Dear NSBSD Administration
& School Board Members,

I am formally writing to you
regarding the Barrow/Browerville
CSAC elections that were held in
October & November 2025.

Due to the noticable discrepancies
with both occasions, I, as a community
member of Barrow, am requesting a
"re-do" with a brand new declaration of candidacy
or, open it up to a letter of interest process.
However aligns best according to your
elections policies for our respective
CSACS.

Quyanagpak for your time and
consideration on this matter.

Respectfully,

Frieda Moore

Community Member of Barrow
