#### *Pleasantdale Elementary*

Organizing homework is part of the end-of-the-day classroom procedure designed to foster independence and responsibility. If a student forgets assignments at school, they may return to school to retrieve them by 4:30 p.m. The secretary or principal may escort students to get materials. An organizational plan may be put into place for students who habitually forget assignments at school.

#### *Pleasantdale Middle*

Students are urged to return to school for forgotten homework whenever necessary. However, the return trip needs to be made by 4:30 p.m. After that time, all school doors are locked and the office staff may be unavailable. For security reasons, cleaning crew members will not allow entrance to the building after school hours.

### 1.40 – Visitors/Volunteers

All visitors/volunteers, including parents and siblings, are required to enter through the front door of the building and proceed immediately to the main office. Visitors should identify themselves and inform office personnel of their reason for being at school.

Visitors/volunteers must sign in, identifying their name, the date and time of arrival, and the classroom or location they are visiting. Visitors/volunteers will provide their driver's license or state ID to be scanned by our security system and kept in the office. Approved visitors must take a tag identifying themselves as a guest and place the tag to their outer clothing in a clearly visible location. Visitors/volunteers are required to proceed immediately to their location in a quiet manner. All visitors must return to the main office and sign out before leaving the school and retrieve their ID.

Visitors/volunteers are expected to abide by all school rules and the visitor/volunteer guidelines during their time on school property. A visitor/volunteer who fails to conduct himself or herself in a manner that is appropriate will be asked to leave and may be subject to criminal penalties for trespass and/or disruptive behavior.

### **1.80 - Gifts**

All district employees are subject to Board Policy 2:105 Ethics and Gift Ban which can be viewed at the District web site at [www.d107.org](http://www.d107.org).

### **1.84 - Birthdays**

#### ***Birthdays – Pleasantdale Elementary***

Birthdays are special occasions for children. Birthdays and half-birthdays are recognized at school. They receive a small gift from the office. Sending birthday treats or gifts to school is not allowed. Children have the option of donating toward a birthday book in the library. Parents will receive more information about birthday books from the PTO.

The distribution of party invitations can often create a disturbance to the school environment. At times, school may not be an appropriate place to communicate (birthday) party information. Parents must take care of birthday party invitations outside of school for grades 2 through 4.

However, we also recognize that our youngest students (Preschool through first grade) may need to distribute invitations at school. Therefore, the below rules must be adhered to.

1. Distribution can only occur during non-instructional hours (before the start of class or at the end of the day) and to your child's classroom only.
2. To the greatest extent possible the child will be responsible for distribution, but staff will make sure that all students in the class receive an invitation.
3. ALL children in the class must receive an invitation.
4. The invitations must be nondescript and not addressed to specific children but simply indicating the time, location, date, etc.

### ***Birthdays – Pleasantdale Middle***

Student birthdays and half-birthdays are highlighted during morning announcements. Parents are not to send edible treats to either lunch periods or classrooms. Parents must communicate individual birthday party information outside of school. Students are not allowed to decorate lockers in celebration of birthdays. The middle school Spirit Squad may decorate student lockers on the students' birthdays or half-birthdays.

### **1.85 - Treats & Snacks**

Students are not allowed to share food. Teachers are not allowed to give food to students outside of approved School Board policy. Parents are not allowed to send food for any student other than their own.

### **1.86 - Student Recognition**

There are many opportunities at both schools for students to be recognized throughout the school year. Positive student recognition is an important part of both schools' child-centered philosophies.

### **1.87 - Parent Organizations**

#### ***Parent Teacher Organization (PTO)***

The PTO actively strives to help parents and teachers cooperate in the education of children. PTO programs and fundraising activities support many District 107 projects including classroom parties, special events, assemblies, etc. Every family is strongly encouraged to join annually. A link to the PTO is located on the District web page.

### ***Holiday Parties – Pleasantdale Elementary***

PTO Room Reps will organize classroom parties for certain holidays during the school year. No food or candy will be served at holiday parties. Valentine cards cannot include anything edible. Classroom parties will focus on holiday-related games and activities. Photos taken during parties will be shared in a school album and should not be posted on personal social media pages.

### **1.88 - Building Usage**

Although educational programs and school-sponsored activities have priority, District 107 school buildings are for community use as well. Applications for building use may be obtained from the School or District Offices. School-sponsored events may preempt groups that have scheduled school building use, provided adequate notice is given. Organizations that sponsor activities in school facilities outside of regular school hours should be aware of Board of Education policies (e.g. no smoking, no alcohol, or other drug use). Failure to observe these policies will result in cancellation of school-use privileges.

### **1.89 - Lost and Found**

A lost and found area is located near the office in the elementary school and near the gymnasium in the middle school. If an article is lost, a child should first check with the classroom teacher, then the lost and found area. If an item is believed to have been left on a school bus, the student should report this as soon as possible to the main office.

### **1.90 - Emergency School Closings**

The District uses an automated home messaging system to notify parents, students, and staff of a school closing. In addition, when possible, emergency closing information will be posted on the district website, social media, and communicated through local media channels.

### **1.91 - Textbook/Library Book Procedures**

Students are expected to return textbooks and library books in the condition they were issued. Loss of book or excessive wear and tear may result in reimbursement for the cost of the book. Families will be notified prior to the end of the year with replacement costs. Students with outstanding library and textbook fees may not be permitted to participate in end of year activities, including Field Day.

### **1.92 - Telephone Use**

Students may use the office phone or classroom phone when it is extremely important. Permission from a teacher, the secretary, or principal is required. Personal cell phones and other communication devices possessed by students should be off and out of sight during the school day.

### **1.93 - Collection of Money**

Money may not be collected from fellow students for any reason without first receiving approval from the principal.

### **1.95 - Communications**

Parent/teacher communication is a priority. Parents are encouraged to contact staff members often. Every staff member has a direct phone line and email address. Parents are encouraged to leave messages during the day. In most instances, teachers will respond within 24 hours. The teacher is always the first point of contact for issues concerning students. Please do not contact the principal or superintendent prior to contacting the teacher.

#### ***Teachers are First Point of Contact***

Should problems involving students occur, parents must first discuss the matter with the classroom teacher. The next person to contact is the principal if the problem is not resolved.

#### ***Email/Voicemail/Website***

Teachers and administration have email and voicemail capabilities to communicate with parents. Email addresses are located on the school website at [www.d107.org](http://www.d107.org). Middle school students have Gmail access to communicate within the d107 domain and are expected to follow the Acceptable Use Policy (AUP) while using Gmail.

#### ***Skyward Family Access***

All families have access to our Student Management System (SMS) called Skyward. It is the responsibility of parents to update contact information on an on-going basis (ie. Phone number changes, email updates, family living arrangements, etc.) Parents may contact the main office with questions about Skyward access at any point during the year. Elementary parents have the ability of checking on their child's current grade status in each subject by checking Skyward. There will be opportunities for parents to receive instruction on how to access Skyward at the beginning of each year.

#### ***Schoology Access***

Our middle school uses a Learning Management System (LMS) called Schoology for middle students and parents to access information about class learning and assignments, including directions, resources, and due dates. Grades are also posted within Schoology. Schoology can be accessed at <http://pleasantdale.schoology.com>. There will be opportunities for parents to receive instruction on how to access Schoology at the beginning of each year. Parents may contact the main office with questions about Schoology access at any point during the year.

#### ***Seesaw Access***

Our district uses a Learning Management System (LMS) called Seesaw for elementary students and parents to access information about class learning and assignments, including directions, resources, and due dates. Information about how to access this will come from the classroom teacher.

#### ***Curriculum Night***

Pleasantdale Elementary and Middle schools host this important event on separate nights at the beginning of the school year. Parents will receive information regarding communication, homework, curriculum, classroom management, and volunteering. Due to the nature of the evening, parents are encouraged to find alternative plans for their children.

#### ***Parent/Teacher Conferences***

Parent involvement is highly valued and strongly encouraged in District 107. Conferences are scheduled in **the fall**. Middle school students are strongly encouraged to attend conferences with their parent(s). The middle school schedules additional conferences during the 2nd trimester, as needed.

### **1.100 - Video and Audio Monitoring System**

A video and/or audio monitoring system may be in use on school buses and a video monitoring system may be in use in public areas of the school building. These systems have been put in place to protect students, staff, visitors and school property. If a discipline problem is captured on audiotape or videotape, these recordings may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the tape may be provided to law enforcement personnel.

### **1.120 - Students with Food Allergies**

#### ***Food Allergy Management Program***

While it is not possible for the District to completely eliminate the risks of exposure to allergens when a student is at school, using a cooperative effort among students' families, staff members, and students helps the District reduce these risks and provide accommodations including proper treatment for allergic reactions. Board Policy 7:285 states that:

- No food or candy will be served at elementary classroom holiday parties. Classroom parties will focus on holiday-related games and activities.
- No food or candy will be sold directly to students during the school day outside of the lunch program.
- Ingredients of food used as part of extracurricular activity (cooking club) will be identified and communicated to parents in advance.
- Food sold as concessions outside of the school day at school or PTO sponsored events must be prepackaged with the ingredients listed unless parents are notified in advance that other foods besides prepackaged items will be sold.
- Food consumption is limited to identified areas of the building.

### **1.130 - Care of Students with Diabetes**

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the building principal. Parents/guardians are responsible for and must:

1. Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.
2. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.
3. Sign the Diabetes Care Plan.
4. Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan.

For further information, please contact the school nurse.

### **1.140 - Suicide and Depression Awareness and Prevention**

#### ***Suicide and Depression Awareness and Prevention***

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district.

The school district maintains student and parent resources on suicide and depression awareness and prevention. School Social Workers maintain resources and information that can be shared with families.

### **1.150 – Pandemic Preparedness, Management, and Recovery**

A pandemic is a global outbreak of disease. Pandemics happen when a new virus emerges to infect individuals and, because there is little to no pre-existing immunity against the new virus, it spreads sustainably. Your child's school and district play an essential role, along with the local health department and emergency management agencies, in protecting the public's health and safety during a pandemic or other health emergency.

During a pandemic or other health emergency, you will be notified in a timely manner of all changes to the school environment and schedule that impact your child. Please be assured that even if school is not physically in session, it is the goal of the school and district to provide your child with the best educational opportunities possible.

Additionally, please note the following:

1. All decisions regarding changes to the school environment and schedule, including a possible interruption of in-person learning, will be made by the superintendent in consultation with and, if necessary, at the direction of the Governor, Illinois Department of Public Health, local health department, emergency management agencies, and/or Regional Office of Education.

2. Available learning opportunities may include remote and/or blended learning. Blended learning may require your child to attend school on a modified schedule.
3. Students will be expected to participate in blended and remote instruction as required by the school and district. Parents are responsible for assuring the participation of their child. Students who do not participate in blended or remote learning will be considered truant.
4. All school disciplinary rules remain in effect during the interruption of in-person learning. Students are subject to discipline for disrupting the remote learning environment to the same extent that discipline would be imposed for disruption of the traditional classroom.
5. Students and parents will be required to observe all public health and safety measures implemented by the school and district in conjunction with state and local requirements.
6. During a pandemic or other health emergency, the school and district will ensure that educational opportunities are available to all students.
7. School personnel will work closely with students with disabilities and other vulnerable student populations to minimize the impact of any educational disruption.
8. Students who have a compromised immune system, live with an individual with a compromised immune system, or have a medical condition that may impact their ability to attend school during a pandemic or other public health emergency should contact school officials.
9. During a pandemic or other health emergency, teachers and school staff will receive additional training on health and safety measures.
10. In accordance with school district or state mandates, the school may need to conduct a daily health assessment of your child. Parents and students will be notified of the exact assessment procedures if this becomes necessary.
11. Parents should not send their child to school if their child exhibits any symptoms consistent with the pandemic or other health emergency.
12. Please do not hesitate to contact school or district officials if you have any concerns regarding your child's education, health or safety.

### **1.170 – Student Appearance**

A student's appearance, including dress and hygiene, must not disrupt the educational process or compromise standards of health and safety. The school does not prohibit hairstyles historically associated with race, ethnicity, or hair texture, including, but not limited to, protective hairstyles such as braids, locks, and twists. **The school will not prohibit students from wearing or accessorizing the student's graduation attire with items associated with the student's cultural, ethnic, or religious identity or any other protected characteristic or category identified in the Illinois Human Rights Act.** Students who disrupt the educational process or compromise standards of health and safety must modify their appearance.

### **1.180 - Awareness and Prevention of Child Sexual Abuse, Grooming Behaviors and Boundary Violations**

Child sexual abuse, grooming behaviors, and boundary violations harm students, their parent/guardian, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn.

### *Warning Signs of Grooming Behaviors*

School and District employees are expected to maintain professional and appropriate relationships with students based upon students' ages, grade levels, and developmental levels.

Prohibited grooming is defined as (i) any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, (ii) by an employee with direct contact with a student, (iii) that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples of grooming behaviors include, but are not limited to, the following behaviors:

- Spending a lot of time with a student
- Restricting a student's access to other adults

### *Warning Signs of Boundary Violations*

School and District employees breach employee-student boundaries when they misuse their position of power over a student in a way that compromises the student's health, safety, or general welfare. Examples of boundary violations include:

- Favoring a certain student by inviting the student to "hang out" or by granting special privileges
- Engaging in peer-like behavior with a student
- Discussing personal issues with a student
- Meeting with a student off-campus without parent/guardian knowledge and/or permission

- Dating, requesting, or participating in a private meeting with a student (in person or virtually) outside of a professional role
- Transporting a student in a school or private vehicle without administrative authorization
- Giving gifts, money, or treats to an individual student
- Sending a student on personal errands
- Intervening in a serious student problem instead of referring the student to an appropriately trained professional
- Sexual or romantic invitations toward or from a student
- Taking and using photos/videos of students for non-educational purposes
- Initiating or extending contact with a student beyond the school day in a one-on-one or non-group setting
- Inviting a student to an employee's home
- Adding a student on personal social networking sites as contacts when unrelated to a legitimate educational purpose

- Disclosing confidential information
- Self-disclosure of a sexual, romantic, or erotic nature
- Full frontal hugs
- Invading personal space

If you believe you are a victim of child sexual abuse, grooming behaviors, or boundary violations, or you believe that your child is a victim, you should immediately contact the Building Principal, a school counselor, or another trusted adult employee of the School.

### **1.185 - Employee Conduct Standards/Faith's Law Notifications**

School districts are required to include in their student handbook the District's Employee Code of Professional Conduct. These standards, in part, define appropriate conduct between school employees and students. A copy of these standards can be found on the District's website at this [link](#) or requested from the Superintendent's office.

### **1.190 - Prevention of Anaphylaxis**

While it is not possible for the School or District to completely eliminate the risks of an anaphylactic emergency, the District maintains a comprehensive policy on anaphylaxis prevention, response, and management in order to reduce these risks and provide accommodations and proper treatment for anaphylactic reactions. Parent(s)/guardian(s) and students who desire more information or who want a copy of the District's policy may contact the Building Principal.

### **1.200 - Sexual Abuse Response and Prevention Resource Guide**

The Illinois State Board of Education (ISBE) maintains a resource guide on sexual abuse response and prevention. The guide contains information on and the location of children's advocacy centers, organizations that provide medical evaluations and treatment to victims and families of victims of child sexual abuse, and organizations that offer legal assistance to and provide advocacy on behalf of victims of child sexual abuse. This guide can be accessed through the ISBE website at [www.isbe.net](http://www.isbe.net) or you may request a copy of this guide by contacting the school's office.

# Chapter 2 - Attendance, Instruction, Promotion & Graduation

## 2.10 - Attendance

Illinois law requires that whoever has custody or control of any child between six (by September 1<sup>st</sup>) and seventeen years of age shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session (unless the child has already graduated from high school). Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session.

## 2.20 - Student Absences

Daily student attendance is vital for our schools to best educate our students.

### *Elementary*

Parents or guardians must log their child's absence into Pickup Patrol before 9 a.m. for elementary student absences. If a parent does not log the absence by the designated time, the school office/nurse will make every effort to contact the home to verify the absence. Illinois law requires that the school knows the whereabouts of every child within the first two hours of school. If school personnel are unable to reach a parent or guardian, the police may be asked to check the residence to ensure the child's safety. Parents must notify the school office in writing for a planned absence. When a student has been absent three or more days due to illness, a doctor's statement may be required before the child will be readmitted to school. A doctor's statement may be required when a child returns following a contagious disease. A student must be present at school by 12:00 p.m. to participate in after school/evening activities.

A student may be considered absent if he/she misses 20 minutes or more in the morning or afternoon.

### *Middle School*

Parents or guardians must notify the school of an absence by calling or emailing the office ([middleattendance@d107.org](mailto:middleattendance@d107.org)) prior to 8:00 a.m. The parent should convey the reason for the absence. If a parent does not report the absence by the designated time, the school office/nurse will make every effort to contact the home to verify the absence. Illinois law requires that the school knows the whereabouts of every child within the first two hours of school. If school personnel are unable to reach a parent or guardian, the police may be asked to check the residence to ensure the child's safety. Parents must notify the school office in writing for a planned absence. When a student has been absent three or more days due to illness, a doctor's statement may be required before the child will be readmitted to school. A doctor's statement may be required when a child returns following a contagious disease. A student must be present at school by 12:00 p.m. to participate in after school/evening activities.

Pursuant to Public Act 102-981 (effective 1-1-23), middle school students are permitted one day-long excused absence per school year for the purpose of attending a civic event.

## **Reasons for Absence**

District 107, in keeping with section 26.2a of the Illinois School Code, considers the following circumstances to be valid/excused and invalid/unexcused causes for a student's absence:

### *Valid/excused reasons for absence:*

- Illness, including mental or behavioral health of the student and doctor's appointments
- Death in the immediate family
- Family emergency
- Observance of a religious holiday
- Attending a military honors funeral to sound TAPS
- Circumstances which cause reasonable concern to the parent or guardian for the safety or health of the student
- Other situations beyond the control of the student as approved by the Superintendent or Principal

### *Invalid/unexcused reasons for absence:*

- Oversleeping
- Missing the bus
- Babysitting
- Completing work for a class
- Non-school sponsored activities
- Vacation

A phone call from a parent or guardian will not excuse a student in these circumstances. The school district will initiate preventive and supportive measures for students who are absent from school excessively, especially invalid/unexcused absences.

Additionally, a student will be excused for up to 5 days in cases where the student's parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. The Board of Education, in its discretion, may excuse a student for additional days relative to such leave or deployment. A student and the student's parent/guardian are responsible for obtaining assignments from the student's teachers prior to any excused absences and for ensuring that such assignments are completed by the student prior to his or her return to school.

### ***Student Mental Health Days***

A 2021 law was passed that allows students to use up to 5 mental health days as excused absences. Our district works closely with families and if students are absent due to mental health reasons, we mark them excused and work to support the family. While not required, it is strongly recommended by our legal counsel that supports be put in place for students that use these mental health days. As such, we will follow the below practice when mental health days are used.

- 1st absence: No intervention.
- 2nd absence: The student will meet with the school social worker.
- 3rd absence: A meeting will be held with the student, parent, principal, and social worker.
- 4th absence: The students will undergo an emotional health screening and when appropriate be offered a referral to outside services.
- 5th absence: The team will develop a formal plan to support the student's emotional health.

### ***Tardy***

A student is considered tardy if he/she arrives after 8:22 a.m. for the middle school and 9:00 a.m. for the elementary school. Late arrival of school provided transportation does not constitute a tardy referral. Students who are habitually late to school are a concern. Not only do they miss important information starting the school day, they are a disruption to the class. At the Middle School, students who are late to school/class more than 3 times in a trimester are subject to school discipline procedures. The principal or assistant principal will contact parents when tardiness becomes chronic.

### ***Extended Absence Procedures***

Regular attendance is vital to success in school. Parents or guardians are expected to maintain a regular attendance pattern for their children and to inform the school of any absence and its cause. Family vacations planned on school attendance days are discouraged. It is the parent's responsibility to ensure that their children make up what needs to be made up.

An extended planned absence constitutes five or more missed school days. Parents are requested to notify their child's teacher and the school office in writing five days prior to an extended planned absence, stating the specific dates and reason the student will not be in attendance.

There are many different learning activities and opportunities going on in classrooms each day. Not all can be done independently as most require some level of prior instruction from the classroom teacher. Therefore, teachers may not be able to provide work ahead of time. Other assignments will be saved for the child to do after the extended absence. Any work that is given at the beginning of an extended absence should be done by the time the child returns to school.

These procedures are intended to help parents and students understand the academic responsibilities relative to extended absences. Questions should be directed to teachers or the school office.

### ***2.40 - Make-Up Work***

Students are responsible for their schoolwork when they are absent. Parents and students can use Schoology or Seesaw, our online Learning Management Systems, or email teachers directly to check for assignments. After two consecutive days of absence, arrangements may be made for someone to pick up the assignments from the school office between 3:20 and 4:00 p.m.

If a student's absence is excused or if a student is suspended from school, he/she will be permitted to make up all missed work, including homework and tests, for equivalent academic credit.

Teachers will assist and determine a deadline for making up the missed work.

## **2.50 - Truancy**

Student attendance is critical to the learning process. Truancy is therefore a serious issue and will be dealt with in a serious manner by the school and district.

Students who miss more than 1% but less than 5% of the prior 180 regular school days without valid cause (a recognized excuse) are truant. Students who miss 5% or more of the prior 180 regular school days without valid cause are chronic truants. Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue.

If chronic truancy persists after support services and other resources are made available, the school and district will take further action, including:

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

A student who misses 15 consecutive days of school without valid cause and who cannot be located or, after exhausting all available support services, cannot be compelled to return to school is subject to expulsion from school.

A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law.

## **2.60 - Grading & Promotion**

### ***Report Cards***

- Report cards are posted three times a year on Skyward Family Access.
- Elementary parents are encouraged to check their child's grades on Skyward on a regular basis. Letter grades on report cards begin in 3<sup>rd</sup> grade. Students younger than 3<sup>rd</sup> grade receive a numerical grade as described on the report card. In addition, Spanish, physical education, music, and art in the Elementary School also receive numerical grades.
- At the middle school, parents are encouraged to check their child's grades on Schoology on a regular basis.

### ***Grading***

#### ***District Subject Grading Scale (3<sup>rd</sup>-8<sup>th</sup> Grades):***

A	100 – 90
B	89.99 – 80
C	79.99 – 70
D	69.99 – 60
F	59.99 or below

### ***Graduation Ceremony Eligibility***

Grade 8 students are expected to meet academic expectations to participate in the graduation ceremony. Specifically, grade 8 students will not be allowed to participate in the graduation ceremony if they earn 6 or more "F's" during the school year, with at least one "F" occurring during the third trimester. If a student is at risk of nonparticipation due to academic performance, parents will be notified at the end of the trimester in which two (2) or more "F's" are accumulated on the report card. A plan to remediate will be developed jointly between the student, parent, and school. Grade 8 students who fail to remediate their academic performance given adequate notice will not participate in the graduation ceremony. Grade 8 students may also be prohibited from participation in the graduation ceremony or other 8<sup>th</sup> grade activities and privileges for incidents of gross disobedience and misconduct.

## **2.65 – Instructional Programs and Placements**

### ***Class/Teacher Assignments***

The principal and teachers make decisions in the spring regarding the placement of students in classes for the following school year. A great deal of time is devoted to the development of class lists. Important academic, social, developmental, and behavioral factors are taken into consideration before decisions are made. Parent requests for a particular teacher cannot be honored as many factors are involved in this process.

## *Curriculum*

Curriculum in District 107 is developed, reviewed, and refined on a yearly basis. The District’s Curriculum Council is charged with evaluating present programs, analyzing research in the field, and designing a comprehensive program of study to meet the needs of all students in the district.

### *Enrichment Program – Elementary*

The enrichment learning specialist meets regularly with K – grade 4 teachers to assess learning needs and help plan differentiated curriculum as needed. Students who are determined to need ongoing challenges are identified for enrichment. At the beginning of 4th grade, student profiles are reviewed to determine placement. A student's profile includes a variety of measures: CogAt, MAP, student grades, writing sample (for ELA), and teacher input. In grade 4, students are identified for either on-level or extended English Language Arts (ELA) classes. Also in grade 4, students are identified for either on-level or accelerated math classes.

### *Leveled English Language Arts (ELA) Classes - Middle*

In grades 5-8, students are identified for either on-level or extended English Language Arts (ELA) classes.

### *Leveled Math Classes*

In grades 5-8, students are identified for either on-level or accelerated math classes. Classes are designed to meet the academic needs of all students and provide an appropriate level of challenge. Classes utilize a differentiated curriculum as needed.

Qualifications for accelerated or extended instruction in English Language Arts and Math are detailed in the district's Advanced Learning and Talent Development document, found on the school district’s website.

## **2.70 - Homework**

The district recognizes that carefully planned homework can play an important role in student learning and can enhance student growth. Homework should support the learning taking place in the classroom and be respectful of students’ family and personal time. When assigning homework, teachers should consider each student’s ability to complete the homework, time constraints, and special circumstances.

Homework is any task assigned by teachers, including unfinished class work, intended for students to complete during non-instructional hours. Homework serves several purposes including to preview or review material, to practice concepts taught in class, and to support executive functioning skills. Effective homework provides students with low-stress work that can be completed independently and is reasonably differentiated for students.

When creating/assigning homework teachers should consider the following principles to ensure homework is manageable and supports student learning;

- Teachers should clearly communicate the purpose of the homework to students.
- Grade level teams should discuss and coordinate homework assignments and assessments.
- The total amount of homework assigned should be manageable and respect students’ family life.

Below are guideline ranges for homework for each school attendance day which includes 15-minutes of independent reading:

- Kindergarten-Grade 1: Not to exceed 20 minutes
- Grades 2 - 3: Not to exceed 30 minutes
- Grades 4 - 6: Not to exceed 60 minutes
- Grades 7 - 8: Not to exceed 75 minutes
- A student’s economic/home life reality should not impact their ability to complete homework.

The following practices should be considered for students, staff, and families:

- Teachers should discuss approximate time ranges for homework with students.
- Feedback to students on homework should be timely and fit the purpose of the work.
- Homework should have a minimal impact on a student’s overall grade.

- Homework assignments over extended school breaks and non-attendance days should be limited and, to the greatest extent possible, no new work should be assigned.
- Families should encourage learning through homework and provide students with a quiet and distraction free environment to complete homework.
- A homework support program should be provided at school.
- If students are regularly spending more than the recommended time on homework, students should discuss with the teacher. Families should also reach out to the child’s teacher to discuss the situation.
- Families should support students to complete work independently.
- School administration will support the effective use of homework and communicate important information about homework to parents.
- The district will notify families about Homework Administrative Procedures and how to be aware of their child’s homework completion.

Students who are absent from school for a valid cause (an excused absence) may make up missed homework in a reasonable timeframe.

**2.80 - Exemption from the Physical Education Requirement**

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Upon written notice from a student’s parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.

A student in grades 7-8 may submit a written request to the building principal requesting to be excused from physical education courses because of the student’s ongoing participation in an interscholastic or extracurricular athletic program. The building principal will evaluate requests on a case-by-case basis.

Students with an Individualized Education Program may also be excused from physical education courses for reasons stated in Handbook Procedure 10.301.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practices Act, prevents his or her participation in the physical education course.

State law prohibits the School District from honoring parental excuses based upon a student’s participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

1. The time of year when the student’s participation ceases and the students class schedule.

**2.100 - Home and Hospital Instruction**

***Homebound Tutoring***

A student who is absent from school, or whose physician, physician assistant or licensed advance practice registered nurse anticipates his or her absence from school, because of a medical condition may be eligible for instruction in the student’s home or hospital. This service is available to all district students meeting eligibility requirements according to district policy 6:150 at no charge to the family.

**2.130 - Complaints About Curriculum, Instructional Materials, and Programs**

Parents or guardians have the right to inspect all instructional materials used as a part of their child’s education. If you believe that Curriculum, instructional materials, or programs violate rights guaranteed by any law or Board policy, you may file a complaint under the District’s uniform grievance policy.

Parents or guardians with other suggestions or complaints about Curriculum, instructional materials, or programs should complete a Curriculum Objection Form, which is available from the school office and on our website. A parent or guardian may also request that their child be exempt from using a particular instructional material or program by completing a School Code Curriculum Opt-Out Form.

# Chapter 3 - Student Fees and Meal Costs

## 3.00 - Registration

Registration for returning students can be completed online at [www.d107.org](http://www.d107.org). Additionally, students advancing to Grade 5 will need to verify residency before the first day of student attendance.

Parents or legal guardians of children who are eligible to attend school in Pleasantdale District 107, must show proof of residency and fill out the following papers for registration:

- Enrollment and Residency Form
- Authorization for Transfer of Student Records
- General Information Sheets

Parents/legal guardians must submit the following original documents:

- Child's birth certificate
- Custody papers in the case of divorce or guardianship
- Current physical
- Proof of residency listing the name and address

There are many different family patterns and styles. Some families may have had an experience that has resulted in a court order. The district requests parent cooperation to help us maintain a safe environment and communicate correctly with all parties. If there is a current court order (i.e. divorce, order of protection, etc.) a copy of the portion that applies to custody or protection is required. The copy must include a stamp and signature of the court.

## 3.10 - Fees, Fines & Charges; Waiver of Student Fees

### *Fees*

Information regarding Grade Level Fees, PE uniforms, School Lunch, Technology, and other items will be included in the annual registration packet.

### *Voluntary Student Insurance*

Student insurance information can be obtained by contacting the district office.

### *Waivers*

The school establishes fees and charges to fund certain school activities. ~~Some students may be unable to pay these fees.~~ Students will not be denied ~~the opportunity to participate in curricular and extracurricular programs of the school district educational services or academic credit~~ due to the inability of their parent or guardian to pay fees or certain charges. Students whose parent or guardian is unable to afford student fees may receive a fee waiver. ~~A fee waiver applies to all fees related to school, instruction, and extracurricular activities.~~ A fee waiver does not automatically exempt a student from charges for lost and damaged books, locks, materials, supplies, and/or equipment.

Applications for fee waivers may be submitted by a parent or guardian of a student who has been assessed a fee. As student is eligible for a fee waiver if at least one of the following prerequisites is met:

1. The student currently lives in a household that meets the ~~same income guidelines, with the same limites based on household size, that are used for the federal free meals programs; free lunch or breakfast eligibility guidelines established by the federal government pursuant to the National School Lunch Act; or~~
2. ~~The student or the student's family is currently receiving aid under Article IV of the Illinois Public Aid Code (Aid to Families of Dependent Children);~~
3. The student's parent is a veteran or active-duty military personnel with income at or below 200% of the federal poverty line;
4. The student is homeless, as defined by the Mc-Kinney-Vento Homeless Assistance Act.

The building principal will give additional consideration where one or more of the following factors are present:

- An illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Unemployment;

- Emergency situations; or
- When one or more of the parents/guardians are involved in a work stoppage.

The ~~building principal~~ Business Manager will notify the parent/guardian promptly as to whether the fee waiver request has been granted or denied. Questions regarding the fee waiver application process should be addressed to the ~~building principal~~ Business Manager.

Pursuant to the Hunger-Free Student's Bill of Rights Act, the school is required to provide a federally reimbursable meal or snack to a student who requests one, regardless of whether the student has the ability to pay for the meal or snack or owes money for earlier meals or snacks. Students may not be provided with an alternative meal or snack and the school is prohibited from publicly identifying or stigmatizing a student who cannot pay for or owes money for a meal or snack.

If you have any questions regarding the fee waive process, you may contact the District Business Manager at (708) 784-2013.

### **3.20 - School Lunch Program**

All full-day students eat lunch at school. Students have the option of purchasing hot lunch or bringing their own. Menus will be posted each month on our district's website so parents and students are aware of the food that will be served in advance. Students are not allowed to share lunches. District 107 provides financial assistance for lunch in accordance with federal and state laws. Eligibility requirements are available through the school or district office.

# Chapter 4 - Transportation & Parking

## 4.10 - Bus Transportation

District 107 provides bus transportation for all students. Bus schedules are furnished at the beginning of the school year. Riding the bus is considered a privilege rather than a right and requires the cooperation of parents, students, staff and our bus drivers to ensure a safe experience for every child. Each school bus is equipped with front and rear video cameras to record student behavior.

### *Routes and Schedules*

- In planning schedules, the District strives for safety considerations first.
- Students are not allowed to take any bus other than their assigned bus and must get off at their assigned bus stop.
- Parents/guardians of kindergarten students must meet their child at the bus stop.

### *Late Bus*

- Late bus service is provided Monday, Tuesday, and Thursday.
- The late buses begin at the Elementary School and then go to the Middle School.
- The late buses leave at 4:20 p.m. from the **Elementary School**.
- The late buses leave at 4:30 p.m. from the **Middle School**.
- These buses will drop students off at locations in the general area of their homes, but not necessarily at the same stops as the morning and afternoon buses.
- Bus concerns/questions after office hours should be directed to the First Student Bus Company at (708) 352-9050.

- If a child behaves in a way that jeopardizes his safety or the safety of others, an anecdotal form will be filled out by the bus driver or supervising adult and given to the principal.
- In all cases, the seriousness of the offense will determine the level of consequence suitable. Consequences for improper bus riding behavior can range from written warning to a bus suspension for an amount of time determined by the principal.
- Parents will be notified in the event of a bus offense.

### *Pleasantdale Middle*

- Students are expected to follow the “The “I’s” of the Tigers” on the bus.
  - I am respectful – Keep hands and feet to yourself.
  - I am responsible – Talk but don't scream.
  - I am safe – Stay seated the entire ride.

## **4.15 - Bus Conduct - Suspension of Services**

Students are expected to follow all school rules when riding the school bus. A student may be suspended from riding the bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following:

1. Violating any school rule or school district policy.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the building principal deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the School Board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons.

A student suspended from riding the bus who does not have alternate transportation to school shall have the opportunity to complete or make up work for equivalent academic credit. It shall be the responsibility of the student's parent or guardian to notify the school that the student does not have alternate transportation.

## **4.20 - Student Drop-off/Pick-up**

Safety for children and adults is increased when parents driving automobiles adhere to the following safety guidelines:

### *Pleasantdale Elementary*

- Enter the school parking lot staying to the right of the parking lot.
- Pull along the side of the school nearest the gym where your child may be dropped off on the sidewalk or along the Kiss and Go lane.
- Please do not allow your child to run across the parking lot to join his/her class.
- Do not drive into bus lanes (painted yellow curb area) at any time to drop off children. This area is restricted for buses.
- All drivers must obey bus stop signs.
- Adult supervision begins at 8:45 a.m. Children should arrive no earlier than 8:45 a.m.
- Parents of preschool students are to park their car and walk their student to the door for drop off and pickup.

### *Pleasantdale Middle*

- The only entrance to our parking lot and drop-lane is on 74<sup>th</sup> Street (the street north of the school building).
- Parents who are picking up or dropping off students should form a single lane next to the sidewalk (no waiting next to the flagpole).
- Please pull up as close as possible to the car in front.
- Exit only at the driveway onto Wolf Road midway between 74<sup>th</sup> and 75<sup>th</sup> Street.
- Please use the parking lot nearest to Wolf Road to park and enter the building.

*As a reminder, nobody is allowed to talk on their cell phone when in a school zone.*

### **4.30 - Other Forms of Student Transportation**

#### *Bicycles/Skateboards/Roller Blades*

The decision and responsibility to let a student ride his/her bike to school rests with the parents. Once on school property, students must walk their bikes. A bicycle parking rack is located next to the preschool rooms at the elementary school and in front of the middle school building. Bicycle registration with the police and wearing helmets are highly encouraged. Bicycle-riding, skateboarding, or rollerblading while on school property is not permitted.

# Chapter 5 - Health and Safety

## 5.10 - Immunization, Health, Eye & Dental Examination

### *Required Health Examinations and Immunizations*

All students are required to present appropriate proof of a health examination and the immunizations against, and screenings for, preventable communicable diseases within one year prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth grade; and
3. Enrolling in an Illinois school for the first time, regardless of the student's grade.

Proof of immunization including: DTP/DtaP, Tdap, Hepatitis B, Polio, MMR, Varicella, and MCV4 are required for students in grades 6 and 12. A diabetes screening must be included as part of the health exam (though diabetes testing is not required). Students between the age of one and seven must provide a statement from a physician assuring that the student was "risk-assessed" or screened for lead poisoning.

Failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the school, subject to certain exceptions. New students who register mid-term have 30 days following registration to comply with the health examination and immunization requirements. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by an appropriate medical professional.

### *Eye Examination*

All students entering kindergarten or the school for the first time must present proof by October 15 of the current school year of an eye examination performed within one year. Failure to present proof by October 15, allows the school to hold the student's report card until the student presents: (1) proof of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15.

### *Dental Examination*

All students entering kindergarten, second and sixth grades must present proof by May 15 of the current school year of having been examined by a licensed dentist within the last 18 months. Failure to present proof allows the school to hold the child's report card until the student presents: (1) proof of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15.

### *Exemptions*

A student will be exempted from the above requirements for:

1. Medical grounds if the student's parent/guardian presents to the building principal a signed statement explaining the objection;
2. Religious grounds if the student's parent/guardian presents to the building principal a completed Certificate of Religious Exemption;
3. Health examination or immunization requirements on medical grounds if a physician provides written verification;
4. Eye examination requirement if the student's parent/guardian shows an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist; or
5. Dental examination requirement if the student's parent/guardian shows an undue burden or a lack of access to a dentist.

### *Accidents and Illnesses*

- When a student suffers a minor accident or illness at school, first aid is given and the name, date, and cause recorded.
- The parent or person designated by the parent will be notified and asked to come to the school for the child if a child becomes ill or injured.
- No child shall be sent home if there is not a responsible adult, either parent, or someone designated by the parent to accept him/her.

- A student who has diarrhea, has vomited in school or has a temperature of 100° F or more must be sent home.
- Students should remain at home at least 24 hours after a fever has subsided or is symptom free without medication.
- Should a serious accident or illness occur which warrants emergency treatment, 911 will be called and parents notified.

### *Allergies*

Many students are allergic to animals. No animals will be brought to school for show and tell, star of the week, etc. Due to food allergies, no food may be brought in to share in either the lunchroom or the classroom.

### *Ambulance Policy*

In the event of a student health emergency, the school nurse will determine whether an ambulance is needed to transport the student to the hospital in order to ensure the student's safety. The cost of the ambulance, which is covered by many health insurance policies, will be the responsibility of the parent. Families who do not have health coverage can purchase student health insurance through the district. This guideline will apply at all school related activities whether on or off district grounds.

### *Cumulative Health Record*

The school nurses keep a cumulative health record for each student and share the responsibility for keeping it up-to-date with parents. Should a student transfer out of the district, the health records are forwarded to the new school. Parents can use Skyward to monitor student visits to the nurse's office.

### *Hearing Tests*

Students in preschool, kindergarten, first, second, third and fourth grade, and all students new to the district are given a hearing test. Tests may also be given if a teacher notices that a student is having difficulty hearing. Parents will be notified if the nurse has concerns about the student's hearing.

### *Vision Tests*

Students in preschool, kindergarten, second, and eighth grades are given vision tests in accordance with state guidelines under the supervision of the school nurse. Tests are also given if a teacher notices that a student is having difficulty that may be related to vision. Parents will be notified if the nurse has concerns about a student's vision.

## **5.20 - Student Medication**

Taking medication during school hours or during school-related activities is prohibited unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child by completing a "School Medication Authorization Form."

No school or district employee is allowed to administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form is submitted by the student's parent/guardian. No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure.

### *Self-Administration of Medication*

A student may possess and self-administer an epinephrine injector (e.g., EpiPen®) and/or an asthma inhaler or medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a School Medication Authorization Form.

Students who are diabetic may possess and self-administer diabetic testing supplies and insulin if authorized by the student's diabetes care plan, which must be on file with the school.

Students with epilepsy may possess and self-administer supplies, equipment and medication, if authorized by the student's seizure action plan, which must be on file with the school.

Students may self-administer (but not possess on their person) other medications required under a qualified plan, provided the student's parent/guardian has completed and signed a School Medication Authorization Form.

The school district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

### *Administration of Medical Cannabis*

In accordance with the Compassionate Use of Medical Cannabis Program, qualifying students are allowed to utilize medical cannabis infused products while at school and school events. Please contact the building principal for additional information. Discipline of a student for being administered a product by a designated caregiver pursuant to this procedure is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

### *Undesignated Medications*

The school may maintain the following undesignated prescription medications for emergency use: (1) Asthma medication; (2) Epinephrine injectors; (3) Opioid antagonists; and (4) Glucagon. No one, including without limitation, parents/guardians of students, should rely on the school or district for the availability of undesignated medication. This procedure does not guarantee the availability of undesignated medications. Students and their parents/guardians should consult their own physician regarding these medication(s).

### *Emergency Aid to Students*

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

## 5.40 - Safety Procedures

### *Drills*

Drills required by the Illinois State Board of Education are conducted throughout the school year including fire, tornado/disaster, bus evacuation, and lockdown drills. Schools may add additional drills, as deemed appropriate. Students are instructed in appropriate actions and behavior. The law enforcement lockdown drill will be announced in advance and a student's parent/guardian may elect to exclude their child from participating in this drill. Other safety drills may or may not be preceded by a warning to students based on the circumstances.

### *Tornado Watch*

If a tornado watch is in effect at dismissal time, no changes will take place to the previously arranged dismissal procedures.

### *Tornado Warning*

At the onset of a tornado warning, teachers direct their students to designated safety areas. Students remain in the school until release is considered safe if the warning occurs at dismissal time. Parents may pick up their child at school during a tornado warning. Parents sending someone else to pick up a child must notify the school requesting a child's release. **Please do not telephone the school during tornado watches and warnings.** Calls could interfere with outgoing emergency calls.

## 5.50 - Communicable Disease

Rules and regulations regarding communicable disease control shall be enforced as required by the Illinois Department of Public Health. Parents must notify the nurse if their child has a communicable disease. The student's teacher and the principal will be notified.

## 5.60 - Head Lice

The school will observe the following procedures regarding head lice.

- Parents will be contacted when it is suspected that their child is infested with lice.
- Parents are asked to notify the school nurse if they suspect their child has head lice.
- The school will provide written instructions to parent/guardian regarding appropriate treatment for the infestation.
- It is advised by the CDC that students return to school after appropriate treatment has begun.

## Chapter 6 - Discipline and Conduct

### 6.20 - School Dress Code

Appropriate student dress is the responsibility of each student at Pleasantdale SD 107. Pleasantdale SD 107 hopes that parents will take an active part in assisting their children in making decisions about their appearance in school. Any clothing viewed as inappropriate or disruptive in any way will not be allowed. Students with inappropriate clothing will be asked to change. Parents may be contacted to bring a change of clothes. Additionally, students may be asked to wear their gym uniform, if necessary. Expectations for appropriate student dress are in effect for all extra-curricular and school-related activities (i.e. after-school sporting events, Student Council events, Clubs, etc.). Judgment of disruption is at the discretion of building administration. Specific guidelines are:

- Students and parents have the right to make clothing and accessory selections so that they feel comfortable and confident at school.
- Students and parents have the responsibility to make clothing and accessory selections that are appropriate for the educational environment. Clothing choices should not disrupt the educational process, interfere with the maintenance of a positive teaching and learning climate, or compromise reasonable standards of health, safety, and decency.
- Students should not wear hats or head covering of any kind (except that of established religious groups or medical exceptions) in the building, except when allowed for special spirit days.
- Apparel that promotes or advertises weapons, drugs, alcohol, tobacco products, gangs, or other inappropriate activities is not permitted.
- Clothing that is otherwise poorly fitting, showing skin and/or undergarments may not be worn at school.
- The length of shorts or skirts must be appropriate for the school environment.
- Shoes must be worn at all times.

Concerns about student dress will be handled through the main office by the principal and/or assistant principal.

### 6.30 - Student Discipline

As part of our district wide multi-tiered system of support (MTSS), the Pleasantdale Elementary School has established a three-tiered Positive Behavior Support System (PBSS). PBSS is a systematic approach for implementing proactive schoolwide discipline. The purpose of PBSS is to improve school climate and prevent student problem behaviors across all school settings. Essential elements of our PBSS include: (1) building a culture within the whole school that will serve as a foundation for both social and academic success, (2) emphasizing early identification and prevention of problem behavior, (3) directly teaching appropriate social skills to all students, and modifying or rearranging the school context when necessary to prevent problem behavior, (4) using a three-tiered continuum of behavior support practices in order to prevent problem behavior, and (5) actively using data for decision-making.

All students receive the support they need for success based on a continuum of need and intensity. Our PBSS program uses:

- Student achievement data to inform instruction
- A problem-solving model
- A multi-tiered service delivery model
- Targeted interventions in addition to the core curriculum
- Regular progress monitoring

For special education students, please refer to section 10.20 “Discipline of Students with Disabilities,” of the Parent/Student Handbook, for additional information.

### *When and Where Conduct Rules Apply*

The grounds for disciplinary action also apply whenever the student’s conduct is reasonably related to school or school activities, including but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or

4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

#### *Discipline Plans -- Pleasantdale Elementary*

The Pleasantdale Elementary School community of staff and parents believes that each child is responsible for his/her behavior. Based on this belief:

- The role of parents and staff is to guide and assist students in making appropriate behavioral choices and understanding that all actions have consequences.
- The student's role is to develop skills and strategies for coping with conflict, and to accept responsibility for his/her choices.
- Pleasantdale Elementary students will become responsible and respectful citizens through their efforts and the shared commitment of parents and staff.

Pleasantdale Elementary School maintains a building behavior plan, The Eagle Way. The Eagle Way must be followed at all school sponsored activities, including field trips and bus routes.

- The Eagle Way
  - Be respectful
  - Be responsible
  - Be safe
- Each teacher establishes a set of classroom rules and procedures. These rules are on display in the classroom for all to see. These classroom rules include hallway, bathroom, and recess guidelines.
- A system has been set up during lunch called "Eagle's Nest" for children who fail to follow the Eagle Way. The "Eagle's Nest" is located in an office near the lunchroom and is supervised by a staff member. Parents will be notified unless the supervisors feel the infraction was minor and communication home not necessary. Students are given appropriate behavioral intervention ideas ("flight plan") and skills so that negative behaviors do not become habitual.

#### *Discipline Plans -- Pleasantdale Middle*

It is our goal at Pleasantdale Middle School to provide a safe and positive learning environment. To achieve this environment, expectations of behavior and conduct have been established which govern the entire school operation, including classroom and instructional areas, co-curricular groups and activities and school facilities. Students are expected to accept responsibility for their actions and the consequences of those actions. Parents and teachers also have rights and responsibilities in their role of support for continued student growth. In order to ensure student confidentiality, the district policy is not to give out information about a student's behavior to other parents.

"The 'I's' of the Tigers" is our positive and proactive approach to school behaviors and is the heart of our program. We ask our students to affirm the following statements in their actions and behaviors while at or representing Pleasantdale Middle School:

I am Respectful  
I am Responsible  
I am Safe

Expectations are taught, and when necessary, re-taught to illustrate the above statements through various areas within the building, including hallways, classrooms, lunchroom, recess, assemblies, and on the bus. Staff have been trained in and encouraged to use the CHAMPS model of behavior expectations. CHAMPS is an acronym for briefly explaining the expectations prior to each activity and stands for Conversation (how loud of a voice level), Help (how to access it), Activity (what should you be doing), Movement (what do I do if I need to move around), Participation (how will you participate), Success (how will you know you were successful). In addition, all staff members are encouraged to support and recognize positive examples of "The 'I's' of the Tigers" through home communications and "Tiger Stripes" presented to the students.

### *Disciplinary Measures*

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent possible, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions.

### *Re-Engagement of Returning Students*

The building principal or designee shall meet with a student returning to school from an out-of-school suspension, expulsion or alternative school setting. The goal of this meeting shall be to support the student's ability to be successful in school following a period of exclusion and shall include an opportunity for students who have been suspended to complete or make-up missed work for equivalent academic credit.

### *Corporal Punishment*

District 107 does not allow school personnel to administer corporal punishment to students according to Board Policy. Corporal punishment does not include, and certificated personnel are permitted to use, reasonable force as needed to maintain safety for other students, school personnel, or for the purpose of self-defense or the defense of property.

### *Use of Isolated Time Out and Physical Restraint*

This policy applies to all students. Isolated time out and physical restraint shall be used only as a means of maintaining a safe and orderly environment for learning and only to the extent necessary to preserve the safety of students and others. Neither isolated time out nor physical restraint shall be used in administering discipline to individual students as a form of punishment. Isolated time out and physical restraint are considered restrictive interventions and are only used in emergency situations by trained staff members or when less restrictive interventions have been attempted and failed. This policy does not apply to the restriction of a student's movement when that restriction is for a purpose other than the maintenance of a safe and orderly environment, such as the appropriate use of a safety belt in motor vehicles. The use of prone restraint is prohibited.

## **6.40 - Prevention of and Response to Bullying, Intimidation, and Harassment** **Bullying Policy**

### *Statement of Intent*

The district is committed to providing a caring, friendly, and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable. If bullying does occur at school, school related activities, or on busses, all pupils should report and know that incidents will be dealt with promptly and effectively.

### *What Is Bullying?*

Bullying is intentionally using power to repeatedly make someone feel bad. Bullying can be emotional (systematically excluding, tormenting), physical (pushing, kicking, hitting, punching), racist (racial taunts, graffiti, gestures), sexual (unwanted physical contact or sexually abusive comments), homophobic (focusing on the issue of sexuality), verbal (name-calling, sarcasm, spreading rumors, teasing), cyber (email and social networking misuse), mobile threats (text messaging and calls), or misuse of associated technology (i.e. camera & video).

### *Why is it Important to Respond to Bullying?*

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Students who are bullying need to learn different ways of behaving. Schools have a responsibility to respond promptly and effectively to issues of bullying.

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important school goals.

Bullying on the basis of actual or perceived race, color, national origin, immigration status, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, **socioeconomic status, academic status**, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school.

*Bullying* includes cyber-bullying (bullying through the use of technology or any electronic communication) and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, sexual violence, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. Cyberbullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an

electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of bullying.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Students are encouraged to immediately report bullying. A report may be made orally or in writing to the building principal, **nondiscrimination coordinator**, district complaint manager (Superintendent) or any staff member with whom the student is comfortable speaking. All school staff members are available for help with a bully or to make a report about bullying. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the district complaint manager or any staff member. Anonymous reports are also accepted by phone call or in writing.

### *Procedures*

- Report bullying incidents to any staff member. If further follow up is needed, contact the Principal or Assistant Principal.
- Bullying incidents will be recorded by staff.
- In serious cases, parents of all involved students will be informed and asked to attend a meeting to discuss the problem.

- Confirmed offenders will have consequences that may include detention, suspension, meeting with the assistant principal, participating in peer mediation, or participating in small group or individual counseling.
- After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.

A reprisal or retaliation against any person who reports an act of bullying is prohibited. A student's act of reprisal or retaliation will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

A student will not be punished for reporting bullying or supplying information, even if the school's investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

### *When and Where Conduct Rules Apply*

3. Traveling to or from school or a school activity, function, or event;
4. 5. During periods of remote learning.

### *Prevention*

Staff members will use various methods as needed to prevent bullying. Social Emotional Learning activities in both schools are the main venues for discussing bullying with students. Students are encouraged and taught to stand up for a student who is being bullied when they are a bystander. When appropriate, whole school assemblies and parent education may be utilized.

Students and parents/guardians are also encouraged to read the following school district policies: 7:20, Harassment of Students Prohibited and 7:180, Prevention of and Response to Bullying, Intimidation and Harassment.

**7.27 - Access to Non-School Sponsored Publication**

*Non-School Sponsored Publications Accessed or Distributed On Campus*

Creating, distributing, and/or accessing non-school sponsored publications shall occur at a time and place and in a manner that will not cause disruption, be coercive, or result in the perception that the distribution or the publication is endorsed by the School District.

Students are prohibited from creating, distributing, and/or accessing at school any publication that:

1. Will cause a material and substantial disruption of the proper and orderly operation and discipline of the school or school activities;
2. Violates the rights of others, including but not limited to material that is libelous, slanderous or obscene, invades the privacy of others, or infringes on a copyright;
3. Is socially inappropriate or inappropriate due to maturity level of the students, including but not limited to material that is obscene, pornographic, or pervasively lewd and vulgar, contains indecent and vulgar language, or *sexting* as defined by School Board policy and the Student Handbook;
4. Is reasonably viewed as promoting illegal drug use;
5. Is distributed in kindergarten through eighth grade and is primarily prepared by non-students, unless it is being used for school purposes. However, material from outside sources or the citation to such sources may be allowed, as long as the material to be distributed or accessed is primarily prepared by students; or
6. Incites students to violate any Board policies.

Accessing or distributing *on-campus* includes accessing or distributing on school property or at school-related activities. A student engages in gross disobedience and misconduct and may be disciplined for: (1) accessing or distributing forbidden material, or (2) for writing, creating, or publishing such material intending for it to be accessed or distributed at school.

**7.40 – Annual Notification to Parents about Educational Technology**

School districts throughout the State of Illinois contract with different educational technology vendors for beneficial K-12 purposes such as providing personalized learning and innovative educational technologies, and increasing efficiency in school operations.

Under Illinois' Student Online Personal Protection Act, or SOPPA (105 ILCS 85/), educational technology vendors and other entities that operate Internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes are referred to in SOPPA as *operators*. SOPPA is intended to ensure that student data collected by operators is protected, and it requires those vendors, as well as school districts and the Il. State Board of Education, to take a number of actions to protect online student data.

Depending upon the particular educational technology being used, our District may need to collect different types of student data, which is then shared with educational technology vendors through their online sites, services, and/or applications. Under SOPPA, educational technology vendors are prohibited from selling or renting a student’s information or from engaging in targeted advertising using a student’s information. Such vendors may only disclose student data for K-12 school purposes and other limited purposes permitted under the law.

In general terms, the types of student data that may be collected and shared include personally identifiable information (PII) about students or information that can be linked to PII about students, such as:

- Basic identifying information, including student or parent/guardian name and student or parent/guardian contact information, username/password, student ID number
- Demographic information
- Enrollment information
- Assessment data, grades, and transcripts
- Attendance and class schedule
- Academic/extracurricular activities
- Special indicators (e.g., disability information, English language learner, free/reduced meals or homeless/foster care status)
- Conduct/behavioral data
- Health information
- Food purchases
- Transportation information
- In-application performance data
- Student-generated work
- Online communications
- Application metadata and application use statistics
- Permanent and temporary school student record information

Operators may collect and use student data only for K-12 purposes, which are purposes that aid in the administration of school activities, such as:

- Instruction in the classroom or at home (including remote learning)
- Administrative activities
- Collaboration between students, school personnel, and/or parents/guardians
- Other activities that are for the use and benefit of the school district

### **7.50 – Use of Artificial Intelligence**

“Artificial intelligence” or “AI” is intelligence demonstrated by computers, as opposed to human intelligence. “Intelligence” encompasses the ability to learn, reason, generalize, and infer meaning. Examples of AI technology include ChatGPT and other chatbots and large language models.

AI is not a substitute for schoolwork that requires original thought. Students may not claim AI generated content as their own work. The use of AI to take tests, complete assignments, create multimedia projects, write papers, or complete schoolwork without permission of a teacher or administrator is strictly prohibited. The use of AI for these purposes constitutes cheating or plagiarism.

In certain situations, AI may be used as a learning tool or a study aid. Students who wish to use AI for legitimate educational purposes must have permission from a teacher or an administrator. Students may use AI as authorized in their Individualized Education Program (IEP).

Students may not use AI, including AI image or voice generator technology, to violate school rules or school district policies.

In order to ensure academic integrity, tests, assignments, projects, papers, and other schoolwork may be checked by AI content detectors and/or plagiarism recognition software.

# Chapter 8 - Search and Seizure and Personal Property

## 8.10 - Search and Seizure

In order to maintain order safety and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. “School authorities” includes school liaison police officers.

### *School Property and Equipment as well as Personal Effects Left There by Students*

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The building principal may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

### *Student Searches*

School authorities may search a student and/or the student’s personal effects in the student’s possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the school or district’s student rules and policies. The search will be conducted in a manner that is reasonably related to its objective of the search and not excessively intrusive in light of the student’s age and sex, and the nature of the infraction.

School officials may require a student to cooperate in an investigation if there is specific information about activity on the student’s account on a social networking website that violates the school’s disciplinary rules or school district policy. In the course of the investigation, the student may be required to share the content that is reported in order for the school to make a factual determination. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student’s account or profile on a social networking website.

### *Seizure of Property*

If a search produces evidence that the student has violated or is violating either the law or the school or district’s policies or rules, evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, evidence may be transferred to law enforcement authorities.

### *Questioning of Students Suspected of Committing Criminal Activity*

Before a law enforcement officer, school resource officer, or other school security person detains and questions on school grounds a student under 18 years of age who is suspected of committing a criminal act, the building principal or designee will: (a) Notify or attempt to notify the student’s parent/guardian and document the time and manner in writing; (b) Make reasonable efforts to ensure the student’s parent/guardian is present during questioning or, if they are not present, ensure that a school employee (including, but not limited to, a social worker, psychologist, nurse, guidance counselor, or any other mental health professional) is present during the questioning; and (c) If practicable, make reasonable efforts to ensure that a law enforcement officer trained in promoting safe interactions and communications with youth is present during the questioning.

## 8.20 – Personal Property

Toys, games, cameras, radios, and similar personal property should not be brought to school without prior approval. The school cannot provide safeguards for such items. Students must not keep valuables in their lockers. Middle school students are expected to keep locker combinations confidential and lockers locked at all times.

# Chapter 9 - Athletics and Extracurricular Activities

## *Pleasantdale Elementary*

## *Pleasantdale Middle*

Pleasantdale Middle School offers a variety of athletic and co-curricular opportunities throughout the year. Participation in these activities is a privilege and not a right. It is the student's responsibility to maintain eligibility by meeting all academic and behavioral standards. Students staying after school must remain in a supervised area.

## *Academic Eligibility Rules for Athletics and Co-Curricular Activities*

- A student with three D class averages or any F class average is ineligible to **participate** in any practice or game or other co-curricular activities.

- A student remains ineligible until their averages are raised to meet the criteria.
- Every Friday, students' eligibility will be determined.

## *Other Eligibility Rules for Athletics*

- A current sports physical is required to be on file in the school nurse's office **prior** to participation.
- Written permission must be given by parent/guardian
- Compliance with **Code of Conduct** is required.

## *9.10 Athletic Code of Conduct*

As a member of a Pleasantdale Middle school athletic team, athletes are considered to be in positions of leadership, representing themselves, their families, the team, school, district and community. Therefore, along with the privilege of participation comes the expectation of a higher standard of behavior and conduct.

Students are expected to:

- Follow the district's discipline plan at all times
- Display good sportsmanship and citizenship
- Maintain good conduct and performance in classrooms
- Support individual and whole team efforts

The district allows a student to modify his or her athletic or team uniform for the purpose of modesty in clothing or attire that is in accordance with the requirements of his or her religion or his or her cultural values or modesty preferences. A student is not required to receive the prior approval of the school board for such modification.

## 9.30 - Student Athlete Concussions and Head Injuries

Student athletes must comply with Illinois' Youth Sports Concussion Safety Act and all protocols, policies and bylaws of the Illinois Elementary School Association before being allowed to participate in any athletic activity, including practice or competition.

A student who was removed from practice or competition because of a suspected concussion shall be allowed to return only after all statutory prerequisites are completed, including without limitation, the School District's return-to-play and return-to-learn protocols.

A student athlete who exhibits signs, symptoms, or behaviors consistent with a concussion in a practice or game will be removed from participation or competition at that time. A student athlete who has been removed from an interscholastic contest for a possible concussion or head injury may not return to that contest unless cleared to do so by a physician licensed to practice medicine in all its branches in Illinois or a certified athletic trainer. If not cleared to return to that contest, a student athlete may not return to play or practice until the student athlete has provided his or her school with written clearance from a physician licensed to practice medicine in all its branches in Illinois or a certified athletic trainer working in conjunction with a physician licensed to practice medicine in all its branches in Illinois.

## 10.20 - Discipline of Students with Disabilities

### *Discipline of Special Education Students*

The District shall comply with the Individuals With Disabilities Education Improvement Act of 2004 and the Illinois State Board of Education's Special Education rules when disciplining special education students. No special education student shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his or her disability.

### *Isolated Time Out, Time Out, and Physical Restraint*

Isolated time out, time out, and physical restraint shall only be used if the student's behavior presents an imminent danger of serious physical harm to the student or others, and other less restrictive and intrusive measures were tried and proven ineffective in stopping it. The School may not use isolated time out, time out, or physical restraint as discipline or punishment, convenience for staff, retaliation, as a substitute for appropriate educational or behavioral support, a routine safety matter, or to prevent property damage in the absence of imminent danger of serious physical harm to the student or others. The use of prone restraint is prohibited.

## **Behavioral Intervention Policy**

### *Students with Disabilities*

The use of positive behavioral interventions with students with disabilities will be given the highest priority in District 107. When behavioral interventions are used, they will be used in consideration of the child's physical freedom and social interaction and be administered in a manner that respects human dignity and ensures a student's right to placement in the least restrictive environment. Parents and students will be informed annually of the existence of the policy in each school's Student Handbook.

## 10.25 – Support Services

Teachers will contact the grade level team or principal to arrange a meeting to review the current level of performance when concerned about a student's academic progress. The following are special services available:

### *English Language Learners (ELL) Services*

Pleasantdale School District offers two specific programs for the limited English proficient student:

The Transitional Program of Instruction (TPI) is a mandated program to serve students from low incidence language backgrounds. The program provides support to help students succeed in academic subjects and learn English. The methodology of English instruction makes connections to the home language to the greatest extent possible and focuses on language development through meaningful experiences within content areas.

The Transitional Bilingual Education (TBE) Program is a mandated program for students of the same language background when there are 20 or more students. Opportunities are provided for the students to learn English while supporting comprehension in their native language.

### *Reading Explorers – Pleasantdale Elementary*

This program targets children who need individual or small group instruction in reading. The reading specialist, in conjunction with the classroom teacher, reviews students' reading progress during the school year. This review includes an analysis of screening data, achievement results, phonics tests, and additional diagnostic information. Parents will be notified if their child is identified for reading explorers including details about the program

### ***Reading Lab – Pleasantdale Elementary***

In addition, the speech therapist completes a yearly screening of primary-age students. Parents are contacted following the initial screening when it is determined that further screening is necessary. Following parent permission, the child is screened, and the parent and therapist meet to review the results and discuss a plan of speech/language instruction. The child may meet with the therapist individually, in a small group, or receive support in the regular classroom setting.

### ***MTSS (Multi-tiered System of Support)***

The MTSS Team consists of professionals from different disciplines who utilize a problem solving process to develop, monitor, and evaluate intervention plans for improving the school performance of identified students. Parents are encouraged to contact their child's teacher with any concerns.

A detailed explanation of the MTSS process is located on the District website.

### ***Summer Academy***

A booklet containing summer course descriptions, tuition, and other pertinent information is available by early spring of each school year.

### **10.60 – Related Service Logs**

For a child with an individualized education program (IEP), the school district must create related service logs that record the type of related services administered under the child's IEP and the minutes of each type of related service that has been administered. The school will provide a child's parent/guardian a copy of the related service log at the annual review of the child's IEP and at any other time upon request.

Student records, classified as either permanent or temporary, are maintained to ensure a continuous educational program for each student. Parents are granted access to all official records pertaining to their children. Record review information, including forms requesting access to records, is available in the school offices.

In cases where parents are divorced, the noncustodial natural parent has right to records, notice of meetings, conferences, etc., upon request to the building principal. If there is a court order to the contrary, it is the responsibility of the custodial parent to inform the school of such restrictions.

All temporary student records are destroyed within five years after graduation, transfer or other permanent withdrawal of the student. Permanent records are maintained for 60 years.

Student Permanent Record means the minimum personal information necessary to a school in the education of the student and contained in a school student record. Such information may include the student's name, birthdate, address, grades and grade level, parents' names and addresses, attendance records, and such other entries as the State Board may require or authorize.

Student Temporary Record means all information contained in a school student record but not contained in the student permanent record. Such information may include family background information, intelligence test scores, aptitude test scores, psychological and personality test results, teacher evaluations, and other information of clear relevance to the education of the student, all subject to regulations of the State Board. The information shall include information provided under Section 8.6 of the Abused and Neglected Child Reporting Act. In addition, the student temporary record shall include information regarding serious disciplinary infractions that resulted in expulsion, suspension, or the imposition of punishment or sanction. For purposes of this provision, serious disciplinary infractions means: infractions involving drugs, weapons, or bodily harm to another.

Parents are notified prior to the transfer of records and, within a period of 10 days, may request permission to inspect all records being transferred. By parent request, family names may be excluded from any listing published by the school for general distribution.

# Chapter 12 - Parental Right Notifications

## 12.10 - Teacher Qualifications

Parents may call the District Office for more information or to schedule an appointment.

#### *Standardized Tests*

Students in grades 3-8 are given a yearly state assessment as required by the Illinois State Board of Education. This assessment measures student performance in English Language Arts and Math. Additionally, in grades 5 and 8, there is a yearly state assessment in science.

AIMSweb is a benchmark and progress monitoring system based on direct, frequent, and continuous student assessment in academic areas and social and emotional functioning.

Other assessments that are administered include the MAP assessment that is given two times during the school year. This assessment measures student growth and performance in math and language arts. Additionally, the CogAT assessment is administered annually in grades 3, 4, 6, measuring students' learned reasoning abilities in the three areas: Verbal, Nonverbal and/or Quantitative.

## 12.30 - Homeless Child's Right to Education

When a child loses permanent housing and becomes a homeless person as defined by law, or when a homeless child changes his or her temporary living arrangements, the parent or guardian of the homeless child has the option of either:

1. Continuing the child's education in the school of origin for as long as the child remains homeless or, if the child becomes permanently housed, until the end of the academic year during which the housing is acquired; or
2. Enrolling the child in any school that non-homeless students who live in the attendance area in which the child or youth is actually living are eligible to attend.

## 12.40 - Sex Education Instruction

Students will not be required to take or participate in any class or course in comprehensive sex education if his or her parent or guardian submits a written objection. The parent or guardian's decision will not be the reason for any student discipline, including suspension or expulsion. Nothing in this Section prohibits instruction in sanitation, hygiene or traditional courses in biology. Parents or guardians may examine the instructional materials to be used in any district sex education class or course.

## 12.60 - English Learners

The school offers opportunities for English Learners to develop high levels of academic attainment in English and to meet the same academic content and student academic achievement standards that all children are expected to attain.

Parents/guardians of English Learners will be: (1) given an opportunity to provide input to the program, and (2) provided notification regarding their child's placement in, and information about, the District's English Learners programs.

Letters verifying participation in this program are available from the school office upon request.

### **12.80 - Pesticide Application Notice**

The district maintains a registry of parents/guardians of students who have registered to receive notification prior to the application of pesticides to school grounds. To be added to the list, please contact the school office. Notification will be given before application of the pesticide. Prior notice is not required if there is imminent threat to health or property.

### **12.90 - Mandated Reporter**

All certified staff members are required by law to report suspected incidents of child abuse and/or neglect to the Department of Children and Family Services. Our role is to protect children from harm. Details regarding any individual child's protection are a matter held in strictest confidence by all adults involved.

### **12.110 - Sex Offender Notification Law**

State law prohibits a convicted child sex offender from being present on school property when children under the age of 18 are present, except for in the following circumstances as they relate to the individual's child(ren):

1. To attend a conference at the school with school personnel to discuss the progress of their child.
2. To participate in a conference in which evaluation and placement decisions may be made with respect to their child's special education services.
3. To attend conferences to discuss issues concerning their child such as retention or promotion.

In all other cases, convicted child sex offenders are prohibited from being present on school property unless they obtain written permission from the superintendent or school board.

Anytime that a convicted child sex offender is present on school property – including the three reasons above - he/she is responsible for notifying the principal's office upon arrival on school property and upon departure from school property. It is the responsibility of the convicted child sex offender to remain under the direct supervision of a school official at all times he/she is in the presence or vicinity of children.

A violation of this law is a Class 4 felony.
