TO: KRESA Board
FROM: Bryan Zocher, KRESA EFA Director
Re: EFA 2024-25 MACC Equipment Grant application submission approval

Kalamazoo RESA-Education for the Arts requests board approval to submit a Michigan Arts & Culture Council grant of \$30,000 to support equipment purchase for the EFA Digital Video high school class labs in Vicksburg HS and Kalamazoo Central HS.

New digital video cameras and equipment will support an industry-standard, real world experience for approximately 60 Kalamazoo County high school students annually.
