

Admissions**

The Board is committed to providing an educational program for all students living in the district. The Board believes all students living in the district who have not completed 12 years of education should attend school regularly full-time and be included in the available educational programs.

Special Education

Special education students shall be served from ages 0 to 21, unless the student has received a regular high school diploma.

Nonspecial Education

A student not needing special education shall be served between ages 5 and 19 or may be served until age 21 if the student is still working toward a diploma.

State law requires a student whose sixth birthday is on or before September 1 to enroll in a public school; and recognizes a student who is age five on or before September 1 to be kindergarten age.

All new students must register in the school office. Registration requirements include proof of the student's birth date (e.g., a birth certificate, a hospital record or a baptismal record) and immunization records as required by law. Students admitted to any grade must show evidence of completing the prior school years.

Students enrolled in the district shall comply with Oregon laws related to age, residence, health, attendance and immunization.

Students located in the district shall not be excluded from admission solely because the student does not have a fixed regular and adequate nighttime residence or solely because the student is not under the supervision of a parent.

Admission of Resident Students

School-age students who live within the district attendance area may attend school without paying tuition.

1. Residents over age 19 may be admitted with the approval of the superintendent and upon payment of tuition at the rate established by the Board. Students who turn 19 years of age during the school year shall continue to be eligible for a free and appropriate public education for the remainder of the school year.
2. The Board may admit otherwise eligible students who are not receiving special education and who have not yet attained 21 years of age prior to the beginning of the current school year if they are shown to be in need of additional education in order to receive a diploma. These students may attend school without paying tuition for the remainder of the school year.

3. The Board shall admit otherwise eligible students who have not yet attained age 21 prior to the beginning of the current school year, if the student is receiving special education services and:
 - a. Has not yet received a regular high school diploma; or
 - b. Has received a modified diploma, an extended diploma or an alternative certificate.

A student living in the district who has attained the age of majority is considered a resident of the district.

A minor student living with a parent who resides in the district is considered a resident of the district.

A student who is a ward of the court and who is placed in the district is a resident of the district.

Final determination on any remaining questions of residency of a student shall be made by the State Superintendent of Public Instruction.

Admissions** (Version 1)

All persons seeking admission to the district must satisfactorily meet all academic, age, immunization, tuition and other eligibility prerequisites for admission as set forth in state and federal law, Board policy and administrative regulations. All candidates for admission will be informed of admission requirements.

Students located in the district shall not be excluded from admission solely because the student does not have a fixed place of, regular and adequate nighttime residence or solely because the student is not under the supervision of a parent.

Students located in the district shall not be excluded from admission where they are otherwise eligible, and they have not yet attained the age of 19 prior to the beginning of the current school year.

The district may admit an otherwise eligible person who is not receiving special education and who has not yet attained 21 years of age prior to the beginning of the current school year if the person is shown to be in need of additional education in order to receive a diploma.
