Re: Athletic Director Report May 6, 2014

Homedale Board of Trustees,

We are in the middle of District Championships week for our Spring sports. We have District Baseball at Payette, District Softball here at Sundance Park, District Tennis and Track at Parma, and District Golf at Timberstone all this week!

Track – From Coach Ankeny

The track and field team continues to see great strides and is preparing for the District track meet this week and State track meet next week at Middleton High School. Coach Heidi Ankeny has done a tremendous job of keeping all the kids out for track that started the season and it is great to see the commitment and dedication that the kids have put in.

Baseball-

The Varsity Baseball team is in the midst of District play. They won their semi final round game against Weiser and will face Fruitland in the Championship game on Wednesday the 7th. The Varsity team entered the tournament as the #2 seed in the SRV.

Softball-

The Varsity Softball team is in the midst of District play as well. They won their semi final round game against Payette and will face Weiser in the Championship game on Thursday the 8th. The Varsity team entered the tournament as the #1 seed in the SRV.

Tennis-

Tennis is looking to finish the season strong. We have a couple of the top singles players with Kincade Kincheloe and Hattie Mertz as well as some strong doubles teams. We are hoping to qualify as many as possible for the state tournament next week.

Golf- From Coach Grove

The Golf team is lucky enough to have Parma hosting the District tournament at our home course Timeberstone so any home course advantage is with us as we attempt to bring home a boys team SRV championship for the second straight year.

Trophy Case I would like to move forward with the boards approval of putting a trophy case in the foyer area. I have had a mock drawing made up as well as an estimate by a former Homedale Grad Matt Larzelier. Currently I have 14 trophies from the past couple of years that are sitting in the AD office because there is simply a lack of room to put them in the current cases. I think the addition of the trophy case in the foyer will bring a sense of pride to our school and it will allow us to display the successes of recent years here at Homedale High School.
