SUBJECT: TSA Winners

DATE: 4/18/16

I am excited to let you know that Graham High School TSA competed in last week's 57th Texas TSA Competition and Leadership Conference. Two students are eligible to represent Texas at the 2016 National TSA Conference to be held in Nashville, Tennessee, June 28, 2016 through July 2, 2016. Jeb Curry and Shayne Lopez both advanced in Flight Endurance.

Attached you will find a summary of the estimated cost of the trip. I am requesting permission and financial support for these two students and Michelle Lowrey to attend this conference.

It is an honor for Graham High School to be represented at this conference. Please let me know if you have any questions.

Thank you for your consideration,
