

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** December 14, 2020

**AGENDA ITEM:** Consider Approval of Adjustments to 2020-2021 District Calendar

**PRESENTER:** Lynn McKinney, Deputy Superintendent

### **BACKGROUND INFORMATION:**

The Board of Trustees approved the latest revision of the 2020-2021 Instructional Calendar in October.

Due to COVID-19 and the current structure of offering both remote and in-person learning opportunities to our students, there is a need for additional teacher workdays.

The Board approved 2.5 instructional days to become teacher workdays during the fall semester to:

- \*provide additional opportunities to plan for remote and in-person instruction
- \*provide time to plan targeted instruction for students
- \*provide time for teacher grading and student feedback

The 2.5 days added as work days were:

Friday, October 30, 2020 – 1 day

Friday, November 13, 2020 – 1 day

Friday, December 18, 2020 - .5 day (prior early release day)

We are now requesting two additional changes for the 2021 spring semester:

1. We would like to move the February Professional Learning day from Monday, February 15 to Friday, February 12.
2. We would like to add two work days for the spring semester as follows:  
Monday, February 15, 2021 – 1 day  
Monday, March 22, 2021 – 1 day

These 2 additional work days, 900 minutes, will be deducted from the banked instructional minutes the district reserved this year, leaving us with 690 banked minutes, or 1.53 days if needed, in addition to the two bad weather days scheduled during the spring semester.
