MYP Recognizing Valuable Attributes in Students & Staff

CALHOUN MIDDLE SCHOOL IB LEARNER PROFILES

The International Baccalaureate® (IB) learner profile describes a broad range of human abilities and responsibilities that go beyond academic success. At Calhoun Middle School, each month we will highlight a different trait of the IB Learner Profile.

In order to notice, nurture, and model these attributes, Calhoun Middle School students and staff will be recognized for demonstrating the Learner Profile of the month in, and outside of, the classroom.

JANUARY: WE ARE OPEN-MINDED

We understand and appreciate our own cultures and personal histories, and are open to the perspectives, values, and traditions of other individuals and communities. **We seek** and evaluate a range of points of views. **We are willing** to grow from the experience.

FEBRUARY: WE ARE COMMUNICATORS

We express ideas and information confidently and creatively in more than one language and in a variety of modes of communication. **We collaborate** effectively and willingly in with others.

Please explain how this student or staff member has displayed the LP of the month. The learner profile of the month is COMMUNICATORS: We express ideas and information confidently and creatively in more than one language and in a variety of modes of communication. We collaborate effectively and willingly in with others. *

Aoife is an excellent communicator. Not only is she a strong writer who takes great care in her written communication, she responsibly uses texting and email to ensure members of Social Justice Club are aware of what's going on in the club. Additionally, she initiated a texting group for EXPO class so that students can help one another be successful. This means when someone is absent, the texting group works to ensure the absent student has what they need to be successful. All of this happened because of Aoife's communication skills.
