Re: Middle School Resolutions

**RECOMMENDED BOARD ACTION:**

**“RESOLVED, that the Lawton Community Schools Board of Education extends its congratulations to the following students for being Students of the Month: 8th Graders – Jacob Marr and Jean Horton. 7th Graders – Rachel Pursley and Brandon Persons. 6th Graders – Addisyn Price and Jason Barnett Jr.”**

**Addisyn Price**

**Daughter of Dan Price**

Addisyn is an outstanding student and has shown an incredible amount of drive throughout the year at Lawton Middle School. She is very dedicated to her work and very enthusiastic when it comes to a new challenge. She has been more than a pleasure to have in the classroom and without a doubt, a very deserving candidate of Student of the Month.

**Jason Barnett Jr.**

**Son of Chelsea and Jason Barnett**

Jason is an extremely bright and outgoing student. On a daily basis, Jason goes above and beyond in class with awesome behavior. He picks up material quickly and often times is able to assist others' in need as well. With the many qualities Jason displays, it is without a doubt he will continue to be very successful in the years to come.

**Rachel Pursley**

**Daughter of Nate and Wendy Pursley**

Rachel is simply a pleasure to have in class. She arrives daily with a huge smile and a positive attitude to match. She is willing to help or work with any classmate on projects and assignments, as appropriate. She is extremely mature and self-disciplined with a work ethic unparalleled by most of her peers. Rachel approaches tasks in all of her classes with enthusiasm, beginning to work even as the teacher is explaining the assignment. Rachel is a true learner, always asking relevant questions for understanding, and contributing to classroom discussion on a regular basis. She is well-liked by her classmates, and sets a positive ROAR example for them every day. She is also highly regarded by her teachers, and we are pleased to recognize Rachel Pursley as a Student of the Month for May.

**Brandon Persons**

**Son of Brad and Michelle Brooks**

Brandon has shown exceptional growth over the last school year, both socially and academically. He loves learning, especially when he can read to learn something new. He pays close attention to the smallest of details, even to the point of perfectionism. Brandon also enjoys reading for pleasure, and this has helped to increase his reading fluency. In general, Brandon has high expectations for himself and his success. Every day, Brandon demonstrates ROAR principles. He works hard in all of his classes to be sure to complete assignments and

projects, to study for quizzes and tests, and to ask for help when needed. He is pleasant, helpful and trustworthy in the classroom. It is our pleasure to recognize Brandon Persons as a Student of the Month for May.

**Jacob Marr**

**Son of Shawn and Brian Marr**

Jacob is an exceptional student who puts forth his best effort every day in school. His drive to work hard and his preparation for the future stand out among his many positive attributes. With each assignment and test, it is evident that Jacob has spent much time studying the skills and content necessary to achieve success. Furthermore, Jacob shows up to class consistently with a bright smile and a positive attitude. He never complains and always puts his best foot forward with each person he meets. In summation, there isn't a student more deserving of student of the month.

**Jean Horton**

**Son of Michael Horton and Marta Peren**

Jean is incredibly deserving of this award. He gives his best effort on every assignment and always makes a point to do high quality work. Jean comes to school every day with a positive attitude and is a joy to have in class. Most importantly, he takes learning seriously and consistently lives up to our ROAR expectations. The 8th grade teachers want to thank you for your dedication to learning and all of your hard work throughout middle school.
