**Student Contacts this month include:**

- Contact with student that might require or lead to follow up issues
- Discussion/Education on Behavior and how it could apply within the law.
- Warnings, Citations or Arrests

**Activities:**

Despite having school out for a week and a few extra days, the month of March has been very busy.

This month I have started training the fire departments on the Standard Response Protocol which has been adopted by the school district. I went to the Minidoka County Fire Protection District meeting and taught them on the protocols the schools would be using. In the training, I explained to the firefighters how they could help and would be of an asset during a critical issue at a school. In the months to come, there will be scheduled trainings with the other emergency service groups.

**Presentations or Training:**

- Presentation to Mrs. Gallegos students at East Minico on The Bill of Rights.
- Presentation to the Migrant Parent Meeting regarding Sexting and Cyber Security
- Training to Special Services Staff on Stand Response Protocol

**Other Activities:**

West Minico Staff and the Sheriff's Office conducted the lockdown drill with the students starting in the commons area. The lockdown drill was very successful and the kids did a great job.
