Lean & Green Michigan™ PACE Program

Executive Summary

Public Act No. 270 of 2010 (“Act 270”) authorizes local units of government to adopt Property Assessed Clean Energy (“PACE”) programs to promote the installation of energy efficiency improvements and renewable energy systems by owners of commercial or industrial property within a district designated by the local unit of government. Act 270 allows private commercial lenders to finance energy projects; authorizes local units of government to issue bonds, notes and other indebtedness; and authorizes the assessment of properties for the cost of the energy projects. Act 270 provides for repayment to the local unit of government or the private lender through a voluntary property assessment. The property assessment remains with the property and has the same priority as other property tax and assessment liens in the event of foreclosure.

Lean & Green Michigan™ (“LAGM”) has developed a collaborative approach to PACE programs for local units of government by standardizing the administrative and legal process under which PACE programs are created and managed. Many local units of government throughout the state joined have or are in the process of joining LAGM utilizing a “shared services” approach to eliminate upfront and ongoing program costs and duplication. Further, this approach creates one efficient statewide market, allowing property owners, lenders and clean energy contractors to utilize a standardized process as they employ PACE financing in multiple jurisdictions throughout the state.

This documentation package includes the report required by Section 9 of Act 270 and provides model forms of documents for the PACE program. As many of the details of a PACE transaction are determined on a project-specific basis, adjustments to the model documents may be required to fit a particular transaction. Additionally, there are several blanks left in the documents that should be filled in when the corresponding information is known.

ALPENA COUNTY, MICHIGAN

PACE PROGRAM REPORT

This Lean & Green Michigan™ PACE Program Report contains the information required by Section 9 of Act 270. Additional information is available from Alpena County (“Alpena”). The PACE Program and Report were approved by the Board of Commissioners on INSERT DATE, subsequent to a public hearing held on INSERT DATE.

INTRODUCTION

In order to encourage economic development, improve property valuation, increase employment, reduce energy costs, reduce greenhouse gas emissions and contribute to the public health and welfare in the Alpena County, the Board of Commissioners established the Alpena County Property Assessed Clean Energy Program pursuant to Public Act No. 270 of 2010 (“Act 270”) by joining Lean & Green Michigan™ (“LAGM,” the “PACE Program” or “Program”). The PACE Program has identified specific sources of commercial funding to finance the implementation of energy efficiency improvements, renewable energy systems and energy projects within the Alpena County PACE district (which is coterminous with the Alpena County jurisdictional boundaries).

The Board of Commissioners passed a Resolution of Intent to create a PACE district by joining the Lean & Green Michigan statewide PACE program on INSERT DATE. The Board published its first version of this PACE Report thereafter, and held a public hearing on INSERT DATE. The Board passed a Final Resolution adopting this PACE program on INSERT DATE.

The purpose of this PACE Report (hereinafter the “Report”) is to fulfill the requirements of Act 270. Section 9 of Act 270 requires a Report that includes: a form of contract between Alpena and the record owner; identification of an official authorized to enter into program contracts on behalf of Alpena; a maximum aggregate amount for financing provided by Alpena under the program; an application process and eligibility requirements; a method for determining interest rates, repayment periods and the maximum amount of assessment; explanation of how assessments will be made and collected; a plan for raising capital; information regarding reserve funds and fees of the program; a requirement that the term of the assessment not exceed the useful life of the energy project; a requirement of an appropriate ratio of the amount of assessment to the assessed value of the property; requirement of consent from the mortgage holder; provisions for marketing and participant education; provisions for adequate debt service reserve fund; quality assurance and antifraud measures; and a requirement for baseline energy audits, ongoing savings measurements and performance guarantees for projects over \$250,000 in assessments.

1. Form of PACE Contract

A form of model PACE Special Assessment Agreement is attached as **Appendix A**. Individual property owners may negotiate project-specific terms to be included in an actual agreement based upon the specific energy efficiency and renewable energy improvements to be financed through the individual agreement, subject to the limitations set forth herein.

2. Authorized Official/PACE Administrator

The his/her designee (the “Authorized Official”) is authorized to enter into PACE Program contracts on behalf of Alpena County in consultation with Lean & Green Michigan, LLC (“LAGM”). The Authorized Official is further authorized to sign any agreement, documents or certificates necessary to facilitate the participation of property owners and to facilitate the purposes hereunder.

As part of Lean & Green Michigan™, LAGM will act as PACE administrator and will manage Alpena's PACE Program. LAGM is authorized to negotiate with credit providers and PACE project participants to facilitate the use of the PACE Program and to assist PACE project applicants in obtaining owner-arranged financing.

3. Financing Parameters

In establishing its PACE district, Alpena intends for PACE projects to be funded through owner-arranged private financing. The maximum aggregate annual amount of financing provided by Alpena in 2022 shall be zero dollars. The maximum aggregate dollar amount for financing provided by Alpena may be adjusted and/or amended on an annual basis or more frequently by the Board of Commissioners and will remain at zero dollars unless and until it is changed.

Alpena shall not provide any financing for PACE projects under Alpena's PACE Program. Alpena's PACE Program shall be solely funded through owner-arranged financing from commercial lenders, as allowed under Act 270, Section 9(1)(g)(iii). Owner-arranged financing from commercial lenders is not included under the maximum aggregate annual dollar amount for financing provided by Alpena under the Program. There is no limit on the maximum aggregate annual amount of financing provided by private commercial lenders under the program. The dollar amount for financing of a particular project will be established by the property owner seeking to make the property improvement and the commercial lender seeking to finance the energy improvements, as approved by LAGM and the Authorized Official.

4. Application Process/Eligibility Requirements

Application Process:

The application process for financing projects under the Program shall be that of LAGM. The current application form is attached as **SAA Appendix F**. This form may be changed or amended as necessary by LAGM.

Eligibility Requirements:

The eligibility requirements for financing projects under the Program shall be those of LAGM. Eligibility requirements may be changed or amended as necessary by LAGM. The current list of eligibility requirements is attached as **SAA Appendix A**.

5. Financing Terms of Assessments

The interest rate for PACE special assessment installments supplied by commercial lenders shall be negotiated by the parties based on current market conditions.

The maximum allowable repayment period of a PACE special assessment must be included in the PACE Special Assessment Agreement and will be determined on a project-specific basis and shall not exceed the lesser of the useful life of the energy project paid for by the assessment or 30 years.

The maximum dollar amount of a PACE special assessment shall be negotiated on a project-specific basis between the property owner and the entity providing the financing based upon the specific energy efficiency improvement(s), water efficiency improvement(s) and/or renewable energy system(s) included in the individual PACE Special Assessment Agreement.

6. Assessment Collection Process

Within the parameters set forth herein, the Authorized Official will authorize one or more commercial lenders to provide financing to defray all or part of the cost of the energy improvements by special assessment upon the Special Assessment Parcel, which the Authorized Official will find is especially benefited in proportion to the costs of the energy improvements.

The Special Assessment Roll, attached as **SAA Appendix C**, will be spread by the Authorized Official on behalf of Alpena and without objection by the property owner to allocate one hundred percent (100%) of the PACE special assessment levy created hereby to the Special Assessment Parcel.

The PACE special assessment, as allocated by the Authorized Official on behalf of Alpena without objection by the property owner, will be finally established against the property and the energy projects to be constructed on the Special Assessment Parcel. The PACE special assessment will be effective immediately upon the execution of the PACE Special Assessment Agreement by the property owner. The PACE special assessment may be paid in semi-annual installments pursuant to Section 13(2) of Act 270. The Authorized Official, on behalf of Alpena, will confirm the Special Assessment Roll.

7. Financing Program

LAGM has developed and will continue to develop an active roster of financial institutions, institutional investors and other sources of private capital available to finance PACE projects in Michigan. By participating in LAGM, Alpena helps its constituent property owners gain access to private capital made available through the statewide program. Alpena authorizes the use of owner-arranged financing from commercial lenders to finance qualified energy projects under the Program.

8. Reserve Fund

By participating in LAGM, Alpena assists its constituent property owners in taking advantage of any and all appropriate loan loss reserve and gap financing programs of the Michigan Economic Development Corporation (“MEDC”) and other federal and state entities. Such financing mechanism can be used to finance a reserve fund if deemed necessary and appropriate by Alpena.

9. Fee Schedule

Application, administration and program fees for record owners shall be those of LAGM. Administration and program fees will be determined on a project-specific basis and will depend on the size, nature and complexity of the energy project(s) and financing mechanism(s) involved.

10. Useful Life

The maximum length of time allowable for repayment of a PACE assessment shall not exceed the lesser of the useful life of the energy project paid for by the assessment or 30 years and will be determined on a project-specific basis by LAGM. Projects involving multiple energy efficiency improvements and/or renewable energy systems may aggregate the useful life of each improvement to determine an overall useful life figure for financing purposes. In aggregating the improvements, the property owner must appropriately weigh each improvement's dollar cost.

11. Property Eligibility Parameters

The ratio of the amount of the assessment to the market value of the property must be appropriate and shall be set forth in the PACE Special Assessment Agreement for each project. Additionally, the overall indebtedness on the property must be appropriate. In calculating the appropriate ratios, the property owner and the lender providing the financing may determine the market value of the property using either: 1) the market value of the property before the PACE project as agreed to by the property owner and the lender providing the financing using a proper measure such as a recent appraisal or two times the State Equalized Value; or 2) the market value of the property upon completion of the PACE project as agreed to by the property owner and the lender providing the financing using a proper measure such as an appraisal of the "as completed" value of the property or the current market value of the property plus 75% of the value of the PACE project.

In calculating the appropriate ratio of the amount of the assessment to the market value of the property, the cost of the energy project (excluding closing costs and interest) shall generally not exceed 25% of the market value of the property.

In calculating the appropriate ratio of total indebtedness on the property, if the property owner and the lender providing financing calculate an appropriate ratio using the market value of the property before the PACE project, prior debt secured by the building plus the PACE loan shall generally not exceed 95% of the market value of the property. If the property owner and the lender providing financing calculate an appropriate ratio using the market value upon completion of the PACE project, prior debt secured by the building plus the PACE loan shall generally not exceed 90% of the market value of the property.

LAGM and the Authorized Official may permit projects that exceed these values for reasonable cause on a case-by-case basis, and in such cases must include a letter of explanation as an addendum to the Special Assessment Agreement.

12. Mortgage Consent Requirement

If a property is subject to a mortgage the record owner must obtain written consent from the mortgagee to participate in the Program. Proof of lender consent must be submitted before a Special Assessment Agreement may be executed. A form of lender consent to participate in a PACE Program is attached as **SAA Appendix H**.

13. Marketing Program

LAGM has developed an ongoing marketing and participant education program. By joining LAGM, Alpena gains access to this program and agrees to partner with LAGM in educating businesses in Alpena about opportunities to save energy, save money and improve their property value. The County authorizes the use of Alpena's logo by LAGM to be incorporated into the LAGM website and other communication vehicles. More information regarding the Program can be obtained at LAGM's website: www.leanandgreenmi.com; or at Alpena's website at <https://alpenacounty.org/>

14. Quality Assurance and Antifraud Measures

LAGM includes the following quality assurance and antifraud measures:

- i. Business integrity review on clean energy contractors conducted by Michigan Saves;
- ii. Background check process on clean energy contractors conducted by Michigan Saves; and
- iii. Other general due diligence as may be necessary or required.

15. Audit Requirement

As set forth in the PACE Program Application, a baseline energy audit must be completed before an energy project is undertaken. Each contract will require and provide adequate funding for monitoring and verification of energy savings throughout the life of the special assessment.

16. Projects Over \$250,000

As set forth in the PACE Special Assessment Agreement, energy projects financed with more than \$250,000 require ongoing measurements to establish energy savings and a guarantee from the contractor that the energy project will achieve a savings to investment ratio greater than one.

17. Amendments to the Program

A public hearing shall not be required to amend this Program. LAGM, with the prior consent of Alpena, may amend the Alpena PACE program as necessary from time to time.

B. Under Act 270, Alpena County is authorized, pursuant to an agreement with the record owner of property within the Special Assessment District, to impose a special assessment on the property to be benefitted by the Energy Projects in order to secure and provide for the repayment of the Owner-Arranged Financing.

C. The Property Owner desires to undertake certain Energy Projects on commercial property of the Property Owner located within the Special Assessment District, as described herein, and has obtained a commitment from the Lender to make the Loan to the Property Owner to defray its cost.

D. In order to induce the Lender to make the Loan to the Property Owner, the Property Owner has requested that Alpena County enter into this Agreement to impose a special assessment on the property to be benefitted by the Energy Projects, in accordance with Act 270, which special assessment will secure and provide for repayment of the Loan from the Lender.

E. Pursuant to Act 270 and the PACE Program, Alpena County is authorized to enter into this Agreement.

In consideration of the foregoing and the mutual covenants contained in this Agreement, the County, the Property Owner and the Lender agree that:

ARTICLE IV PACE SPECIAL ASSESSMENT

Section 4.01 PACE Special Assessment Created.

(a) At the request of the Property Owner, the County hereby determines to assist the Property Owner in obtaining the Loan to defray a portion of the cost of the Improvements on the Special Assessment Parcel by the levy of the Special Assessment upon the Special Assessment Parcel, which the Authorized Official on behalf of the County finds is especially benefited in proportion to the cost of the Improvements. The Special Assessment created hereby has been spread by the Authorized Official on behalf of the County on the Special Assessment Roll attached hereto as **Appendix C** (the "Special Assessment Roll"), with the consent of the Property Owner, to allocate one hundred percent (100%) of the Special Assessment to the Special Assessment Parcel.

(b) The Special Assessment, as allocated by the Authorized Official with the consent of the Property Owner, is hereby finally established and levied against the Special Assessment Parcel as described on the attached **Appendix B** in the principal amount of [INSERT LOAN AMOUNT] as stated on the Special Assessment Roll. The Special Assessment is effective immediately upon the execution and delivery of this Agreement by the Property Owner. The Special Assessment Roll and the Payment Schedule are hereby confirmed by the Authorized Official on behalf of the County. The unpaid amount of the Special Assessment Roll shall bear interest from the date of execution and

Alpena County PACE Special Assessment Agreement

delivery of this Agreement at the Applicable Interest Rate, as calculated by the Lender in accordance with the terms of the Loan Documents, payable by the Property Owner semi-annually on each date on which any installment of the Special Assessment is due in accordance with the Payment Schedule. Notwithstanding the foregoing, (i) if any installment of the Special Assessment or any interest due and payable on the Special Assessment Roll is not paid by the Property Owner when and as the same shall become due and payable in accordance with the provisions of this Section 4.01 or (ii) any “event of default” under the Loan Documents has occurred and is continuing, the unpaid amount of the Special Assessment Roll shall bear interest at the Default Rate as calculated by the Lender in accordance with the terms of the Loan Documents, for as long as such amounts remain unpaid or for so long as such “event of default” under the Loan Documents exists and is continuing. The Count, the Property Owner and the Lender agree that the Lender shall be solely responsible for the determination from time to time of the Applicable Interest Rate and the Default Rate and the amount of interest due and payable by the Property Owner on the Special Assessment Roll on each day on which interest thereon is due and payable as provided in this Agreement, and the Lender’s determination thereof shall be binding on the Property Owner absent manifest error. The Property Owner and the Lender agree that the Count shall under no circumstance have any obligation to determine the Applicable Interest Rate or the Default Rate or to calculate the amount of any interest payment due on the Special Assessment Roll as provided in this Agreement, and the Count may conclusively rely upon the Lender’s determinations thereof for the purpose of exercising and discharging all of the County’s rights and obligations under this Agreement. The Lender agrees to provide, or cause to be provided, notice to the Property Owner and the Count of the determinations of the Applicable Interest Rate and the Default Rate, as applicable, pursuant to this Section 4.01(b) at such times, and from time to time, as the Property Owner or the County may request.

Section 4.02 Assignment of Special Assessment Payments to Lender. At the request of the Property Owner and the Lender, and pursuant to Section 9(g)(iii) of Act 270, the County hereby irrevocably assigns to the Lender its right to receive all installments of the Special Assessment required to be paid by the Property Owner pursuant to this Agreement, whether in accordance with the Payment Schedule or upon prepayment of the Special Assessment in whole or in part in accordance with Section 4.06 of this Agreement, together with all payments of interest due and payable on the Special Assessment Roll at the Applicable Interest Rate or the Default Rate, as the case may be, as provided in Section 4.01(b) of this Agreement. In pursuance of the foregoing, the County, the Property Owner and the Lender agree that, except as provided in Section 4.05 of this Agreement, (i) all installments of the Special Assessment, whether payable in accordance with the Payment Schedule or upon prepayment of the Special Assessment in whole or in part in accordance with Section 4.06 of this Agreement, together with all payments of interest due and payable upon the Special Assessment Roll at the Applicable Interest Rate or the Default Rate, as the case may be, shall be paid by the Property Owner directly to the Lender when due at such address in the United States as may be designated by the Lender in writing to the Property Owner and the County; (ii) the County shall have no obligation or duty to include any installments of the Special Assessment on any tax bill issued by the County or to bill, collect or remit to the Lender any installments of the Special Assessment or any interest due and payable upon the Special Assessment Roll; and (iii) absent receipt by the County of written notice from the Lender of a payment default in accordance with Section 4.05 hereof, the County shall be entitled to conclusively presume that all installments of the Special

Alpena County PACE Special Assessment Agreement

Assessment and all payments of interest due and payable on the Special Assessment Roll have been made by the Property Owner to the Lender when due as required by the terms of this Agreement.

Section 4.03 Property Owner's Consent to Special Assessment; Waiver.

(a) The Property Owner hereby irrevocably consents to and confirms the creation of the Special Assessment Roll and the levy of the Special Assessment established pursuant to this Agreement and EXPRESSLY WAIVES ANY AND ALL CLAIMS CHALLENGING AND DEFENSES TO, THE LEGALITY, VALIDITY, ENFORCEABILITY OR COLLECTABILITY OF THE SPECIAL ASSESSMENT, including, but not limited to, claims arising from, relating to or otherwise based upon any theory of procedural defect concerning the approval of the Improvements, the establishment of the Special Assessment District, confirmation of the Special Assessment Roll and the Payment Schedule, the County's right to place the Special Assessment lien on the Special Assessment Parcel, the collectability and due dates of the Special Assessment installments and interest due and payable on the Special Assessment Roll, or any other theory or claim. The Property Owner further waives notice of hearing and the right to file objections if and to the extent such rights exist under any special assessment ordinance of the County.

(b) Following the signing of this Agreement, no suit or action of any kind shall be instituted or maintained for the purpose of contesting or enjoining the collection of the Special Assessment, and the Property Owner, for itself and its successors in interest, lessees, purchasers, and assigns with respect to all or any part of the Special Assessment Parcel, hereby irrevocably waives its rights to contest the Special Assessment with any adjudicative body having jurisdiction over the subject matter, including, but not limited to, the Michigan Tax Tribunal.

(c) In addition to any conditions, covenants, warranties and representations specified in the Loan Documents, the Property Owner shall not sell, transfer, alienate or convey any of its interest in the Special Assessment Parcel without first having given written notice of the Special Assessment to any successors in interest, lessees, purchasers or assigns and having made a copy of this Agreement part of any purchase contract, sale contract, lease agreement, deed or any other conveyancing instrument by which the Property Owner purports to assign all or any part of its interest in the Special Assessment Parcel to any successors in interest, lessees, purchasers, transferees, licensees and assigns. This Agreement shall be recorded against the real property constituting the Special Assessment Parcel by the PACE lender with the Register of Deeds of Alpena County, State of Michigan.

(d) The Property Owner agrees that it, its successors and assigns shall, during the term of this Agreement and the Special Assessment, pay all ad valorem real property taxes and assessments levied against the Special Assessment Parcel when due and the Property Owner specifically waives, irrevocably for itself, its successors and assigns as to any and all portions of the Special Assessment Parcel, the right to pay ad valorem real property taxes and assessments on any other installment method which may be available to property owners in the County.

(e) The County agrees that following (i) payment by the Property Owner in full of the Special Assessment, together with all accrued interest on the Special Assessment Roll, and all

Alpena County PACE Special Assessment Agreement

other interest, charges and penalties which may accrue thereon, and (ii) receipt by the County of written acknowledgment from the Lender that the Special Assessment, together with all accrued interest on the Special Assessment Roll, has been paid to the Lender in full, it will promptly execute and deliver documentation discharging the lien of the Special Assessment on the Special Assessment Parcel. Until the Special Assessment liability has been fully satisfied and the lien discharged, each purchaser of all or any part of the Special Assessment Parcel, as a condition of closing on such purchase, shall execute and deliver to the County a written notice: (i) acknowledging the principal amount unpaid and outstanding on the Special Assessment; (ii) agreeing to the assumption of the liability to pay the Special Assessment, and any interest thereon, on a timely basis, when due, until the remaining balance and interest on said Special Assessment has been paid in full; (iii) acknowledging that the title insurance policy will state that the Special Assessment has not been paid at time of closing thereon; and (iv) agreeing to pay to the Lender at or prior to the close of the purchase all past due installments of the Special Assessment and all past due payments of interest on the Special Assessment Roll. The representations set forth in such written notice shall be enforceable at law and in equity, including without limitation, by way of specific performance.

Section 4.04 Lien. The Special Assessment is an obligation with respect to the Special Assessment Parcel, and shall, until paid, be a lien upon the Special Assessment Parcel for the amount of the Special Assessment and all interest, charges and penalties that may accrue thereon. Such lien shall be of the same character and effect as liens created pursuant to the ordinances of the County for County taxes and shall be treated as such with respect to procedures for collection as set forth in the General Property Tax Act and the ordinances of the County, including accrued interest, charges and penalties. The Special Assessment confirmed hereby is a debt to the County from the Property Owner and its successors in interest, lessees, purchasers and assigns. The right of the County to receive all installments of the Special Assessment required to be paid by the Property Owner pursuant to this Agreement, together with all payments of interest due and payable on the Special Assessment Roll at the Applicable Interest Rate or the Default Rate, as the case may be, as provided in Section 4.01, has been irrevocably assigned by the County to the Lender in accordance with the provisions of Section 4.02 of this Agreement. No judgment or decree shall destroy or impair any lien of the County upon the premises assessed for such amount of the Special Assessment as may have been equitably or lawfully charged and assessed thereon. Failure of the Property Owner or any subsequent property owner to receive any notice required to be sent under the provisions of the ordinances of the County or this Agreement shall not invalidate the Special Assessment or the Special Assessment Roll and shall not be a jurisdictional requirement.

Section 4.05 Payment Default.

(a) If any installment of the Special Assessment or interest due on the Special Assessment Roll shall not have been paid by the Property Owner to the Lender, as assignee of the County, at the time and in the amount required by Section 4.01 hereof (a “Payment Default”), the Lender shall, within thirty (30) days following the date such sums were due and payable (the “Payment Default Date”), deliver written notice to the County stating all of the following: (i) that a Payment Default has occurred under this Agreement; (ii) the Payment Default Date; (iii) the amount of the Special Assessment that was due and payable as of the Payment Default Date and

Alpena County PACE Special Assessment Agreement

which remains unpaid and the amount of interest on the Special Assessment Roll that was due and payable as of the Payment Default Date and which remains unpaid (collectively, the “Payment Default Amount”); and (iv) an attestation by an authorized officer of the Lender that the statements contained in the foregoing notice are true, correct and complete as of the date of such notice. Upon receipt of such notice from the Lender, the County shall take such actions as may be required to cause the Payment Default Amount to be certified for collection on the summer or winter tax bill next succeeding the Payment Default Date, and such Payment Default Amount shall be collected at the same time and in the same manner as is prescribed for the collection of the County taxes under the General Property Tax Act and the ordinances of the County. The County may assess a fee for delinquent taxes, interest, penalties, and fees as provided under General Property Tax Act Section 211.78. Notwithstanding the foregoing provisions of this Section 4.05(a), if the County shall determine that the notice of the Lender described in this Section 4.05(a) was not received by the County in sufficient time to permit the Payment Default Amount to be placed for collection on the summer or winter tax bill next succeeding the Payment Default Date, such Payment Default Amount shall be certified for collection on the next summer or winter tax bill issued thereafter. The County shall be entitled to conclusively rely upon any notice of the Lender delivered pursuant to this Section 4.05(a) as to the existence of a Payment Default and as to the Payment Default Amount, and shall not be liable to the Property Owner or to any other person for any action taken by the County pursuant to the terms of this Agreement or otherwise in reliance upon the information contained in such notice. Absent receipt by the County of written notice from the Lender of a Payment Default in accordance with this Section 4.05(a), the County shall be entitled to presume conclusively that all installments of the Special Assessment and all payments of interest due and payable on the Special Assessment Roll have been made by the Property Owner to the Lender when due as required by the terms of this Agreement, and the County shall have no obligation or duty to include any installments of the Special Assessment on any tax bill issued by the County or to bill, collect or remit to the Lender any installments of the Special Assessment or any interest due and payable upon the Special Assessment Roll.

(b) The County hereby agrees that, pursuant to the assignment set forth in Section 4.04, it will cause to be paid over to the Lender all amounts received by the County from the Alpena County Treasurer as collections of any Payment Default Amount within forty-five (45) days of the date such sums are received by the County from the Alpena County Treasurer. The parties hereto expressly acknowledge and agree that in no event shall the County advance to the Lender the amount of any unpaid Payment Default Amount, and the County shall be obligated to pay over to the Lender only such sums as are actually received by the Alpena County Treasurer as collections of any Payment Default Amount.

(c) In the event that any interest, penalties, fees or other charges shall be imposed upon the Special Assessment Parcel or against the Special Assessment Roll or the amount of any unpaid Special Assessment pursuant to the ordinances of the County or the General Property Tax Act, by Alpena County, Michigan, for the administration, billing, collection or enforcement of the Special Assessment created hereby, such amounts shall remain a debt of the Property Owner to Alpena County, Michigan, as their interests may appear, and shall not be deemed to have been assigned to the Lender pursuant to the terms of this Agreement or otherwise.

Alpena County PACE Special Assessment Agreement

Section 4.06 Prepayment of Special Assessment. Subject to the provisions of the Loan Documents, including, without limitation, prepayment penalties, if any, the Property Owner may, upon sixty (60) days' written notice to the Lender and the County, prepay any installment of the Special Assessment specified in the Payment Schedule by causing to be paid to the Lender the amount of the installment to be prepaid, together with accrued interest thereon to the date of prepayment. If such prepayment of any installment is not received by the Lender on the date specified for prepayment, the Lender shall promptly deliver written notice to the County that such prepayment was not received by the Lender.

Section 4.07 Invalidity; Cure. In the event of any invalidity of the Special Assessment, the Authorized Official, at the request of the Lender, and if the County shall have received indemnity satisfactory to the Authorized Official for its costs and expenses (including reasonable attorneys' fees), shall cause a new Special Assessment to be made for all or any part of the Improvements in accordance with Act 270 and the PACE Program as reasonably determined by the Authorized Official. The Property Owner, on behalf of itself and its successors in interest, lessees, purchasers, and assigns, hereby waives any objections to and agrees to the imposition of such new Special Assessment; *provided, however*, that the amount of the new Special Assessment shall not exceed the unpaid principal amount of the Loan at the time the new Special Assessment shall be established.

Section 4.08 Alpena County or Alpena County Treasurer Becoming Owner of the Special Assessment Parcel. In the event that the County Treasurer takes ownership of the Special Assessment Parcel by operation of law, the County Treasurer and the Lender agree that while the lien on the Special Assessment Parcel will remain in full force and effect, and all principal, interest, penalties, fees, and other charges, either based on Michigan Compiled Laws or the Loan Documents will continue to accrue during the period of time that the County Treasurer owns the Special Assessment Parcel. No loan or special assessment payments, including interest, penalties, fees or other charges, are required to be paid or will be accrued by the County Treasurer to the Lender. Any and all principal, interest, penalties, fees, and other charges which accrue during the period by which the County Treasurer own the Special Assessment Parcel will, in the sole and unlimited discretion of the Lender, either be: (1) considered immediately due and payable by any person or entity who purchases the Special Assessment Parcel from the County Treasurer, and no sale or transfer of the Special Assessment Parcel is valid unless and until all principal, interest, penalties, fees, and other charges have been paid by the subsequent owner of the Special Assessment Parcel; or (2) capitalized into the outstanding principal balance of the Special Assessment, causing the Lender to provide a revised Payment Schedule in an amount necessary to amortize the new outstanding principal balance of the Special Assessment over the remaining number of payments. The lien created by the Special Assessment shall not be extinguished or released until all necessary principal and interest payments, as well as all penalties, fees, and other charges, as determined solely by Lender, have been paid and received by Lender.

(e) Property Owner warrants and agrees that any contractual, legal or other disputes between it and the Lender--other than matters specifically related to enforcement of property tax obligations--or the contractor involved in the Improvements, do not involve the County, and Property Owner agrees to hold the County and its agents, including but not limited to LAGM, harmless from any such disputes or causes of action.

(f) The Property Owner, the Special Assessment Parcel and the Improvements satisfy all of the PACE Program eligibility and program requirements set forth in **Appendix A**.

The Lender has not received, and is not relying on, any representations of the County with respect to the Property Owner.

(c) Lender warrants and agrees that any contractual, legal or other disputes between it and Property Owner--other than matters specifically related to enforcement of property tax obligations--do not involve the County, and Lender agrees to hold the County and its agents, including but not limited to LAGM, harmless from any such disputes or causes of action.

ARTICLE VII DEFAULT

Section 7.01 Property Owner Event of Default. If the Property Owner shall default in the performance of any covenant or agreement on its part contained in this Agreement and such default shall continue for a period of ten (10) days after written notice thereof has been

Alpena County PACE Special Assessment Agreement

given to the Property Owner by the County, an “Event of Default” shall be deemed to have occurred under this Agreement.

Section 7.02 Remedies for Property Owner Event of Default. Upon the occurrence of an Event of Default as provided in Section 7.01 hereof, the County, after giving written notice as required, without further notice of any kind, and in addition to all other rights and remedies provided at law or in equity, shall be entitled to seek and obtain a decree of specific performance of this Agreement from a court of competent jurisdiction; or the right to recover from the Property Owner any damages incurred by the County and any costs incurred by the County in enforcing or attempting to enforce this Agreement or the Special Assessment, including attorneys’ fees and expenses; or to foreclose on the Special Assessment Parcel and to sell all or any part of the Special Assessment Parcel to the extent necessary to recover any damages and costs; or any combination of the foregoing. Notwithstanding the foregoing, the parties hereto acknowledge and agree that the County shall not be obligated to institute any of the actions or proceedings or to exercise any of the remedies authorized by this Section 7.02 upon the occurrence of an Event of Default hereunder, and that its obligations with respect to the billing, collection and enforcement of the Special Assessment or any installment thereon shall be limited to those obligations set forth in Article IV of this Agreement. The Lender acknowledges that neither the Special Assessment nor any installment thereon can be accelerated.

Section 7.03 The County Default. If the County shall default in the performance of any covenant or agreement on its part contained in this Agreement and shall fail to proceed in good faith to cure such default within sixty (60) days after written notice thereof has been received by the County from the Property Owner or the Lender, a “County Default” shall be deemed to have occurred under this Agreement.

Section 7.04 Remedy for County Default. Upon the occurrence of a County Default as provided in Section 7.03 hereof, and if the Property Owner or the Lender, as the case may be, shall have otherwise fully performed all of its obligations hereunder, the Property Owner or the Lender, after giving written notice as required, without further notice or demand, shall be entitled to seek and obtain a decree of specific performance from a court of competent jurisdiction; but neither the Property Owner nor the Lender shall have the right to seek to recover money damages against the County, including any costs or fees (including attorneys’ fees) incurred by the Property Owner or the Lender in enforcing or attempting to enforce this Agreement. Neither the occurrence of a County Default nor the institution of any proceeding or the exercise of any remedy upon the occurrence of a County Default shall negate or diminish the obligations of the Property Owner hereunder to pay the installments of the Special Assessment and interest accrued on the Special Assessment Roll and all other costs hereunder when the same shall become due and payable.

Section 7.05 Waiver. Failure of any party hereunder to act upon discovery of a default or to act upon the existence of an Event of Default shall not constitute a waiver of the right to pursue the remedies provided herein.
