

AP Powerboost Program: July 31—August 4

AP Power Boost 2023

AP Powerboost: Program Purpose

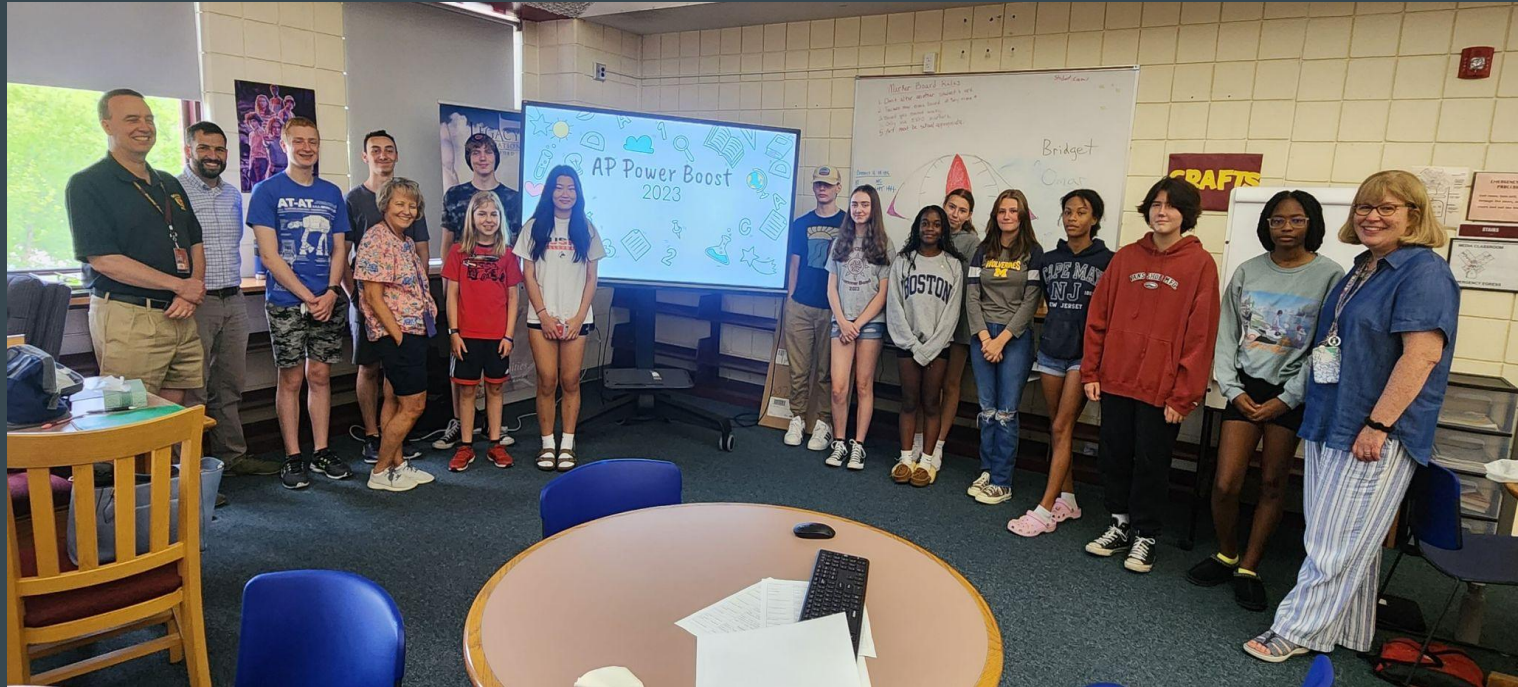

- Began in August 2021 and has run the past three years
- Originally a Plus One request now funded through Q&D funds
- *The purpose of the program is to support students enrolled in Advanced Placement courses who seek to strengthen core academic skills in the humanities and the sciences. The program is primarily designed for students new to the AP experience*
- Provides opportunity for head start in AP by meeting teachers and fellow students and practicing skills and helpful hints to meet with success. The ultimate goal is to aid in the retention of students and facilitate solid academic performance

Program Attendance

2021- 15 students

2022- 21 Students
