Subject:

Consider Approval of Renewal of Contract 2020.515 School Visitor, Volunteer, and Emergency Management Software

Background:

In January 2025, the Board approved the renewal of Contract 2020.515, School Visitor, Volunteer, and Emergency Management Software with Raptor Technologies, Inc. and JD Palatine, LLC, in the amount of \$135,000. This contract provides software for school visitor badging, volunteer management tools for CCISD, and the District's crisis-management solution. Once the software subscription and licenses are paid, the District continues to incur costs for background verification checks for volunteers who register through the online system. To date, \$97,821 of the approved contract value has been encumbered, with additional expenditures expected for volunteer registrations prior to the contract's expiration. It is the recommendation of the Chief Technology Officer, the Director of Purchasing, and the Coordinator of Safe Schools to approve the renewal for this contract with Raptor Technologies, Inc. and JD Palatine, LLC, beginning February 1, 2026, through January 31, 2027, in the amount of \$115,000. This is the final renewal option available for this contract.
