EXTRA RECESS TIME EARNED

All classes, first through fifth, earned extra recess for the weeks of 4/5/10 through 4/16/10. Good job, in the morning, on your behavior in the gym.

Note from the Kitchen

Dear Parents or Guardians,

In order to balance our books for the end of the school year students will NOT be allowed to charge lunches or milk after May 17, 2010. Any student not having money to pay for his/her lunch will automatically receive an emergency lunch that will include a cheese sandwich, an apple and white milk. Please be sure to send money with your child to pay for lunches or milk. If your child already had charges on their account please be sure to bring that account current as soon as possible. If you have any questions or concerns please feel free to contact me at Fort Vannoy. Thank you.

Request for gently used books

Your kids are growing up. You have books at home that they no longer read. What should you do with them? A local group of women educators need gently used books for all age levels.

Each year DKG, a society of women educators, puts together Literacy Bags for children in our community. We place three to five books, with other fun writing materials, into bags. The materials and books are organized by grade level and interests. These bags are then given to local students who may not have their own books at home.

We also distribute books to the Women's Crisis Center and to local laundromats. Books for all reading levels, including adult and high school aged books, are welcome.

You can drop off your gently used books at the Fort Vannoy office. Before delivering them, please remove or cover up any owner's names. Take a look to see that the books are clean and all of the pages are intact.

In November we will put together book bags. We are starting now to collect books for next year. Please plan to box up those extra books and bring them to Fort Vannoy School.

Thank you, Delta Kappa Gamma Society
International (DKG)

Spelling Bee Results

The BUZZZZZ around Fort Vannoy is... that Ivory Jordan, 3rd grader in Mr. Peterson's class and Heather Thomson, 5th grader in Mr. Woodruff's class know their stuff when it comes to spelling. Both of these fine students competed in their grade level spelling bee here at school. Both qualified to go on to the district level. The Three Rivers District Spelling Competition was held April 14th. After an intense competition, Ivory came in 3rd place for the Primary Level and Heather represented the Intermediate Level proudly.

YEAR BOOKS NOW ON SALE RESERVE YOURS TODAY!

Yearbooks will be here on June 2nd. Nadyah Field has captured and compiled many momentous events of the school year and for low cost of \$10.00 your child can have the treasured memories of their time here at Fort Vannoy. So, reserve your copy before June 1st to be assured that your child will have this special memory. Please make checks payable to the Fort Vannoy PTA. If you need another order form, they are available in the office. Any questions? Please call Nadyah Field @ 479-8193

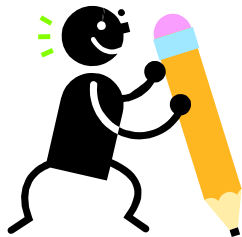

From the Desk of Dave Holden, Kindergarten Teacher

Every year in Kindergarten, it is exciting to see the students begin to write their thoughts. In the fall almost all can create illustrations of their thoughts, but by spring students are communicating with letters as well.

Becoming an author—writing what we want others to know—takes consistent practice for all of us. Giving students reasons to write helps motivate them. In our classroom we spend most of the year writing books that connect to our weekly theme. The students become interested in writing because of activities and stories that relate to their lives whenever possible.

As summer arrives; I would encourage all of us to give our children reasons to practice their writing skills: If you have pets, keep a journal about their growth. If you take a trip, record a favorite activity each day. You could also e-mail or post a letter to a friend or relative. Making lists of summer projects or activities would be great practice as well. You might want to keep a daily log of the weather or temperature. Encourage your kids to write notes to family members as another form of communication. (Do something like using a secret code or hiding place for messages!) ... Enjoy coming up with your own ideas and happy writing!
