RE: Oregon AFT/OSEA Literacy Grant

We want to thank OSEA, AFT and First Book Marketplace in supporting literacy for our students here at Garibaldi Grade School!

During the Month of May we used chosen books from First Book Marketplace as incentives for our PBIS (Positive Behavioral Interventions and Supports) program, plus for raffles during our "Bike Bingo" schoolwide reading challenge! Students followed along with their Bingo cards to mark off 5 spaces in a row to earn Bingos. Each Bingo earned a ticket and each student was eligible for up to three tickets! Kids were encouraged to read in different ways, from reading on the beach, reading to a pet or reading with a friend! This fun event was encouraging, made reading fun, meaningful and shows how it can be an integral part of family life.

With AFT's generous donation in collaboration with First Book Marketplace we were able to hand out more than 100 books to our Preschool - 5th grade students at Garibaldi Grade School! Students were able to continue their love for reading by growing their home libraries and as a staff we see the excitement when students receive books to call their own!

At the June 6th School Awards Assembly, 4 lucky students will be awarded with a brand new bike for participating in the reading challenge!

GGs introduced the "Bike Bingo" reading challenge with flyers sent home with families and promoted on the Neah-Kah-Nie Facebook Page, encouraging families to read together and enter. GGS will also share the impact statement for the June 2024 Neah-Kah-Nie school board meeting.

Thank you again for your support and this wonderful opportunity! You are appreciated!

Sincerely,

Lisa Stanfield, Ashley Carr, & Terry Houchins
