

Review and Discuss Proposal for Renovation of Photography Lab

Vaughn Construction, the College's job order contractor, submitted a proposal to renovate the existing photography lab for a total of \$66,953. This amount includes labor, material/equipment, subcontractors, and contingencies. Assuming reasonable access, the contractor anticipates completing this project in four weeks.

Staff recommends acceptance of this Vaughn Construction proposal to renovate the existing photography lab. The source of funding would be the Construction Fund.

Following discussion, the Facilities Committee will determine a recommendation to the Board of Regents regarding this proposal.
