INFORMATION ITEM

Workday Student Status Report
January 2024

Description of the Project: This is the second phase of the Workday project, supporting the strategic initiative of streamlining administrative data systems to improve business processes and accommodate growth.

Project Status: The project is on budget and in yellow status due to schedule risks.

Objectives of the Project:
- Improve the student experience through enhanced stakeholder-facing tools using data-driven seamless engagement of students, faculty, staff, and administrators
- Modernize student systems and other supporting enterprise systems
- Offer configurable, streamlined processes providing an agile response to institutional and environmental changes

Status Summary: Key Accomplishments
- Professional and Continuing Education (PACE) registration targeted for summer 2024
- Workday to Ad Astra integration in production – 12/1/23
- Efforts continue on data migration and business process configurations
