To Whom it May Concern:

On Sunday, May 26, 2024, the city of Rogers was hit by multiple tornados leaving widespread destruction. Arkansas Arts Academy, suffered extensive damages and was left without electricity, internet and gas. Our school family, including staff and students, were greatly impacted and many remain displaced and suffering great loss. Due to emergency circumstances, Arkansas Arts Academy is requesting a waiver of Standard 4.A.4.1. We were scheduled to attend school May 28-31, but unable to based on the extent of damages occurred.

Thank you in advance for your consideration.
