

Aledo ISD BOARD MEETING TEMPLATE

MEETING DATE: March 30, 2020

AGENDA ITEM: Consider Approval of Schematic Design for Elementary School No. 6

PRESENTER: Earl Husfeld, Chief Financial Officer and Tyler Boswell, Director of Construction and Facilities

BACKGROUND INFORMATION:

- New Elementary School No. 6 is one (1) of the five (5) construction projects included in the District's 2019 Bond Program passed by Aledo ISD voters on November 5, 2019.
- During the December 19, 2019 board meeting, the Board of Trustees approved the selection for PBK Architects, Inc. (PBK) to perform architectural services for the elementary school projects.
- In the weeks since their selection, PBK conducted meetings with the District's Administrative Team, Curriculum and Instruction Department, Police Department, Technology Department, Child Nutrition Department, Transportation Department, Maintenance/Facilities Department, Elementary School Students, Staff, and Principals, and Aledo ISD Community gathering information to use as guidelines in the design process of the New Elementary School No. 6. These groups also shared their concerns, goals, and expectations for this new elementary school.
- The schematic design presentation being shared with you this evening is the culmination of these meetings to date.
- Lee Osborne and Sean Pantin, with PBK, will discuss the following schematic design presentation with you and answer any questions you may have.
- Please keep in mind schematic design is the first phase in the design process for New Elementary School No. 6 and accounts for approximately 15% of the architect's work on this project. Schematic design establishes the size, location, and relationships between all the spaces. The basic goal of schematic design is to establish the shape and size of the building with some basic plans of the spaces.

FISCAL INFORMATION:

There is no fiscal impact with approval of this item. The financial impact will arise when the Board of Trustees ultimately approves a contract for the construction of this project.

ATTACHMENTS:

None – the PBK Schematic Design Presentation will be shown during the meeting

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees approve the schematic design for New Elementary School No. 6 as presented.
