(Informational Memo)

NSBSD Strategic Plan:

Student Social & Emotional Wellbeing

Goal 5: Facilitate and maintain culturally, emotionally, and physically safe learning environments.

Issue Summary:

Bullying has no place in the North Slope Borough School District. Unfortunately, many have felt or witnessed the effects of Bullying in our schools or community. In alignment with the NSBSD Strategic Plan, we would like to communicate to the NSBSD stakeholders (NSBSD Board, All Students, Staff, and Community) that bullying is not acceptable and should not be tolerated. Our goal is to create a safe learning environment for all.

The AKSafe app is a free mobile tool for Alaska schools, providing students, families, and staff a secure, anonymous way to report bullying, self-harm, violence, and other concerns to school officials via text, photo, or video, with direct, confidential two-way messaging and access to crisis resources like the Crisis Text Line. Developed by [Lightspeed Solutions](#), it's designed to foster safer school environments by making it easy to ask for help and share information, even when offline.
