The committee brainstormed ideas on what they wanted to focus on for this school year/legislative season. David Williams and Maureen Wheeler will gather additional information to share at the next meeting. Questions to be explored were:

1. Who do they want to contact?
2. When and where will the meetings take place?
3. Who should be involved from the School Board?
4. What will be the committee's message?

A decision was made to schedule a meeting with the Washington County Chair Candidates to continue the relationship building efforts with the county.
