# Academics

Little Raiders University has been complementing our curriculum with the Connecticut Early Learning and Development Standards (ELDS). Some of our topics:

- Early learning experience will support children to develop social relationships.
- Cooperate with peers through sharing and taking turns.
- Early learning experiences will support children to develop fine motor skills. Have sufficient control of writing to copy simple forms or geometric shapes and write some letters.
- Early learning experience will support children to gain book appreciation and knowledge. With prompting and support, retell familiar stories, including story elements.

# Human Capital

## PD Schedule:

- **November 12, 2015** Unilever Global Hand washing: LRU students participated
- 
- **December 2, 2015** Strangers we know. LRU student participation. Presented by: Cathi Kellett; Safe Kids Greater Naug. Valley.
- 
- **December 8, 2015** PMT training: Director and teachers participated
- **December 10, 2015** PMT refresher training: Para's participated
- **January 13, 2016** PEIP: The prevention through early intervention program. Will begin to offer classroom support in the spring for our 4 year old class.
- 
-

# Operations

The library in the High School has offered to make room for a LRU section. We will begin to incorporate attending the library weekly into our curriculum . We have received book donations from Read to Grow and DHS staff. We will continue to except books from anyone who would be interested in donating.

# Culture & Climate

The Little Raiders University staff will be working very closely with the Office of Early Childhood. The OEC in conjunction with the Preschool Development Grant staff will offer coaching logistics to the Preschool Readiness teachers. Through the coaching we will harmonize our curriculum completely with the ELDS.

**Thank you for your time.**
