November 11-15, 2019

November 14-Departed to SKC-Pablo, MT for campus visit,

November 15-Campus Preview day. Came back at 10:00 p.m. College Campus visit-Thank you for your approval. Went to SKC Preview day, school provided the bus, driver and gas. I really appreciate all of the assistance and support. 19 students were able to attend the visit. It was so great, SKC staff and faculty done such a great job at welcoming us and providing activities and workshops for the students. The students were pleased with the visit. They were very impressed and some students have not ever went to Flathead before, so we done a good job in expanding the students horizons and experiences in higher educational opportunities.

ACT Aspire window opened. Test given to 7 and 9th graders. GEAR UP supports this assessment, measure 5 areas, School Climate, Grit, Teamwork, Resilience, Leadership and curiosity.

November 18-22, 2019-

November 20, 2019-Webex from the state. Went over GEARS data base.

Local GEAR up meeting, 2 in attendance.

November 25-29, 2019

Started the time clock pilot program.

Every school day, I stand in hallway, in between classes I greet students and encourage them to get to class on time and get to visit with them for lil bit before and after class.

I attended all Monday Staff meetings at 3:30 p.m.

Thank you.

Sincerely,
