

Approval of Elementary Design by Pfluger Architects

November 1, 2022

SUMMARY:

Managing the growth in the district requires additional elementary schools be constructed to accommodate new students. Part of the process includes visioning and developing specifications and design criteria that are required to be approved by the Board prior final project design and construction.

BACKGROUND INFORMATION:

Denton ISD personnel in conjunction with Pfluger Architects completed a visioning process for the next generation of elementary schools that are being contemplated by our current Citizens' Advisory Committee. The process was rigorous and is outlined in the workshop presentation.
