

## Athletic Department Update

*December 16, 2024*

### **Girls Soccer & Boys Soccer**

Soccer season is currently starting up for the new year. They will scrimmage during the month of December and then begin games when we return to school in January.

Boys are looking to repeat last year's bi-district championship game appearance and the girls team looks to rebound from not qualifying for postseason play.

### **Cross Country**

Addison Hatchett and Kylea Hatfield represented the Hallsville Ladycats at the UIL state Cross Country meet. This is the fourth straight year that Addison Hatchett has qualified as a runner to the state meet.

### **Boys Basketball**

Boys Basketball is currently 9-5 on the year. They currently sit at 0-1 in District 10-5A play with the loss coming from Mt. Pleasant. District 10-5A will be a very competitive district in boys basketball. They will continue to travel and play in tournaments over the Christmas Break before settling into a district only format in January.

## Athletic Department Update

*December 16, 2024*

### **Girls Basketball**

The Girls team has one more tournament in College Station as well and then will pick up in district play. They are currently 0-2 in district play.

### **Welcome our New Ladycat!**

Welcome Kenzie Blake Bailey
