Re: Approval of School Treasurer and Treasurer's Bond

Date: May 18, 2022

Background:

At this time each year the Board of Education appoints a district treasurer. As part of this appointment, the District must also take the necessary steps to procure a treasurer's bond.

Situation:

The Section 8-1 of the Illinois School code (105 ILCS 5/18-1) requires the Board of Education to adopt a resolution appointing a school treasurer. In addition, the school code (105 ILCS 5/8-2) requires the school board to purchase a treasurer's bond (insurance) at 25% of our anticipated fund balances. The Regional Office of Education requires certain documentation for this process. For your convenience, I have attached the following documents that are now required by school code:

- Resolution appointing the school treasurer & approving the treasurer's bond
- Certificate of resolution
- ROE treasurer's bond calculation form

Recommendation:

That the Board of Education adopt a resolution appointing a school treasurer and approve the treasurer's bond for the fiscal year 2022-2023, as presented.
