RE: 2025-2026 Budgetary Spending Approval Request

Each year the district's fiscal year begins on July 1st. However, the official budget is not approved until after October 15th. In preparation for the upcoming 2025-2026 school year, purchasing and payroll needs to begin prior to the official budget approval.

The board is requested to approve necessary payments for the 2025-2026 school year between now and the budget's official approval in late October of 2025.
