

## Cooperative Sponsorship Application

### Excerpt OSAA Handbook, Executive Board Policies, Cooperative Sponsorship

(Revised Fall 2015)

In order for two or more schools to qualify for cooperative sponsorship as permitted in Article 6.5., they must meet the following requirements:

- A. **Who May Apply.** Only full member schools may apply for cooperative sponsorship, not families or individuals. Cooperating schools should be located in the same geographic area. Schools requesting cooperative sponsorship approval should make every effort to co-sponsor an activity with the nearest school that also has difficulty sponsoring the activity by itself. Cooperative sponsorship shall be considered only for 4A, 3A, 2A and 1A schools.  
**EXCEPTION:** The Executive Board also may approve cooperative sponsorships involving 4A, 3A, 2A or 1A schools with a 6A or 5A school if the 4A, 3A, 2A or 1A schools are located in an isolated area, are unable to find a closer 4A, 3A, 2A or 1A school willing to enter into a cooperative sponsorship agreement, or if the two schools are physically housed in the same building where students take classes together.
- B. **Classification.** Classification placement for the requested activity will be determined by the total combined ADM in grades 9-12 of the schools involved.  
**EXCEPTION:** If the total combined ADM in grades 9 through 12 causes the cooperative team to qualify for a higher classification, the schools requesting permission for a cooperative team may petition the Executive Board for an exception to this provision. Factors that may be considered by the Executive Board when evaluating a petition for an exception may include, but are not limited to, number of participants from each school, how much the combined ADM exceeds the classification cutoff point, and geographic considerations.
- C. **School Board Approval Requirement.** The Governing Boards of the schools involved in the cooperative sponsorship shall jointly apply for such sponsorship listing reasons for the request.
- D. **Regular or Special District Approval Requirement.** Cooperative sponsorship applicants shall obtain approval from the regular or special district in which the proposed cooperative team will participate and submit the approval form with the Cooperative Sponsorship Application. Regular and special districts are encouraged to consider the philosophy discussed at the end of this Executive Board Policy when reviewing requests for support of a cooperative sponsorship application.
- E. **Deadline for Application/Dissolution.** The deadline for application or for dissolution for a cooperative sponsorship shall be the first contest date of the season in which the cooperatively sponsored team is to compete.
- F. **Timeline for Approval.** The Executive Board will attempt to act on an application at its next regular meeting following receipt of the application. However, the Executive Director can make a decision, subject to approval by the Executive Board.
- G. **Duration of Approval.** Any approved cooperative sponsorship shall be limited in duration to the remainder of the time block per application. If an application for cooperative sponsorship is granted for multiple years and the cooperating schools choose not to cooperatively sponsor a team during any year of the agreement, it will be necessary for the schools to reapply for permission to cooperatively sponsor a team during the remaining term of the agreement using the most recent ADM figures available.

6.5.2. Classification placement for the requested activity will be determined by the total combined ADM in grades 9 through 12 of the schools involved.

**EXCEPTION:** If the total combined ADM in grades 9 through 12 causes the cooperative team to qualify for a higher classification, the schools requesting permission for a cooperative team may petition the Executive Board for an exception to this provision. Factors that may be considered by the Executive Board when evaluating a petition for an exception may include, but are not limited to, number of participants from each school, how much the combined ADM exceeds the classification threshold, and geographic considerations.
