

School Supplies

Students are required to furnish their own paper, pencils, pens, notebooks, calculators, graph paper, gym suits, athletic shoes, and any other items of a personal nature. A list of supplies is provided in a letter to incoming seventh graders during the summer.

Fees

Public school education is free to all students who are residents of MN. However, a student may be charged a fee under the following circumstances:

1. A project in Art, Family Consumer Science, Technology Education or other courses, which is in excess of the material requirements of the minimum course outline, provided the student elects to do such a project with the approval of the instructor.
2. To pay for the cost of school equipment and/or materials destroyed/broken or unduly damaged through carelessness or failure to follow instructions, in the amount necessary to restore the item(s) to service. "The school will also charge an appropriate replacement fee for textbooks, workbooks or library books lost or those destroyed by students." MSA 120.101
3. Admission fees for school concerts, plays, athletic events, and other programs or activities at which the student may attend at his/her option.
4. Any fees which are unpaid within 30 days of the end of the school year may be collected through an action in small claims court. This procedure is in accord with and governed by the Minnesota Public School Fee Law, MSA 120.71-120.76.

Lunch

Our students may purchase lunch credits for their account before school each morning. Please bring your lunch payment to the a la carte window after 8:00 a.m. Students who bring their own lunch may purchase optional items.

We expect the behavior of each of our students in our cafeteria shall be based on respect for others. This means not bothering anyone else and leaving your eating area in a neat, clean condition. Students are to remain in our Cafeteria /Commons until they are excused by the noon supervisor(s). At no time are students allowed to take food or drink out of the lunchroom. Students may not leave the school grounds to purchase / eat lunch, or to have lunch "ordered in".

Our soft drink and snack machines are turned off during the noon lunch period as required by our school's participation in the Federal school lunch program. [Parents may access the lunch account balance/info on-line if they sign up for on-line access. See the office secretary.]

Daily Bulletin

A "Daily Bulletin" is provided to every teacher generally within one hour after first block starts each school day. It is read to our students during second block. This bulletin lists official communications and news of significance. Students are held responsible for the communications in this bulletin. Student notices intended for this bulletin should be written and given to the principal's office by or before 8:30 a.m.

The day the announcement is expected to be made. A printed copy of our bulletin is posted daily.

Student Lockers & Combination Locks:

Student lockers are school district property and are provided only for student use. At no time does the school district relinquish its exclusive control of lockers provided for the use of our students. Inspection of the interior of lockers may be conducted by school authorities for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched when school authorities have a reasonable suspicion the search may uncover evidence of a violation of law or school rules. As soon as practical after the search of any student's personal possessions, school authorities must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials. Student hall lockers should only be used to store textbooks, school materials, coats, or outdoor garments. Students who switch lockers, or their combination locks, without permission from this office are subject to the forfeiture of their lock(er) privileges. Any lock(er) malfunction or damage of any kind should be reported immediately to the office. Each student may also have a small locker in the respective P.E. Locker rooms for storing "gym" clothing. You will receive a school combination lock for use on each of your lockers. **We strongly recommend students do not keep money or valuables in lockers!** You are also responsible for your combination lock; loss of it requires a payment to the school of five dollars.

Appropriate Dress Required

Appearance and dress are to be in good taste at all times. Extremes in dress are not considered appropriate. Student dress which disrupts or distracts from the teaching or learning function is not acceptable.

The following areas are points of emphasis for student dress: Students shall not wear clothing or hair that can be hazardous to them in their various school activities, such as shop, laboratories, athletics, physical education, art, etc. Grooming or dress that prevents a student from doing his/her best work because of blocked vision, restricted movement, or that exposes them or others to accidents is unacceptable. Revealing or distracting shorts, tops, dresses, shirts, and jeans must not be worn to school. All tops must cover midriff and should not have a low neckline exposing cleavage. Spaghetti straps, halter tops and open backs are not appropriate. Shorts, skirts, and dresses should not be shorter than a dollar bill's width above the knee, and pants and other clothing must be worn as to not allow undergarments to be exposed. (This pertains especially to pants worn below the hips.)

Clothing (shirts, hats, or other) that contain profanity, sexual innuendo, slogans that are degrading to any group or which promote alcohol, tobacco or other chemicals will not be allowed. No matter how "cute" the slogan or saying is, if it is derived from the promotion of alcohol or tobacco it is unacceptable. Students who are reported to the office as having inappropriate clothing will be asked to correct the problem. Continued violations may lead to disciplinary action.

Academic Eligibility Code for Student Extra-Curricular Participation

Participation in extracurricular activities is a privilege extended to all students who meet the academic standards of eligibility set by the Albany Area School Board. We expect students participating in any of these activities will be doing passing work at "C-" grade or better in all their subjects, and that on the day of a game or performance will have been in school (attendance) for a minimum of two blocks.

In the event a student is not at the level of passing work, the following action(s) will be taken:

(1) "Progress Reports" may be issued at any time during a quarter the teacher observes the student is not doing passing work. Progress reports which indicate a grade below a C- shall be sent to the custodial parent(s). The principal, or his designate, will conference with the student so cited and provide him/her with a copy of the written notice of "Academic Probation." Students are encouraged to arrange for two hours a week of tutoring before or after school from a teacher or an ASK tutor during any probation period.

(2) Within one school week (5 days) after the issuance of notice of academic probation, the student must take his/her notice to his/her teachers who will "sign-off". This will indicate satisfactory "passing" ("C-" or better) or that no positive change was observed during the probationary period. If the report does indicate "passing," probation ends. However, if the written report indicates an ongoing academic failure, ineligibility begins and lasts for a minimum of two (2) weeks. After the two weeks of ineligibility, the student's eligibility may be restored if s/he demonstrates a passing grade in the subject(s).

(3) During the probationary period, the student is encouraged to continue to participate in practice, contests and performances if s/he chooses.

(4) During the period of ineligibility, a student is not allowed to participate in a contest or performance. Participation in practices may continue.

(5) Failure at the end of a quarter

Two weeks into each quarter and two days prior to checking grades office personnel will e-mail staff reminding them to have all grades updated in JMC.

Office personnel will check grades administratively through JMC and inform students of their one week probationary period and give them the grade check off sheet. During probation students may practice and compete in events.

After one week, they will present the grade checkoff sheet to all teachers. If any grade is still below a C-, they will be ineligible for one week. While ineligible, students may practice but not compete in events. During this week, they will be required to meet with the teacher of the class or classes and make a written academic plan for improvement. They will also be encouraged to set up a tutor through their counselor.

Ineligibility will be on a week to week basis. If a student becomes ineligible for a second time in a quarter, they will not be allowed to participate in extracurricular activities for the remainder of that quarter.

(6) In the event a student is not passing all subjects with a "C-" or better, s/he will become ineligible until corrective action is completed.

Students on an Individual Education Plan (IEP) will have their eligibility determined by the Student Assessment Team (SAT).

Sports Physicals

A physical is required of every 7th grade student, and also of any 8th grade student new to our school, who will be in any extracurricular sports. If you are in 8th grade this school year and had an athletic physical in the last school year, it is not necessary to have a physical for grade nine. "Approval by Physician for Participation" is the form that can be obtained from our school office or our web site. It must be completed by a physician and returned to the school office before any active participation is allowed.

Albany Area Junior High School has a Student Council composed of a President, Vice-President, Secretary-Treasurer and elected representatives from each Prime Time group. The Student Council holds regular meetings, and may hold special meetings as called by the president and approved by the advisor(s). A student may be elected to the Student Council if he/she is eligible according to the rules of the Minnesota State High School League and if the student meets our academic standards. These standards include academic fitness and a superior disciplinary record. Once elected, anyone in violation of these standards may be removed by the Principal. Student Council receives operating funds from the student pop machine and from other fund-raising activities. Student Council sponsors and organizes student dances, the student agenda book, Spirit days/ week, and special events and other programs for our students and teachers.

Guidance / Counseling

Our counselors will endeavor to assist any student with any educational, personal, vocational questions and any general concerns. Appointments are easily made and students will be excused on a written pass from class or study hall to the counselor. Passes must be acquired ahead of time and students are not allowed to wait in the counselor's office during class time without an appointment.

Registration Procedure

Registration for the next school year will be conducted around the close of the first semester and beginning of the second semester. We strongly encourage students and parents to read, study and review our annual Curriculum Summary Guide and to discuss any of the course requirements and offerings as they relate to their student's career goals.

Posters

Before any kind of poster or notice is put up in the halls by any student(s), it must receive approval from the school Principal.

Library /Media Procedures

Students must obtain a pass from the study hall teacher or a classroom teacher in order to be admitted to the library to quietly read, select materials, or to do research (unless brought there as a class). Media materials may be checked out for a limited time, usually three weeks for books. Payment is required for any material not returned to the library. Students are expected to follow library rules and procedures (e.g., computer-use rules).

Students may use media center computers at the direction of the media center persons according to our Acceptable Use Policy (AUP) which both students and parents have reviewed, have signed, and have returned to school. Failure of students and parent(s) to sign-off on this AUP will result in nonuse of school computers. Our AUP is found on our school website, (www.albany.k12.mn.us) under Parent Info.

Student Assistance Team

The Student Assistance Team (SAT) is composed of the principal, school nurse, school counselor, local police liaison and other faculty members as needed. The purpose of the SAT is to use a comprehensive team approach to assist students in need or at-risk, and to insure continuity of that assistance across varying programs and across the student's academic career. The SAT team meets bi-weekly to evaluate any referrals, to take feedback, and to make recommendations. Based upon the input

received from persons having daily contact with a referred student, the SAT may meet with the student and parent(s).

School Board Policy against Sexual, Racial, and Religious Harassment, Bullying and Violence

(The following is a summary of the district policy. A complete copy of the policy is available upon request to the superintendent of schools.)

Harassment is a form of discrimination which violates Section 703 of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e, et seq., and Minnesota Statute 363.01.14, the Minnesota Human Rights Act. Violence is a physical act of aggression that may include a sexual act or sexual purpose. It is the policy of District #745 to maintain a learning and working environment that is free from harassment and violence. Our school district prohibits any form of sexual, racial, or religious harassment and any form of violence. It shall be a violation of this policy for any student or employee through conduct or communication of any kind as defined by this policy. The policy also prohibits any violence from either a student or employee to any other student or employee. The school district will act to investigate complaints either formal or informal, verbal or written, of sexual, racial, or religious harassment or acts of violence and to discipline any student or employee who harasses or is violent to a student or employee. Local law enforcement will be notified in the cases of violence.

District 745 maintains a firm policy prohibiting all acts of bullying. Bullying, like other violent or disruptive behavior, is conduct which interferes with students' ability to learn and teachers' ability to educate students in a safe environment. The purposes of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation and other similar disruptive acts.

Any person who believes he or she has been the victim of harassment or violence by a student or employee, or any third person with knowledge or belief of such conduct should immediately report the alleged acts to an appropriate school district official as designated by this policy. The reporting party is encouraged to use the report form available from the building office. [Board adopted 6/21/90, Revised June 1995, 2005]

Zero tolerance will also be the position of the District when any object (whether real or "look-alike") is used to injure, strike terror, or threaten personal injury at or on those places or vehicles listed in paragraph number 1 of this section.

Section A: Violations by Students: The procedure for all offenses is:

B. Inadvertent possession / Administrative discretion.

While this policy represents a firm "**zero tolerance**" position on weapons possession on school property and on or at those places or vehicles listed in paragraph number 1 of this document and is intended to prohibit all weapons for any reason, there could be a very rare occasion when a weapon is inadvertently brought onto school property. If such an occasion is clearly the case, the building principal, after a thorough investigation, may use discretion in determining the appropriateness of the consequences. Students who discover an inadvertent possession of a weapon on their person must immediately turn it into the building principal. The building principal will have the weapon removed from school property in a safe and reasonable manner.

C. Authorized instructional and work-related equipment and tools.

While this policy represents a firm "**zero tolerance**" on weapons and/or "look-alike" weapons, it is not meant to interfere with instruction or appropriate use of equipment and tools by employees and students. Such equipment, when properly used and stored, shall not be deemed a weapon for purposes of this policy. However, when any authorized instructional /work equipment and tools are used in a potentially dangerous or threatening manner, the guidelines and the consequences of this policy will take effect.

D. Length of Expulsion

When a student is expelled from our school for reasons of weapon possession and/or use, it shall be the intent of the Board of Education that the expulsion shall last for the remainder of the school year and may be extended up to 12 months based on advice from legal counsel. [Adopted by the Board of Education on 07/07/1993. Revised by Board of Education 06/04/2001.]
