INSPIRE TO DREAM - EMPOWER TO ACHIEVE

## BOARD MEETING MEMORANDUM

**Board Meeting Date:** February 17, 2026

**From:** Dr. Maria Treto-French, Assistant Superintendent/CFO/CSBO

**Re:** Annual Serious Safety Hazard Review

**Attachment:** Serious Safety Hazards Antioch CCD 34

**Agenda Location:** Consideration to Approve: Action Items

---

### **Rationale:**

Board Policy states, 'The District shall provide free transportation for any student in the District who resides...within one and one-half miles from their assigned school where walking to school or to a pick-up point or bus stop would constitute a serious hazard due to vehicular traffic or rail crossing and adequate public transportation is not available.' Additionally, the Board must annually reaffirm that the conditions of the safety hazards on file have not changed so that the students affected may be claimed on the Illinois State Transportation Claim.

Attached is the current list of serious safety hazards the district has previously approved. There has been no change to the list in the last year.

### **Recommendation/Motion:**

The Administration recommends that the Board approve the Serious Safety Hazard Determinations list for the 2026-2027 school year.
