

Tractor Quotes:

Recommendation is #4

What does the district get for an investment of \$5,000 more?

9.4 more PTO horsepower and 8 more engine horsepower

If the school district upgrades to three-point, two-stage snowblower in the future, then #4 offers the most horsepower in the Bobcat CT55 Series.

Previous school district tractor purchase was 2001. 20 years = the span of 2001-2021

Is \$250 per year worth the additional investment? $\$250 = \$5,000$ divided by 20 years

1. Bobcat (CT55 Series) 1 of 3: 50 engine hp and 38.9 PTO hp with front loader, box blade, snow blade and pallet fork. **\$41,806.80** from Bobcat of Grand Forks, ND
