

- What are we doing and why?

- Parkrose SD is part of SERRA group

- Consistent emergency planning county wide

- Plan includes what to do in emergencies

- Communicate the plan with the public of how we will respond to an emergency

- Meets requirements

- Most importantly, protects our students, staff & volunteers

- Armed Intruder/Shots Fired
- Disruptive Student
- Hostage
- Kidnapping or Missing Student

Reunification Procedures

- What are you going to do when parents show up to get their child?
- You really need a plan to get parents connected with their child.
- Traffic will be chaotic without help from others.
- Some parents will refuse to cooperate with the process.
- Parents may be emotional when they arrive at the school.
- There may not be much time from the emergency and when the reunification process must begin.
- Persons other than parents will try to pick up students during an emergency.
