

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 20, 2024

AGENDA ITEM: Consider Approval of District Playground Shade Structures with 2023 Bond Program Funds

PRESENTER: Chris Campbell, Chief Facilities and Construction Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- Funds were included and approved in the 2023 Bond Program that provided for the repair and improvements to playgrounds across the District. Many playground shades have been lost in storms or removed from project scopes. This will replace shades that were lost and/or provide shades for elementary campuses where there were none.
- Aledo ISD Elementary campuses are the target of this initiative. The specific campuses to receive shades are Coder Elementary, McCall Elementary, Annetta Elementary, and Walsh Elementary.
- Aledo ISD Vandagriff Elementary and the Early Childhood Academy both received playground shades under 2019 Bond Projects.
- Aledo ISD Stuard Elementary is currently getting playground shades under a separate 2023 Bond project where new playground equipment installation and site improvements are being performed.
- To ensure best pricing and value, the Administration used the BuyBoard cooperative purchasing method to obtain pricing from Playgrounds Etc.
- This item was first communicated to the Board at the April 15, 2024 meeting.

FISCAL INFORMATION:

The funds for this project will be paid from 2023 Bond Program funds.
