**SUBJECT:** Consider approval of allocating funds to repair the perimeter sidewalk around Graham High School.

**RATIONALE:**

The sidewalk surrounding the perimeter of Graham High School is need of repair in several places. GISD Director of Transportation and Maintenance, David Sanders, has worked with a vendor to construct a cost estimate to make the repairs.

The repair work will consist of:

- Replacing 153 (5' x 5') concrete squares.
- Approximately 5000 square ft. of material.

The estimated cost to saw cut, remove debris, construct forms and pour new concrete is \$23,000.00.

**RECOMMENDATION:**

The administration recommends approval of a budget amendment of \$23,000 to make the repairs to the sidewalk.
