It shall be the policy of the Board that each student be moved forward in a continuous pattern of achievement and growth that is in harmony with his/her own development ~~and individual interests~~.

Such pattern should coincide with the system of grade levels established by this Board and the instructional objectives established for each.

- E. demonstrated satisfactory performance on ~~the ISAT tests~~ **State assessments** or other achievement tests selected by the Superintendent.

Following sound principles of child ~~guidance~~ **development**, the Board discourages the skipping of grades.

The Superintendent shall develop administrative guidelines for promotion, placement, and retention of students which:

- A. ensure students who are falling seriously behind their peers or who may not be promoted receive the special assistance they may need to achieve the academic outcomes of the District's core curriculum;

- B. require the recommendation of the relevant staff members for promotion, placement, or retention;
- C. require that parents are informed in advance of the possibility of retention of a student at a grade level;
- D. assure that efforts are made to remediate the student's difficulties before s/he is retained;
- E. assign to the principal the final responsibility for determining the promotion, placement, or retention of each student.

Each student must pass an examination on American patriotism, including principles of representative government, the Federal and State Constitutions, Declaration of Independence and the proper use and display of the American flag. Prior to graduation from eighth grade, each student must pass an examination on United States history, including American patriotism, principles of representative government, the Declaration of Independence, Federal and State Constitutions, and the proper use and display of the American flag [105 ILCS 5/27-3 and 27-4].
