Dear River Forest SD 90,

Via FOIA, I request access to and/or a copy of documentation of remote learning equipment reported as missing, damaged, broken, stolen or otherwise unavailable for use. For this request, please provide the information in aggregate including (if available): type of device, school that device-assigned student attends, date of issuance, data or report of loss, and any other relevant information. In addition, please provide (if available) documentation showing the total number of remote learning equipment assigned.

If you believe any portions of these records are not subject to FOIA, please redact the materials to facilitate production and cite specific exemptions you believe justify redaction of the materials.

Thanks,
