

## Napi Elementary School Board Report

### June 2020

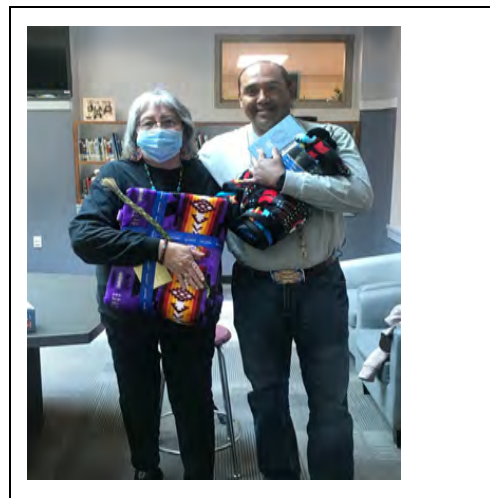

#### Principals:

Napi Staff and Students are proud to announce that a total of 323 students received an advanced or proficient award for their participation and completion of their homework for the 4th quarter. Participation was based on participating online or by completing and returning homework packets. Students who participated daily received an Advanced award. Students who participated in their Google Classrooms or made contact with the teacher 60%-70% of the time received the Proficient award. All students received a Completion Certificate to assure them that they have successfully completed their school year and will be promoted to the next grade level.

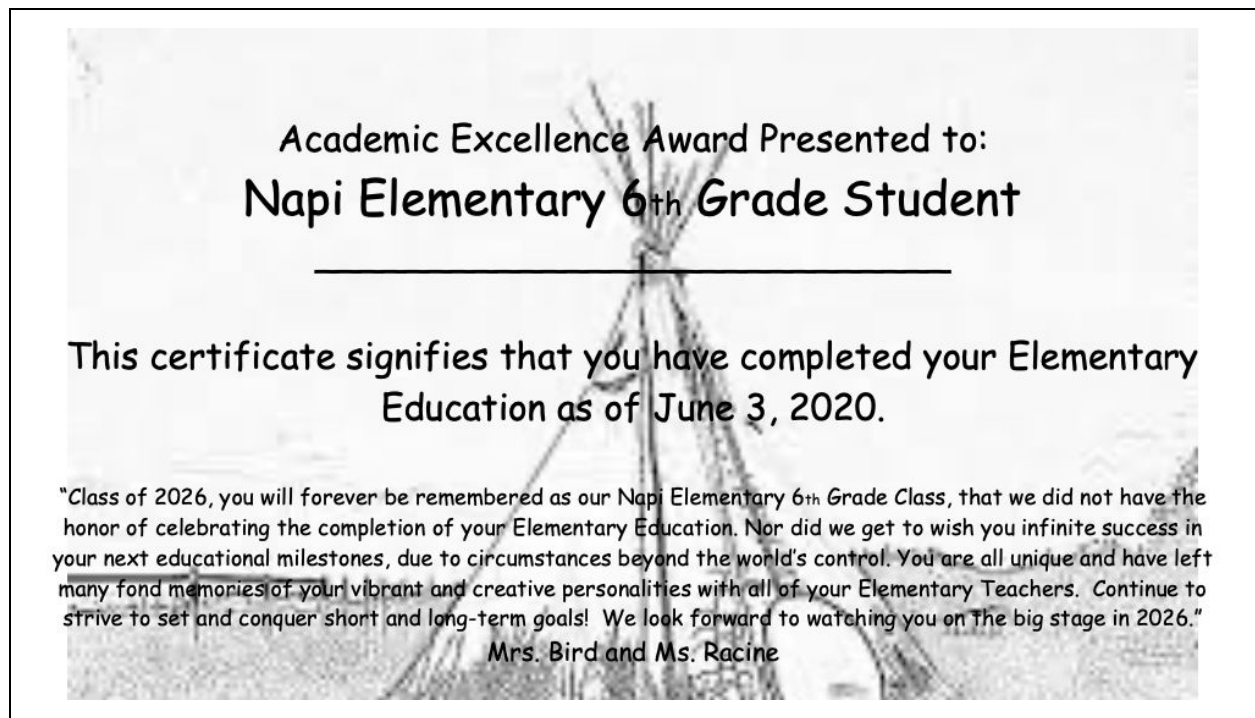

Napi teachers hosted classroom virtual award ceremonies with their homeroom students, families, and staff. Napi had 193 students participate in the virtual award ceremonies. We wanted our students to know that we value the hard work they have done during this time.

Napi Staff and Students wanted our BHS Seniors to know how proud of them we are, so some of the staff and students provided 'shout-outs of congratulations', which Mrs. Harrell used to produced an awesome slideshow for our seniors! If you didn't get a chance to watch the video, here's the link [2020 BHS Seniors Congratulations from Napi](#). (See pictures below.)

Napi will be honoring two of our family members that will not be returning next year, Mr. Armstrong and Mrs. Weatherwax. Both were presented with gifts from the Napi Staff to show our appreciation for their dedication to the Napi Elementary Staff, Students, and Families. We are so proud to see Mr. Armstrong begin his journey in his new position at the Office of Public Instruction! Mrs. Weatherwax will begin her much deserved retirement after all of her many years of dedication with the Browning Public School district! Staff made videos to share their congratulations with them!

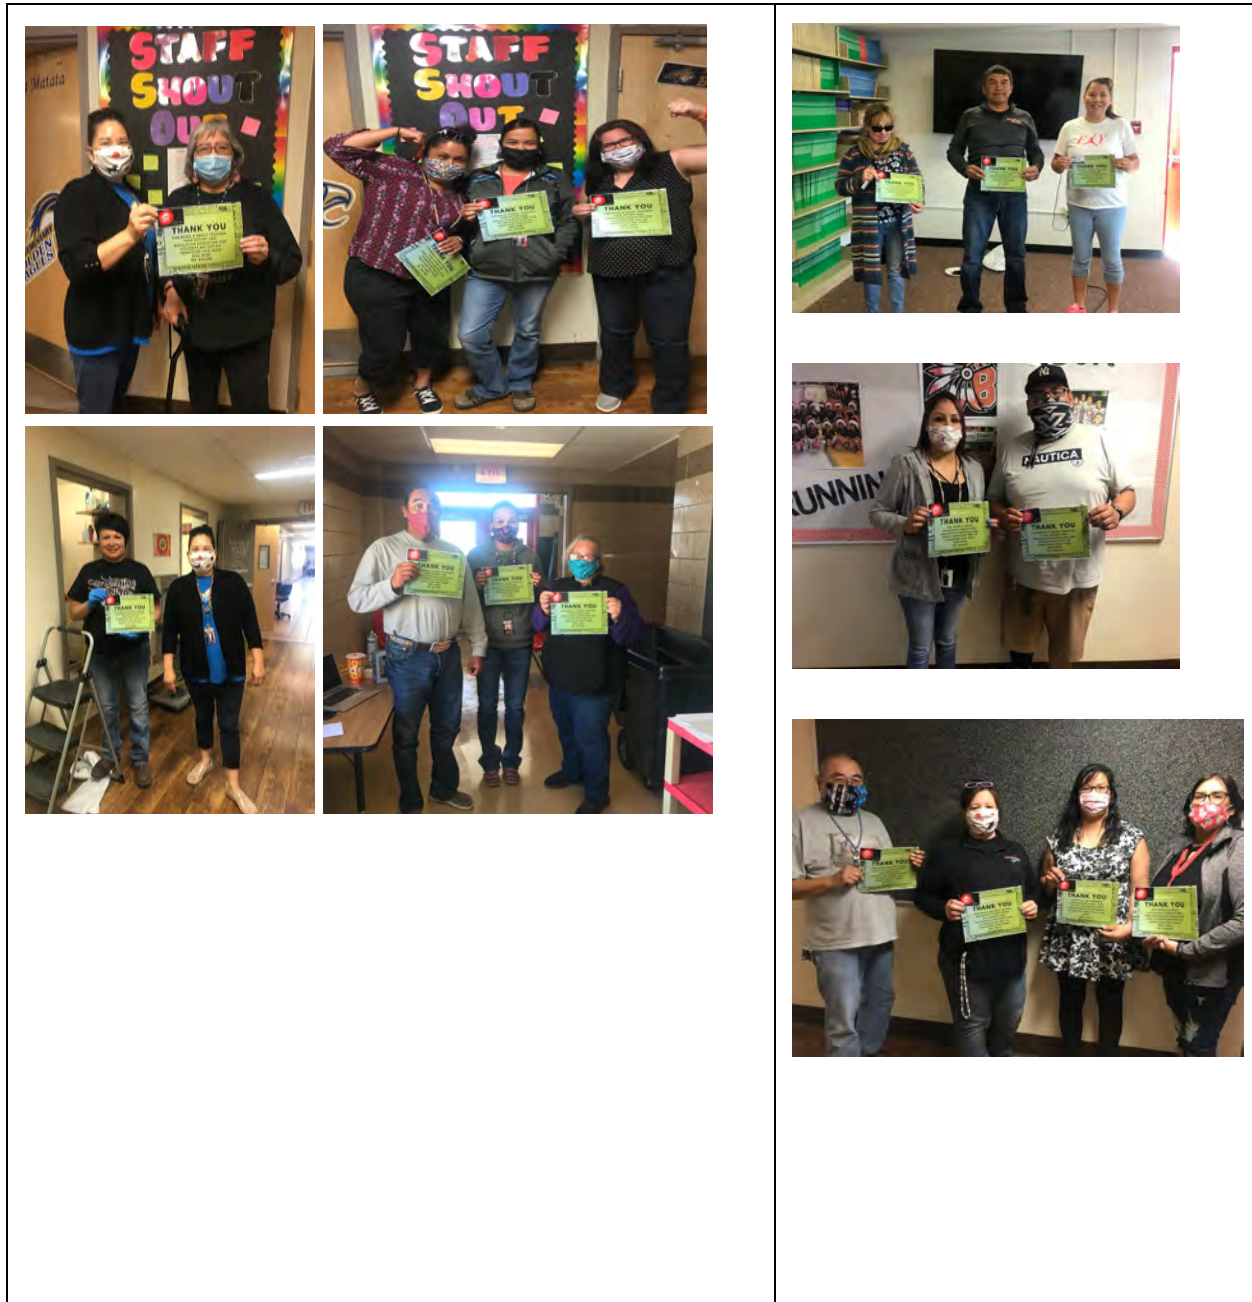

It has been a Napi tradition to celebrate the completion of our 6th Grade Student's Elementary Education with an annual end of the year ceremony. Due to circumstances, we were unable to host this ceremony this year. To ensure our 6th graders know we wish them the absolute best in their future educational years, each student will receive a certificate, goodie bag, and a Town Pump gift card. The certificates read:

On June 1st, Ms. Flammond hosted Napi's end of the year Perfect Attendance Awards assembly! Students were recognized for meeting the following criteria: 1) Students who had zero tardies; 2) Zero check outs; and 3) Zero absences. We had 30 students participate in the virtual award ceremony. These students receive a Perfect Attendance Certificate and a \$100.00 Gift Card! Congratulations to the following Perfect, Perfect Attendance students: Roxanne Alexander, Llewellyn ArrowTopKnot, Jasmine Bechel, Jacob Burns, Timothy CreeMedicine, Jay Cummins, Jaeden Gilham, Jasmina Grant, Sebastian Grant, Christian Guardipee, Nancy Harwood, Mykell Hoyt, Aurelia Kennedy, Roderick ManyHides-Rider, Hailey RunningCrane, Emmett Schauf, Justeen Sharp, Izabella Spotted Eagle, Ayiana Spotted Eagle, Jaden SureChief, Joseph Weatherwax, and Randle Wippert. (See pictures below.)

To ensure our Napi Elementary Family knows how much their work and effort is appreciated all year, each colleague was presented with a 'Thank You' Certificate and Pizza Hut Gift Card.

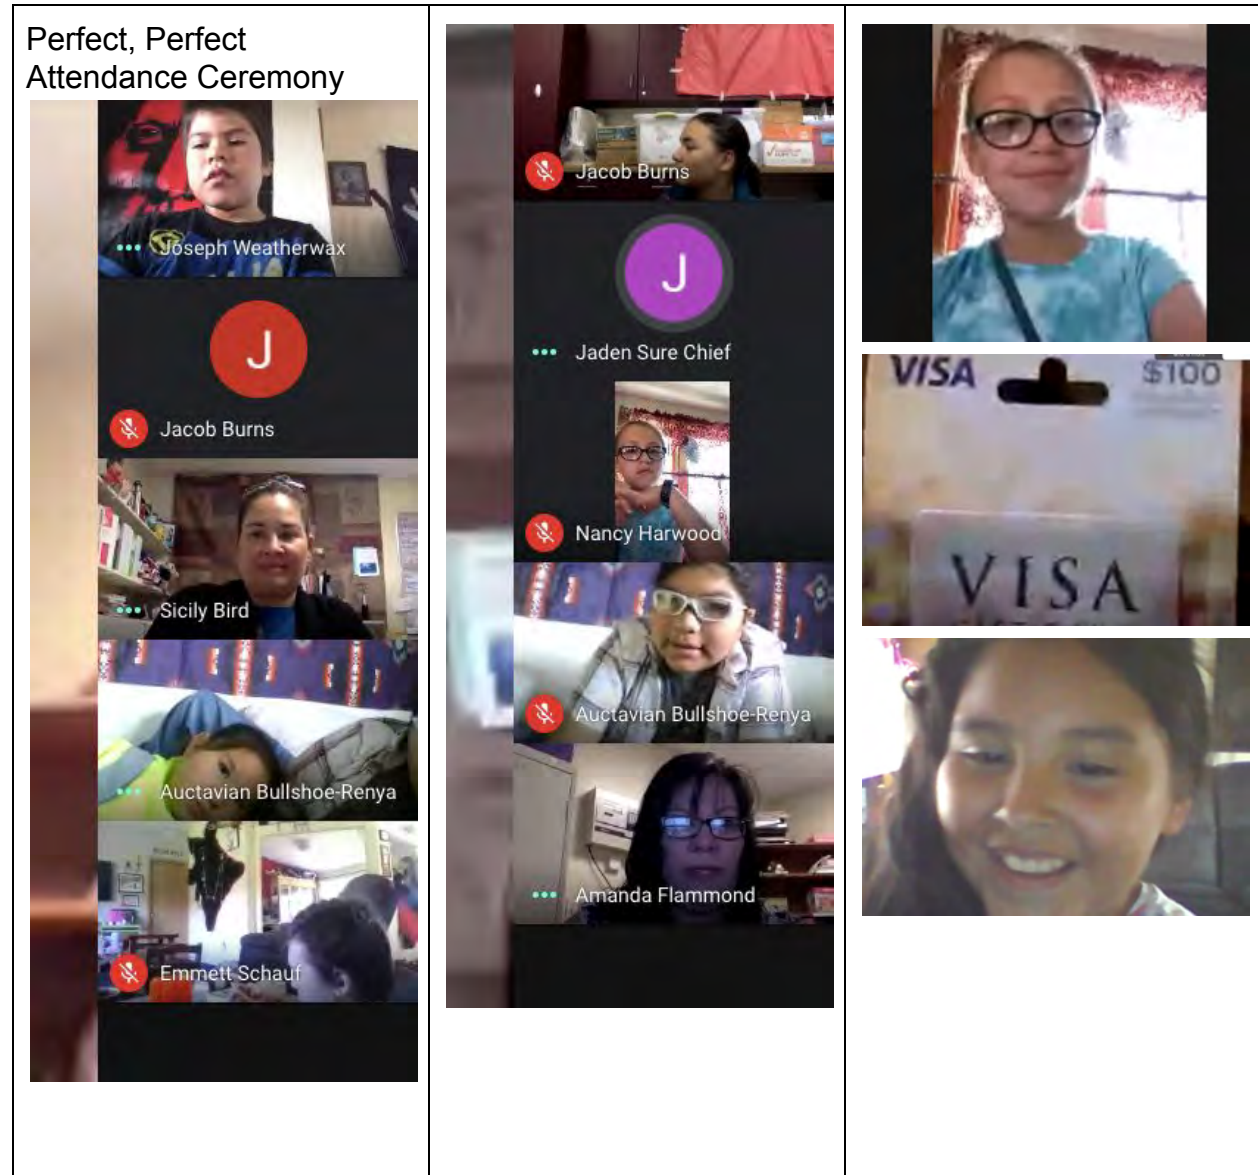

### **Instructional Coaches:**

The instructional coaches continued to work with staff and teachers to ensure all Google classrooms and meets ran smoothly and efficiently. Coaches logged into classrooms and joined meets arranged by teachers on a daily basis and provided assistance where needed.

Principals and coaches continued to meet remotely to finalize the year's action and continuous improvement plans. The final touches were also placed on the strategic plan developed by Napi Elementary staff as well.

PD was delivered via Zoom meetings over a three day period for 4th, 5th, and 6th grade staff and support people and was hosted by our independent consultant Debbie Hunsaker.

End of year awards were given and the coaches offered their support and congratulations for the students and families who stuck with us to the end of the school year. The coaches also provided assistance in the return of equipment and materials for the end of the year checkout with teachers.
