

# Benefits of the SkyYield Solar Farm in Putnam County, IL

## Local Taxes and Landowner Payments

The SkyYield Solar Farm is currently projected to bring in over \$80 million to the Putnam community over the project lifetime. This estimate includes property taxes generated by the project and direct payments made to landowners.

## Community Jobs

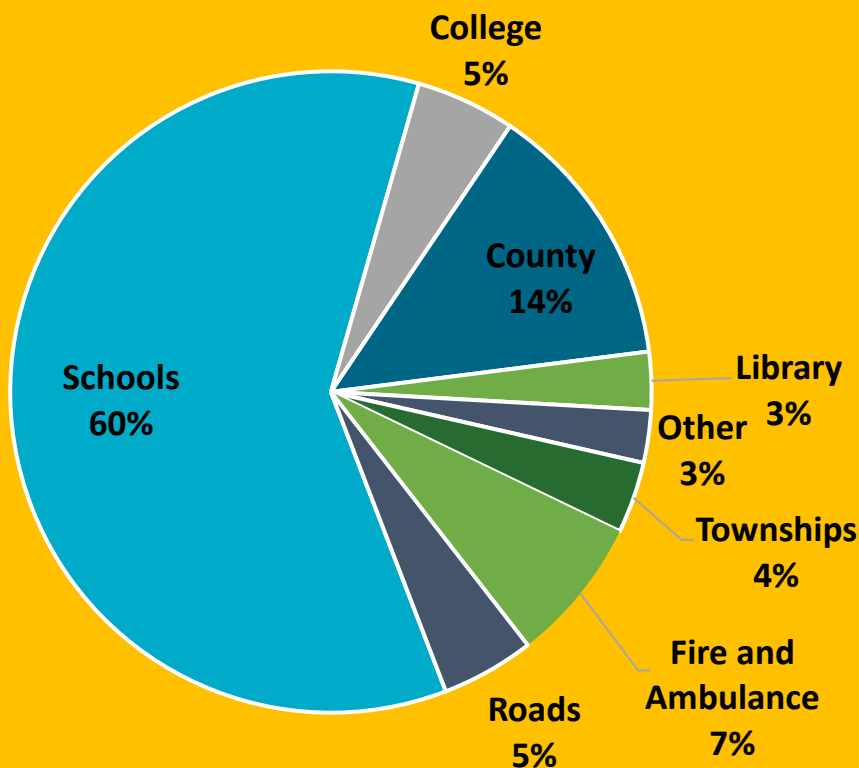

The SkyYield Solar project is estimated to produce hundreds of construction and solar installation jobs. According to the U.S. Bureau of Labor Statistics, solar photovoltaic installer is currently in the top twenty fastest growing jobs in the United States.

## Energy Security and Reliability

Utilizing solar energy helps to diversify our domestic energy portfolio and reduce our dependency on fuel from foreign powers. Having diverse generation resources helps to maintain the reliability of the grid.
