REVISED PURCHASE RECOMMENDATION FORM
Requesting Board Approval of Purchases over $50,000

Description:	Lightspeed
Requesting Campus/Department:	Digital Learning
Description of items/services:	Lightspeed Filter Lightspeed Classroom Lightspeed Insights
Purpose:	Lightspeed Insight centralizes the entire app request and review workflow, enabling the creation and distribution of an approved applications list. This integration extends to Lightspeed Classroom, allowing educators to seamlessly discover and request new applications directly from their instructional platform. Crucially, Lightspeed Insight offers comprehensive visibility into all applications across diverse devices and operating systems, facilitating the identification and mitigation of unauthorized or "rogue" software. A key differentiator is its proactive capability to scan and monitor application privacy policies, ensuring compliance and safeguarding student Personally Identifiable Information (PII) against evolving data privacy landscapes.
