Re: Purchase of Superkids Resources

Recommendation:

It is the recommendation of the superintendent to Purchase SuperKids resources for Kindergarten and First Grade at a cost of \$11,166.60 as presented.

Background Information:

As the kindergarten and first grade teams shared at our December Board meeting, the Superkids resources have been an effective tool for helping our students develop their decoding and early literacy skills. The team looks forward to using updated resources to meet students' needs. This will be a two-year roll out, with Kindergarten implementing the new resources during the 2026-27 school year and 1st grade implementing them during the 2027-28 school year. Professional development will be occurring for the team throughout this time period.
