

SCHOOL BOARD MEETING REPORT

Board Meeting Date: May 20th, 2013

Agenda #

Staff/Administrator: Dave Valenzuela

Superintendent: Dan Huber-Kantola

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I propose that the School Board accept and approve the request for charter renewal submitted by Sunny Wolf Charter on April 15th. The original charter is set to expire at Midnight on June 30th. The proposed renewal is for another three years, commencing on July 1st, 2013 and expiring at Midnight June 30th, 2016.

Provide history/background information on your proposal.

Sunny Wolf Charter School has been in operation for three years now. In that time they have made significant growth and improvement in their academic program and to the physical plant of former Wolf Creek Elementary School. They have an active and involved community and very supportive staff.

List the advantages of your proposal:

Sunny Wolf Charter School is serving their local community well and showing signs of continued growth.

List possible disadvantages of your proposal:

There are no apparent disadvantages at this time.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

The only other option would be nonrenewal of the charter. This was not considered due to Sunny Wolf Charter School's demonstration of viability.

Superintendent's recommendation(s):

Approve: Yes No
