The Objective and Scope of the Audit of the Financial Statements

You have requested that we audit Pleasantdale School District 107's (the District) governmental activities, and each major fund and aggregate remaining fund information as of and for the year ending June 30, 2018, which collectively comprise the basic financial statements. We are pleased to confirm our acceptance and our understanding of the agreed to terms of this audit engagement by means of this letter.

Our audit will be conducted with the objective of our expressing an opinion on the basic financial statements.

Accounting principles generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the basic financial statements. Such information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any form of assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited. These items include the Management's Discussion and Analysis, Illinois Municipal Retirement Fund Pension Data, Teachers' Retirement System Pension Data, Budgetary Comparison Schedules, and Notes to the Required Supplementary Information.

Supplementary financial information other than RSI will accompany the District's basic financial statements. We will subject the supplementary financial information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary financial information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the supplementary financial information, which we anticipate this information to be the same as last year, in relation to the financial statements as a whole.

The Objective and Scope of the Audit of the Financial Statements (Continued)

Other supplemental information, other than RSI and the above mentioned supplementary financial information, will be accompanying the District's basic financial statements. We will not subject the other supplemental information, which we anticipate this information to be the same as last year, to the auditing procedures applied in our audit of the basic financial statements and will not express an opinion or provide any form of assurance on them.

The State Annual Financial Report (AFR), which also has supplementary financial information, will be submitted separately from the District's basic financial statements. We will subject the supplementary financial information in the AFR (Basic Financial Statements, Supplementary Schedules and Notes) to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary financial information in the AFR to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on certain portions of the AFR (Basic Financial Statements, Supplementary Schedules, and Notes) in relation to the financial statements as a whole. The remainder of the AFR will not be subjected to the auditing procedures applied in our audit of the basic financial statements and we will not express an opinion or provide any form of assurance on them.

The Responsibilities of the Auditors

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and *Government Auditing Standards* issued by the Comptroller General of the United States (GAS). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS. Also, an audit is not designed to detect errors or fraud that are immaterial to the financial statements.

The determination of abuse is subjective; therefore, GAS does not expect us to provide reasonable assurance of detecting abuse.

In making our risk assessments, we consider internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the District's internal control or to identify deficiencies in internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

The Responsibilities of the Auditors (Continued)

We will also communicate to the Board of Education (a) any fraud involving senior management and fraud (whether caused by senior management or other employees) that causes a material misstatement of the financial statements that becomes known to us during the audit, and (b) any instances of noncompliance with laws and regulations that we become aware of during the audit (unless they are clearly inconsequential). Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

The funds that you have told us are maintained by the District and that are to be included as part of our audit will be the same as the funds reported in the District's financial statements, for the year ending June 30, 2017.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that management and when appropriate, the Board of Education, the Superintendent, and the Business Manager, acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and preparation of the AFR, which is prepared using the regulatory basis of accounting as prescribed by the Illinois State Board of Education;
2. To evaluate subsequent events through the date the financial statements are issued or available to be issued, and to disclose the date through which subsequent events were evaluated in the financial statements. Management also agrees that it will not evaluate subsequent events earlier than the date of the management representation letter referred to below;
3. For the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
4. For establishing and maintaining effective internal control over financial reporting, and for informing us of all significant deficiencies and material weaknesses in the design or operation of such controls of which it has knowledge;
5. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
 - b. Additional information that we may request from management for the purpose of the audit; and
 - c. Unrestricted access to persons within the District from whom we determine it necessary to obtain audit evidence.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework
(Continued)

As part of our audit process, we will request from management and, when appropriate, the Superintendent, the Business Manager, and the Board of Education, written confirmation concerning representations made to us in connection with the audit, including among other items:

1. That management has fulfilled its responsibilities as set out in the terms of this letter; and
2. That it believes the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole, if any.

You are also responsible for all management decisions and responsibilities, and for designating an individual with suitable skills, knowledge, and experience to oversee our preparation of your financial statements and any other non-audit services. You are responsible for evaluating the adequacy and results of services performed and accepting responsibility for such services.

Management is responsible for identifying and ensuring that the District complies with the laws and regulations applicable to its activities, and for informing us about all known material violations of such laws or regulations. In addition, management is responsible for the design and implementation of programs and controls to prevent and detect fraud or abuse, and for informing us about all known or suspected fraud or abuse affecting the District involving management, employees who have significant roles in internal control, and others where the fraud or abuse could have a material effect on the financial statements or compliance. Management is also responsible for informing us of its knowledge of any allegations of fraud or abuse, or suspected fraud or abuse, affecting the District received in communications from employees, former employees, analysts, regulators or others.

Management is responsible for the preparation of the supplementary information (RSI, supplementary financial information, and other supplemental information), in accordance with accounting principles generally accepted in the United States of America. Management agrees to include the auditor's report on the supplementary information in any document that contains the supplementary information and indicates that the auditor has reported on such supplementary information. Management also agrees to present the supplementary information with the audited financial statements or, if the supplementary information will not be presented with audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance of the supplementary information and the auditor's report thereon.

The Board of Education is responsible for informing us of its views about the risks of fraud or abuse within the District, and its knowledge of any fraud or abuse or suspected fraud or abuse affecting the District.

You have informed us that, in the event that the District may issue public debt in the future, that you may include our report on your financial statements in the offering statement. You have further informed us that you do not intend for us to be associated with the proposed offering.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework
(Continued)

We agree that our association with any proposed offering is not necessary, provided the District agrees to clearly indicate that we are not associated with the contents of any such official statement or memorandum. The District agrees that the following disclosure will be prominently displayed in any such official statement or memorandum:

Miller, Cooper & Co., Ltd., our independent auditor, has not been engaged to perform, and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. Miller, Cooper & Co., Ltd. also has not performed any procedures relating to this statement or memorandum.

Because of the importance of oral and written representations to an effective engagement, the District hereby releases Miller, Cooper & Co., Ltd., its current, former and future partners, principals, employees, and personnel from any or all claims, liabilities, losses, and expenses attributable to a misrepresentation by District management or false or incomplete information provided by any of the District's personnel or agents to us in the performance of our services. This provision shall survive the termination of this arrangement for services.

Pleasantdale School District 107's Records and Assistance

If circumstances arise relating to the condition of the District's records, the availability of appropriate audit evidence or indications of a significant risk of material misstatement of the financial statements because of error, fraudulent financial reporting or misappropriation of assets which, in our professional judgment, prevent us from completing the audit or forming an opinion, we retain the unilateral right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement. The District agrees that Miller, Cooper & Co., Ltd. shall have no liability for any damages to the District that arise from any actions Miller, Cooper & Co., Ltd. may take pursuant to this paragraph.

During the course of our engagement, we may accumulate records containing data that should be reflected in the District's books and records. The District will determine that all such data, if necessary, will be so reflected. Accordingly, the District will not expect us to maintain copies of such records in our possession.

The assistance to be supplied by District personnel, including the preparation of schedules and analyses of accounts, will be discussed and coordinated with Dr. Catherine Chang, Business Manager. The timely and accurate completion of this work is an essential condition to our completion of the audit and issuance of our audit report.

Pleasantdale School District 107's Records and Assistance (Continued)

In connection with our audit, you have requested us to perform certain non-audit services necessary for the preparation of the financial statements, including drafting of the financial statements and AFR, assistance with modified accrual adjustments, and GASB 34 entries and filing the AFR with the Illinois State Board of Education. The GAS independence standards require that the auditor maintain independence so that opinions, findings, conclusions, judgments and recommendations will be impartial and viewed as impartial by reasonable and informed third parties. Before we agree to provide a non-audit service to the District, we determine whether providing such a service would create a significant threat to our independence for GAS audit purposes, either by itself or in aggregate with other non-audit services provided. A critical component of our determination is consideration of management's ability to effectively oversee the non-audit services to be performed. The District has agreed that Dr. Catherine Chang, Business Manager, possesses suitable skill, knowledge or experience and that the individual understands the non-audit services listed above to be performed sufficiently to oversee them. Accordingly, the management of the District agrees to the following:

1. The District has designated Dr. Catherine Chang, Business Manager, as a senior member of management who possesses suitable skill, knowledge and experience to oversee the services;
2. Dr. Catherine Chang, Business Manager, will assume all management responsibilities for subject matter and scope of the non-audit services listed above;
3. The District will evaluate the adequacy and results of the services performed; and
4. The District accepts responsibility for the results and ultimate use of the services.

GAS further requires that we establish an understanding with the District's management and those charged with governance of the objectives of the non-audit services, the services to be performed, the District's acceptance of its responsibilities, the auditor's responsibilities and any limitations of the non-audit services. We believe this letter documents that understanding.

Any access to requested documentation that may be provided will be under the supervision of Miller, Cooper & Co., Ltd. audit personnel and at a location designated by our firm, and such access shall not affect our ownership of or claim of privilege over these documents.

Claim Resolution

Any claim arising out of services rendered pursuant to this agreement shall be resolved in accordance with the laws of Illinois. The District and Miller, Cooper & Co., Ltd. agree that no claim arising out of services rendered pursuant to this agreement shall be filed more than two years after the date of the audit report issued by Miller, Cooper & Co., Ltd. or the date of this arrangement letter if no report has been issued, without delay in the running of this period based on the time of discovery of the claim. The District and Miller, Cooper & Co., Ltd. agree that neither of their liability to the other for any damages incurred as a result of this engagement, shall exceed the amount paid by you for services under this engagement. This damages limitation shall occur regardless of the nature of the claim, whether in contract, tort or otherwise, and including but not limited to Miller, Cooper & Co., Ltd.'s own negligence, but shall not apply to the extent that Miller, Cooper & Co., Ltd. is found to have acted with willful misconduct or fraudulent behavior. Furthermore, the District agrees that Miller, Cooper & Co., Ltd. shall not under any circumstances be liable for any special, consequential, incidental or exemplary damages or loss (nor any lost profits, taxes, interest, tax penalties savings or business opportunity).
