

Action Item: F.7

**Amend 2013-14 School Calendar to Include Make-up Day
for Day Missed Due to Inclement Weather**

Background: State law requires that each school district include two make-up days in the adopted school calendar. Mineola I.S.D. had selected February 17th and April 17th as the two make-up days in the 2013-14 School Calendar. MISD students and staff missed Monday, March 3rd and Tuesday, March 4th due to inclement weather. Due to the fact that MISD missed two days after February 17th, a second make-up day needs to be designated. The superintendent notes that April 18th (Good Friday), May 26th (Memorial Day), and June 6th (Graduation Day) are available.

Recommendation: The superintendent believes this is a board decision and has no recommendation. The superintendent did ask staff to respond by email if they had a preference. As of Monday, March 17th (10:30 a.m.), the superintendent had received 17 emails (recommending April 18th - 4, May 26th - 10, and June 6th - 3). Superintendent is prepared to make a recommendation if requested by the trustees.

Sample Motion:

"I move the approval of _____ as the second make-up day."
