

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois

Regular Meeting August 25, 2025

FOR DISCUSSION:

Subject: Strategic Plan Initiatives for 2025-2026

The Administrative Team met earlier this month to review and identify priorities from within the Plan. These are the proposed priorities for initiatives for the 2025-2026 school year:

- Monitor and report progress on the implementation of the new pre-K-5 Mathematics resources;
- Begin the curricular planning for the implementation of full day kindergarten programming;
- Promote a safe learning environment with professional development focused on safety protocols and District resources addressing building based safety upgrades;
- Expand student academic learning through collaborative work on the use of artificial intelligence tools;
- Maintain the District Leadership Council's work and enable their leadership of monthly meetings;
- Continue community outreach efforts with an annual report and a regularly updated construction project dashboard on the website;
- Look at creative means to address staffing needs without a reliance on third party contracting;
- Identify opportunities to strengthen and enhance the District's financial base.

I have also attached a copy of the Strategic Plan for your review. Should these initiatives be acceptable, I will bring them for approval of the Board at the September 22 regular meeting.
