TERMS AND CONDITIONS

5th Color Capability

TERMS AND CONDITIONS OF USE:

1. Authorization The 5th color capability (the “Capability”) allows a user to create special print effects, achieve a wider gamut of colors overall, print on many colored papers, and add a printed security feature. For example, Invisible Red toner can be used to incorporate design elements on the print that can act as a security feature because they are only visible under UV light in the 370nm to 390nm wavelength. A user can leverage one 5th color specialty toner at a time and colors available include Clear, White, Neon Pink, Neon Yellow or Invisible Red. Available colors are subject to change. Samples, how-to guides, Instructional videos, and other support materials are available from Ricoh for 5th Color Station customers. Specialty toner colors are not included in this Activation Order Form and require the purchase of specialty toner from Ricoh as needed.
2. Activation Term. **THIS AGREEMENT IS UNCONDITIONAL AND NON-CANCELABLET.** The Capability is licensed for use on a time-limited basis (the “Activation Term”). The Activation Term shall commence on the date on which Ricoh first delivers an invoice for the Capability to Customer and shall continue for the “Initial Term” listed on the cover page hereto.
3. Metric. “Metric” shall mean the number of devices for which you have ordered the Capability, as set forth under “Qty (Devices)” above. The aggregate use of the Capability by you and your users may not exceed the Metric that you have been provided. You may add additional devices during the initial term of this ordering document by executing an addendum or change order. The term of each addendum or change order shall be coterminous with the then-current term irrespective of the effective date of such addendum and all Fees shall be prorated accordingly. Upon renewal of the Activation Term, the term for all Metrics added prior to the renewal shall be the minimum total number of Metrics for the renewal.
4. Payments. Charges for the Capability, including for any new or additional use, modules, features or extensions of the Activation Term that may be requested in subsequent purchase orders, (“Fees”) are payable by you for the full period of the Activation Term, and are quoted and payable in United States dollars, without offset or deduction. Fees will be billed for the Activation Term in advance. All Fees are non-cancellable and non-refundable for the entirety of the Activation Term, and the Metric purchased cannot be decreased during the Activation Term. In addition to the Fees, you shall responsible for and agree to pay all taxes that are, or may in the future be, assessed in connection with the provision or use of the Capability including but not limited to any local, county, state, federal or foreign VAT, sales, use, excise, gross receipts, transfer, personal property or other similar taxes, or duties, or taxes on Internet transactions (“Taxes”). However, you shall not be responsible for paying any Taxes based solely on Ricoh’s net income or property. No refund or credit will be given for any early termination of these Terms. If you fail to pay any Fees within thirty (30) days after the date of the invoice, Ricoh may assess a late charge of 1.5% per month on any unpaid amounts or the maximum allowed by law, whichever is less. In the event of a payment default by you, you agree to pay Ricoh all costs and expenses of collection and enforcement of Ricoh’s rights hereunder, including, but not limited to, reasonable internal and external legal costs, whether or not suit is brought. All remedies hereunder or at law are cumulative.

By signing below, the undersigned represents that he/she is duly authorized to enter into these Terms on behalf of his/her respective entity.

The words "you" and "your" refer to you, our customer. You agree that Ricoh alone is the party to provide all of the services set forth below and is fully responsible to you, the customer, for all of the Service Commitments. The Service Commitments are only applicable to the equipment ("Equipment") described in the Agreement to which these Service Commitments are attached, excluding facsimile machines, single-function and wide-format printers and production units. The Service Commitments are effective on the date the Equipment is accepted by you and apply during Ricoh's normal business hours, excluding weekends and Ricoh recognized holidays. They remain in effect for the Minimum Term so long as no ongoing default exists on your part.

RESPONSE TIME COMMITMENT

Ricoh will provide a quarterly average response time of 2 to 6 business hours for all service calls located within a 30-mile radius of any Ricoh office, and 4 to 8 business hours for service calls located within a 31-60 mile radius for the term of the Agreement. Response time is measured in aggregate for all Equipment covered by the Agreement.

UPTIME PERFORMANCE COMMITMENT

Ricoh will service the Equipment to be Operational with a quarterly uptime average of 96% during Normal Business Hours, excluding preventative and interim maintenance time. Downtime will begin at the time you place a service call to Ricoh and will end when the Equipment is again Operational. You agree to make the Equipment available to Ricoh for scheduled preventative and interim maintenance. You further agree to give Ricoh advance notice of any critical and specific uptime needs you may have so that Ricoh can schedule with you interim and preventative maintenance in advance of such needs. As used in these Service Commitments "Operational" means substantial compliance with the manufacturer's specifications and/or performance standards and excludes customary end-user corrective actions.

PERFORMANCE COMMITMENT

Ricoh is committed to performing these Service Commitments and agrees to perform its services in a manner consistent with the applicable manufacturer's specifications. If Ricoh fails to meet any Service Commitments and in the unlikely event that Ricoh is not able to repair the Equipment in your office, Ricoh, at Ricoh's election, will provide to you either the delivery of a temporary loaner, for use while the Equipment is being repaired at Ricoh's service center, or Ricoh will replace such Equipment with comparable Equipment of equal or greater capability at no additional charge. These are the exclusive remedies available to you under the Service Commitments. Customer's exclusive remedy shall be for Ricoh to re-perform any Services not in compliance with this warranty and brought to Ricoh's attention in writing within a reasonable time, but in no event more than 30 days after such Services are performed. If you are dissatisfied with Ricoh's performance, you must send a registered letter outlining your concerns to the Quality Assurance Department located at: 1738 Bass Road, Macon, GA 31210, Attn: Quality Assurance. Please allow 30 days for resolution.

2) If one or more terms or conditions in the Contract, or the application of any term or condition to any party or circumstance, is held invalid, unenforceable, or illegal in any respect by a final judgment or order of the State Office of Administrative Hearings or a court of competent jurisdiction, the remainder of the Contract and the application of the term or condition to other parties or circumstances shall remain valid and in full force and effect.

D. Assignment

1) DIR may assign the Contract to: i) a successor in interest (for DIR, another state agency as designated by the Texas Legislature), or ii) as necessary to satisfy a regulatory requirement imposed upon a party by a governing body with the appropriate authority.

2) Vendor may assign the Contract with prior written approval to a subsidiary, parent company, affiliate, or successor. Assignment of the Contract by vendor under the above terms shall require written notification by Vendor and a mutually agreed written Contract amendment.

E. Survival

All applicable software license agreements, warranties or service agreements that were entered into between Vendor and a Customer under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Vendor or Order Filler or Reseller shall survive expiration or termination of the Contract for the term of the Purchase Order, unless the Customer terminates the Purchase Order sooner. However, regardless of the term of the Purchase Order, no Purchase Order shall survive the expiration or termination of the Contract for more than five years, unless Customer makes an express finding and justification for the longer term. The finding and justification must either be included in the Purchase Order, or referenced in it and maintained in Customer's procurement record. Rights and obligations under this Contract which by their nature should survive, including, but not limited to the DIR Administrative Fee; and any and all payment obligations invoiced prior to the termination or expiration hereof; obligations of confidentiality; and, indemnification, will remain in effect after termination or expiration hereof.

F. Choice of Law

The laws of the State shall govern the construction and interpretation of the Contract. Exclusive venue for all actions will be in state court, Travis County, Texas. Nothing in the Contract or its Appendices shall be construed to waive the State's sovereign immunity.

G. Limitation of Authority

Vendor shall have no authority to act for or on behalf of the Texas Department of Information Resources or the State except as expressly provided for in this Contract; no other authority, power or use is granted or implied. Vendor may not incur any debts, obligations, expenses, or liabilities of any kind on behalf of the State or DIR.

H. Proof of Financial Stability

Either DIR or Customer may require Vendor to provide proof of financial stability prior to or at any time during the contract term.

I. Data Location

Regardless of any other provision of this Contract or its incorporated or referenced documents, all of the data for State of Texas Customers identified by the State as requiring their data to remain in the continental United States shall remain, and be stored, processed, accessed, viewed, transmitted, and received, always and exclusively within the contiguous United States. A State of Texas Customer can specifically request otherwise. For all local governments and education customers within the State of Texas, as well as Customers outside the State of Texas' jurisdiction, the question of data location shall be at the discretion of such Customers. NOTE: CLIENTS SHOULD CONSIDER WHETHER THEY REQUIRE CONTINENTAL US-ONLY DATA LOCATION AND HANDLING AND MAKE VENDOR AWARE OF THEIR REQUIREMENTS.

5. Intellectual Property Matters

A. Definitions

1) "Work Product" means any and all deliverables produced by Vendor for Customer under a Statement of Work issued pursuant to this Contract, including any and all tangible or intangible items or things that have been or will be prepared, created, developed, invented or conceived at any time following the effective date of the Contract, including but not limited to any (i) works of authorship (such as manuals, instructions, printed material, graphics, artwork, images, illustrations, photographs, computer programs, computer software, scripts, object code, source code or other programming code, HTML code, flow charts, notes, outlines, lists, compilations, manuscripts, writings, pictorial materials, schematics, formulae, processes, algorithms, data, information, multimedia files, text web pages or web sites, other written or machine readable expression of such works fixed in any tangible media, and all other copyrightable works), (ii) trademarks, service marks, trade dress, trade names, logos, or other indicia of source or origin, (iii) ideas, designs, concepts, personality rights, methods, processes, techniques, apparatuses, inventions, formulas, discoveries, or improvements, including any patents, trade secrets and know-how, (iv) domain names, (v) any copies, and similar or derivative works to any of the foregoing, (vi) all documentation and materials related to any of the foregoing, (vii) all other goods, services or deliverables to be provided to Customer under the Contract or a Statement of Work, and (viii) all Intellectual Property Rights in any of the foregoing, and which are or were created, prepared, developed, invented or

conceived for the use or benefit of Customer in connection with this Contract or a Statement of Work, or with funds appropriated by or for Customer or Customer's benefit: (a) by any Vendor personnel or Customer personnel, or (b) any Customer personnel who then became personnel to Vendor or any of its affiliates or subcontractors, where, although creation or reduction-to-practice is completed while the person is affiliated with Vendor or its personnel, any portion of same was created, invented or conceived by such person while affiliated with Customer.

2) "Intellectual Property Rights" means the worldwide legal rights or interests evidenced by or embodied in: (i) any idea, design, concept, personality right, method, process, technique, apparatus, invention, discovery, or improvement, including any patents, trade secrets, and know-how; (ii) any work of authorship, including any copyrights, moral rights or neighboring rights; (iii) any trademark, service mark, trade dress, trade name, or other indicia of source or origin; (iv) domain name registrations; and (v) any other proprietary or similar rights. The Intellectual Property Rights of a party include all worldwide legal rights or interests that the party may have acquired by assignment or license with the right to grant sublicenses.

3) "Statement of Work" means a document signed by Customer and Vendor describing a specific set of activities and/or deliverables, which may include Work Product and Intellectual Property Rights, that Vendor is to provide Customer, issued pursuant to the Contract.

4) "Third Party IP" means the Intellectual Property Rights of any third party that is not a party to this Contract, and that is not directly or indirectly providing any goods or services to Customer under this Contract.

5) "Vendor IP" shall mean all tangible or intangible items or things, including the Intellectual Property Rights therein, created or developed by Vendor (a) prior to providing any Services or Work Product to Customer and prior to receiving any documents, materials, information or funding from or on behalf of Customer relating to the Services or Work Product, or (b) after the Effective Date of the Contract if such tangible or intangible items or things were independently developed by Vendor outside Vendor's provision of Services or Work Product for Customer hereunder and were not created, prepared, developed, invented or conceived by any Customer personnel who then became personnel to Vendor or any of its affiliates or subcontractors, where, although creation or reduction-to-practice is completed while the person is affiliated with Vendor or its personnel, any portion of same was created, invented or conceived by such person while affiliated with Customer.

B. Ownership.

As between Vendor and Customer, the Work Product and Intellectual Property Rights therein are and shall be owned exclusively by Customer, and not Vendor. Vendor specifically agrees that the Work Product shall be considered "works made for hire" and that the Work Product shall, upon creation, be owned exclusively by Customer. To the extent that the Work Product, under applicable law, may not be considered works made for hire, Vendor hereby agrees that the Contract effectively transfers, grants, conveys, assigns, and relinquishes exclusively to Customer all right, title and interest in and to all ownership rights in the Work Product, and all Intellectual Property Rights in the Work Product, without the necessity of any further consideration, and Customer shall be entitled to obtain and hold in its own name all Intellectual Property Rights in and to the Work Product. Vendor acknowledges that Vendor

and Customer do not intend Vendor to be a joint author of the Work Product within the meaning of the Copyright Act of 1976. Customer shall have access, during normal business hours (Monday through Friday, 8AM to 5PM) and upon reasonable prior notice to Vendor, to all Vendor materials, premises and computer files containing the Work Product. Vendor and Customer, as appropriate, will cooperate with one another and execute such other documents as may be reasonably appropriate to achieve the objectives herein. No license or other right is granted hereunder to any Third Party IP, except as may be incorporated in the Work Product by Vendor.

C. Further Actions.

Vendor, upon request and without further consideration, shall perform any acts that may be deemed reasonably necessary or desirable by Customer to evidence more fully the transfer of ownership and/or registration of all Intellectual Property Rights in all Work Product to Customer to the fullest extent possible, including but not limited to the execution, acknowledgement and delivery of such further documents in a form determined by Customer. In the event Customer shall be unable to obtain Vendor's signature due to the dissolution of Vendor or Vendor's unreasonable failure to respond to Customer's repeated requests for such signature on any document reasonably necessary for any purpose set forth in the foregoing sentence, Vendor hereby irrevocably designates and appoints Customer and its duly authorized officers and agents as Vendor's agent and Vendor's attorney-in-fact to act for and in Vendor's behalf and stead to execute and file any such document and to do all other lawfully permitted acts to further any such purpose with the same force and effect as if executed and delivered by Vendor, provided however that no such grant of right to Customer is applicable if Vendor fails to execute any document due to a good faith dispute by Vendor with respect to such document. It is understood that such power is coupled with an interest and is therefore irrevocable. Customer shall have the full and sole power to prosecute such applications and to take all other action concerning the Work Product, and Vendor shall cooperate, at Customer's sole expense, in the preparation and prosecution of all such applications and in any legal actions and proceedings concerning the Work Product.

D. Waiver of Moral Rights.

Vendor hereby irrevocably and forever waives, and agrees never to assert, any Moral Rights in or to the Work Product which Vendor may now have or which may accrue to Vendor's benefit under U.S. or foreign copyright or other laws and any and all other residual rights and benefits which arise under any other applicable law now in force or hereafter enacted. Vendor acknowledges the receipt of equitable compensation for its assignment and waiver of such Moral Rights. The term "Moral Rights" shall mean any and all rights of paternity or integrity of the Work Product and the right to object to any modification, translation or use of the Work Product, and any similar rights existing under the judicial or statutory law of any country in the world or under any treaty, regardless of whether or not such right is denominated or referred to as a moral right.

E. Confidentiality.

All documents, information and materials forwarded to Vendor by Customer for use in and preparation of the Work Product shall be deemed the confidential information of Customer, and subject to the license granted by Customer to Vendor under sub-paragraph H. hereunder. Vendor shall not use, disclose, or permit any person to use or obtain the Work Product, or any portion thereof, in any manner without the prior written approval of Customer.

F. Injunctive Relief.

The Contract is intended to protect Customer's proprietary rights pertaining to the Work Product, and the Intellectual Property Rights therein, and any misuse of such rights would cause substantial and irreparable harm to Customer's business. Therefore, Vendor acknowledges and stipulates that a court of competent jurisdiction may immediately enjoin any material breach of the intellectual property, use, and confidentiality provisions of this Contract, upon a request by Customer, without requiring proof of irreparable injury as same should be presumed.

G. Return of Materials Pertaining to Work Product.

Upon the request of Customer, but in any event upon termination or expiration of this Contract or a Statement of Work, Vendor shall surrender to Customer all documents and things pertaining to the Work Product, including but not limited to drafts, memoranda, notes, records, drawings, manuals, computer software, reports, data, and all other documents or materials (and copies of same) generated or developed by Vendor or furnished by Customer to Vendor, including all materials embodying the Work Product, any Customer confidential information, or Intellectual Property Rights in such Work Product, regardless of whether complete or incomplete. This section is intended to apply to all Work Product as well as to all documents and things furnished to Vendor by Customer or by anyone else that pertain to the Work Product.

H. Vendor License to Use.

Customer hereby grants to Vendor a non-transferable, non-exclusive, royalty-free, fully paid-up license to use any Work Product solely as necessary to provide the Services to Customer. Except as provided in this Section, neither Vendor nor any Subcontractor shall have the right to use the Work Product in connection with the provision of services to its other customers without the prior written consent of Customer, which consent may be withheld in Customer's sole discretion.

I. Third-Party Underlying and Derivative Works.

To the extent that any Vendor IP or Third Party IP are embodied or reflected in the Work Product, or are necessary to provide the Services, Vendor hereby grants to the Customer, or shall obtain from the applicable third party for Customer's benefit, the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license, for Customer's internal business purposes only, to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such Vendor IP or Third Party IP and any derivative works thereof embodied in or delivered to Customer in conjunction with the Work Product, and (ii) authorize others to do any or all of the foregoing. Vendor agrees to notify Customer on delivery of the Work Product or Services if such materials include any Third Party IP. On request, Vendor shall provide Customer with documentation indicating a third party's written approval for Vendor to use any Third Party IP that may be embodied or reflected in the Work Product.

J. Agreement with Subcontracts.

Vendor agrees that it shall have written agreement(s) that are consistent with the provisions hereof related to Work Product and Intellectual Property Rights with any employees, agents, consultants, contractors or subcontractors providing Services or Work Product pursuant to the Contract, prior to their providing such Services or Work Product, and that it shall maintain such

written agreements at all times during performance of this Contract, which are sufficient to support all performance and grants of rights by Vendor. Copies of such agreements shall be provided to the Customer promptly upon request.

K. License to Customer.

Vendor grants to Customer, a perpetual, irrevocable, royalty free license, solely for the Customer's internal business purposes, to use, copy, modify, display, perform (by any means), transmit and prepare derivative works of any Vendor IP embodied in or delivered to Customer in conjunction with the Work Product. The foregoing license includes the right to sublicense third parties, solely for the purpose of engaging such third parties to assist or carryout Customer's internal business use of the Work Product. Except for the preceding license, all rights in Vendor IP remain in Vendor.

L. Vendor Development Rights.

To the extent not inconsistent with Customer's rights in the Work Product or as set forth herein, nothing in this Contract shall preclude Vendor from developing for itself, or for others, materials which are competitive with those produced as a result of the Services provided hereunder, provided that no Work Product is utilized, and no Intellectual Property Rights of Customer therein are infringed by such competitive materials. To the extent that Vendor wishes to use the Work Product, or acquire licensed rights in certain Intellectual Property Rights of Customer therein in order to offer competitive goods or services to third parties, Vendor and Customer agree to negotiate in good faith regarding an appropriate license and royalty agreement to allow for such.

Note: NO EXCEPTIONS OR REVISIONS WILL BE CONSIDERED

A. Manufacturer's Suggested Retail Price (MSRP) or List Price

G. Changes to Prices

Subject to the requirements of this section, Vendor may change the price of any product or service at any time, based upon changes to the MSRP, but discount levels shall remain consistent with the discount levels specified in this Contract.

Vendor may revise its pricing (but not its discount rate, if any, and not the products or services on its contract pricing list) by posting a revised pricing list. Such revised pricing lists are subject to review by DIR. If DIR finds that a product's or service's price has been increased unreasonably, DIR may request Vendor to reduce its pricing for the product or service to the level published before the revision. Vendor must reduce its pricing, or remove the product from its pricing list. Failure to do so will constitute an act of default by Vendor.

4) Termination for Cause

a) Contract

Either DIR or Vendor may issue a written notice of default to the other upon the occurrence of a material breach of any covenant, warranty or provision of the Contract, upon the following preconditions: first, the parties must comply with the requirements of Chapter 2260, Texas Government Code in an attempt to resolve a dispute; second, after complying with Chapter 2260, Texas Government Code, and the dispute remains unresolved, then the non-defaulting party shall give the defaulting party thirty (30) calendar days from receipt of notice to cure said default. If the defaulting party fails to cure said default within the timeframe allowed, the non-defaulting party may, at its option and in addition to any other remedies it may have available, cancel and terminate the Contract. Customers purchasing products or services under the Contract have no power to terminate the Contract for default.

b) Purchase Order

Customer or Order Fulfiller or Reseller may terminate a Purchase Order or other contractual document or relationship upon the occurrence of a material breach of any term or condition: (i) of the Contract, or (ii) included in the Purchase Order or other contractual document or relationship in accordance with Section 4.B.2 above, upon the following preconditions: first, the parties must comply with the requirements of Chapter 2260, Texas Government Code, in an attempt to resolve a dispute; second, after complying with Chapter 2260, Texas Government Code, and the dispute remains unresolved, then the non-defaulting party shall give the defaulting party ten (10) calendar days from receipt of notice to cure said default. If the defaulting party fails to cure said default within the timeframe allowed, the non-defaulting party may, at its option and in addition to any other remedies it may have available, cancel and terminate the Purchase Order. Customer may immediately suspend or terminate a Purchase Order without advance notice in the event Vendor fails to comply with confidentiality, privacy, security requirements, environmental or safety laws or regulations, if such non-compliance relates or may relate to vendor provision of goods or services to the Customer.

5) Immediate Termination or Suspension

Note: NO EXCEPTIONS OR REVISIONS WILL BE CONSIDERED

DIR may immediately suspend or terminate this Contract without advance notice if DIR receives notice or knowledge of potentially criminal violations by Vendor or Order Fulfiller or Reseller (whether or not such potential violations directly impact the provision of goods or services under this Contract). In such case, the Vendor or Order Fulfiller or Reseller may be held ineligible to receive further business or payment but may be responsible for winding down or transition expenses incurred by Customer. DIR or Customer will use reasonable efforts to provide notice (to the extent allowed by law) to vendor within five (5) business days after imposing the suspension or termination. Vendor may provide a response and request an opportunity to present its position. DIR or Customer will review vendor presentation, but is under no obligation to provide formal response.

6) Customer Rights Under Termination

Note: NO EXCEPTIONS OR REVISIONS WILL BE CONSIDERED

The Purchase Order survives the expiration or termination of the Contract for its then effective term.

7) Vendor or Order Fulfiller or Reseller Rights Under Termination

Note: NO EXCEPTIONS OR REVISIONS WILL BE CONSIDERED

In the event a Purchase Order expires or is terminated, a Customer shall pay: 1) all amounts due for products or services ordered prior to the effective termination date and ultimately accepted, and 2) any applicable early termination fees agreed to in such Purchase Order.

C. Force Majeure

DIR, Customer, or Order Fulfiller or Reseller may be excused from performance under the Contract for any period when performance is prevented as the result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party experiencing the event of Force Majeure has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance and to shorten the duration of the event of Force Majeure. The party suffering an event of Force Majeure shall provide notice of the event to the other parties when commercially reasonable. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination. However, a Customer may terminate a Purchase Order if it is determined by the Customer that Order Fulfiller or Reseller will not be able to deliver product or services in a timely manner to meet the business needs of the Customer.

***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.284 are:

- **11.2 percent for heavy construction other than building contracts,**
- **21.1 percent for all building construction, including general contractors and operative builders' contracts,**
- **32.9 percent for all special trade construction contracts,**
- **23.7 percent for professional services contracts,**
- **26.0 percent for all other services contracts, and**
- **21.1 percent for commodities contracts.**

- - Agency Special Instructions/Additional Requirements - -

*In accordance with 34 TAC §20.285(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent **does not** have a **continuous contract*** in place for **more than five (5) years** shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.*

Respondent understands and agrees that, if awarded any portion of the requisition:

The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. - The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

HUB status code “A” signifies that the company is a Texas certified HUB.
- b.** List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company's Texas Vendor Identification (VID) Number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

1. **Definitions.** Capitalized terms used in this Appendix and not otherwise defined will have the meanings set forth in the Contract.
- (a) “Assets” refers to the Products as allowed within the Contract, including the Hardware, Software, and related Services, which are specifically identified on the applicable Schedule. Assets includes any items associated with the foregoing, including but not limited to all parts, replacements, additions, repairs, and attachments incorporated therein and/or affixed thereto, and documentation (technical and/or user manuals).
 - (b) “Contract” refers to DIR Contract number DIR-CPO-4435 into which this Appendix is incorporated.
 - (c) “Event of Default” is defined in Section 23, “Default.”
 - (d) “Event of Loss” means an event of loss, theft, destruction or damage of any kind to any item of the Assets, including the loss, theft or taking by governmental action of any item of the Assets for a stated period extending beyond the Term of any Schedule.
 - (e) “Hardware” refers to the computer machinery and equipment specifically identified on the applicable Schedule.
 - (f) “Lease” means the financing transaction described in this MOLA.
 - (g) “Lessee” means any Texas state agency, unit of local government, institution of higher education as defined in Section 2054.003 (8-a), Texas Government Code, and those state agencies purchasing from a DIR contract through an Interagency Agreement, as authorized by Chapter 771, Texas Government Code, any local government as authorized through the Interlocal Cooperation Act, Chapter 791, Texas Government Code, and the state agencies and political subdivisions of other states as authorized by Section 2054.0565, Texas Government Code.
 - (h) “Lessor” means the Vendor identified in the Contract.
 - (i) “MOLA” means this Master Operating Lease Agreement (Appendix D). Any reference to “MOLA” includes the Contract, the Opinion of Counsel, and any riders, amendments and addenda thereto, and any other documents as may from time to time be made a part hereof upon mutual agreement in a writing signed by authorized representatives of both parties.
 - (j) “Rent Payment” means the amount payable by Lessee for the Assets as specified in the applicable Schedule.
 - (k) “Schedule” or “Supplementary Schedule” to this MOLA means the form or format entered into between Lessor and Lessee which contains, at a minimum, a description of the Assets, the name of the Lessee,

applicable Rent Payment, and term of the Lease. To be effective, a Schedule must be executed by both Lessor and Lessee.

- (l) "Services" refers to the configuration, installation, implementation, support, training, and other professional and consulting services specifically identified on the applicable Schedule.
- (m) "Software" refers to the computer programs specifically identified on the applicable Schedule.
- (n) "Stipulated Loss Value" is the value of each unit of Hardware at various times during the Lease as specified in the applicable Schedule; however, in no event will the Stipulated Loss Value of a Hardware unit exceed its fair market value.

2. Lease.

- (a) Lessor and Lessee intend that this MOLA constitute an operating lease and a true lease as those terms are defined in the Statement of Financial Accounting Standards No. 13 and as provided for under the Uniform Commercial Code – Leases, Tex. Bus. & Comm. Code Article 2A. Under no circumstances shall this MOLA or any Schedules entered into under it be construed as a "finance lease" as defined in Tex. Bus. & Comm. Code § 2A.103 (7). In addition, Lessor acknowledges that Lessee is not a "merchant lessee" for purposes of Tex. Bus. & Comm. Code § 2A.511.
- (b) Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the Assets described on each Schedule. Each such Schedule constitutes a separate agreement between Lessor and Lessee. In addition, each Schedule is subject to the terms and conditions of this MOLA as if a separate MOLA were executed for such Schedule by the parties.
- (c) In the event of Lessee's rightful rejection of the Assets as specified in Section 10 ("Inspection and Acceptance") of this MOLA, Lessee shall have the right, at its sole option, to cancel this Lease as to the rejected Assets or as to all of the Assets to be leased under the Schedule applicable to such Assets. Upon cancellation, Lessee shall have no obligations under this MOLA with respect to the portion of this Lease so cancelled.
- (d) Each Lessee has made an independent legal and management determination to enter into each Schedule. DIR has not offered or provided any legal or management advice to Lessor or to any Lessee under any Schedule. Lessee may negotiate additional terms or more advantageous terms with Lessor to satisfy individual procurements in which case such terms shall be set forth in a Rider to the MOLA or the Schedule. To the extent that any of the provisions of the MOLA conflict with any of the terms contained in any Schedule, the terms of this MOLA shall control.
- (e) If more than one Lessee is named in a Schedule, the liability of each named Lessee shall be joint and several. However, unless DIR leases Assets for its own use, DIR is not a party to any Schedule executed under this MOLA and is not responsible for Rent Payments or any other obligations under such Lessee's Schedule. The invalidation, fulfillment, waiver, termination, or other disposition of any rights or obligations of either a Lessee or Lessor (or both of them) arising from the use of this MOLA in conjunction with any one Schedule shall not affect the status of the rights or obligations of either or both

of those parties arising from the use of this MOLA in conjunction with any other Schedule, except in the Event of Default as provided in Section 23 ("Default") of this MOLA.

3. Term of MOLA.

The term of this MOLA shall commence (a) upon commencement of the term of the Contract, if this MOLA was agreed to under the Contract, or (b) on the Effective Date specified in Amendment Number (XX), if this MOLA is added to the Contract under such Amendment. The term of this MOLA shall continue until the last to occur of the following: (i) the Schedule Term of each Schedule entered into by the parties has expired or been terminated, or (ii) the Contract has expired or been terminated. In the event of any termination or expiration of the Contract or termination of this MOLA, any provisions of the Contract and this MOLA as may be necessary to preserve the rights of Lessor or Lessee hereunder shall survive said termination or expiration.

4. Term of Schedule.

The term for each Schedule agreed to by a Lessee and Lessor under this MOLA shall commence on the date specified in the Lessee Certificate of Acceptance, ~~as described in Section 10,~~. Unless earlier terminated as provided for herein, the Schedule shall continue for the number of whole months or other payment periods set forth in it (the "Schedule Term"). Specifically with respect to Hardware, under no circumstances shall the Schedule Term exceed seventy five percent (75%) of the economic life of the Hardware, nor shall the present value of the Rent Payments for the Hardware on the Schedule Commencement equal or exceed ninety percent (90%) of the value of the Hardware. Lessee shall provide confirmation that its lease of assets satisfies the two foregoing percentage limitations. The Schedule Term may be earlier terminated upon: (i) the non-appropriation of funds pursuant to Section 8 ("Appropriation of Funds") of this MOLA, (ii) an Event of Loss, (iii) an Event of Default by Lessee and Lessor's election to cancel the Schedule pursuant to Section 24 ("Remedies") of this MOLA, (iv) an event of default or other breach of this Agreement by Lessor and Lessee's election to cancel the Schedule pursuant to Section 24 ("Remedies") of this MOLA, or (v) as otherwise set forth herein.

5. Administration of MOLA.

- (a) When a prospective Lessee wishes to lease Assets under this MOLA, the prospect will submit its request directly to Lessor. Lessor shall apply the applicable pricing discounts as stated in Section 4 of the Contract or the price as agreed upon by Lessee and Lessor in the applicable Schedule, whichever is lower and submit the lease proposal to the prospective Lessee. If the prospective Lessee wishes to proceed to lease Assets based on the proposal, Lessor will negotiate the applicable Rent Payment, availability of Assets, and term of the Lease directly with the prospective Lessee.
- (b) With respect to Lessor's obligations under Section 5 of the Contract to report the sale and make payment of the DIR administrative fee as defined in that Section, all leasing activities in conjunction to this MOLA shall be treated as a "purchase sale." Notwithstanding treatment of this Lease as a "purchase sale" as to the transaction between Lessor and DIR under the Contract, however, under no circumstances shall this MOLA be construed as creating anything other than a true lease and operating lease as stated in Section 2 ("Lease") hereof for the transaction(s) between Lessor and Lessee.

- (c) Upon agreement by Lessor and Lessee on the applicable Rent Payment, availability, Lease term, and the like, Lessee may issue a purchase order in the amount indicated on the applicable Schedule to Lessor for the Assets and reference the Contract number on the purchase order. Any pre-printed terms and conditions on the Schedule issued by Lessor (with respect to any item other than the specific Assets which are the subject of the Lease, the Schedule Term, and the Rent Payments), Lessor's order acknowledgement form or the like shall not be effective with respect to the lease of Assets hereunder. Rather, the terms and conditions of this MOLA shall control in all respects.
- (d) Until a Schedule is entered into by Lessor and a Lessee per the process set forth in this MOLA, neither DIR nor any Lessee is obligated under this MOLA to lease Assets from Lessor nor is Lessor obligated under this MOLA to lease Assets to a Lessee.

6. Rent Payments.

- (a) During the Schedule Term and any renewal terms agreed to by Lessee as specified herein, Lessee agrees to pay Lessor the Rent Payments set forth in the relevant Schedule for each Asset. Rent Payments shall be the amount equal to the Rent Payment amount specified in the Schedule multiplied by the amount of the total number of Rent Payments specified therein. Lessee shall pay Rent Payments in the amount and on the due dates specified by Lessor until all Rent Payments and all other amounts due under the Schedule have been paid in full. If the Schedule Commencement Date is other than the first day of a month, Lessee shall make an initial payment on the Schedule Commencement Date in an amount equal to one-thirtieth of the Rent Payment specified in the Schedule for each day from the Schedule Commencement Date (including the Schedule Commencement Date) through the last day of such month (including that day). For example, if a scheduled payment amount is \$3,000 and the Scheduled Commencement date is the 15th of the month, a payment of \$1,500 will be made. Under no circumstances shall the present value of the Rent Payments exceed ninety percent (90%) of the value of the Assets.
- (b) Any amounts received by Lessor from Lessee in excess of Rent Payments and any other sums required to be paid by Lessee shall be refunded to Lessee within ninety (90) calendar days. All Rent Payments shall be paid to Lessor at the address stated on the Schedule or any other such place as Lessor or its assigns may hereafter direct to Lessee. Lessee shall abide by Appendix A, Section 8J of the Contract in making payments to Lessor. Lessor's (including its assignees') remedy for late payments is as set forth in Chapter 2251, Texas Government Code.

Lessee acknowledges and agrees, except as specifically provided for in Section 8 ("Appropriation of Funds") of this MOLA and excluding claims resulting from a breach of Lessor's obligations as set forth in this MOLA or any Schedule or of Lessee's rights under Section 16 ("Quiet Enjoyment") hereof, that Lessee's obligation to pay Rent and other sums payable hereunder, shall not be abated, reduced or subject to offset or diminished as a result of any past, present or future claims Lessee may have against Lessor under this Lease. Notwithstanding the foregoing, nothing in this Section or any other provision of this MOLA shall affect or preclude Lessee from enforcing any and all other rights it may have against Lessor and its assignees under this MOLA or otherwise affect any right Lessee may have against the manufacturer or licensor of the Assets or any party other than Lessor.

7. Liens.

Lessee shall keep the Assets free and clear of all levies, liens and encumbrances, and shall give Lessor immediate notice of any attachment or other judicial process affecting any item of the Assets.

8. Appropriation of Funds.

Lessee intends to continue each Schedule to which it is a party for the Schedule Term and to pay the Rent and other amounts due hereunder. Lessee reasonably believes that legally available funds in an amount sufficient to pay all Rent during the Schedule Term can be obtained. Lessee further intends to act in good faith to do those things reasonably and lawfully within its power to obtain and maintain funds from which the Rent may be paid. Notwithstanding the foregoing, in the event sufficient funds are not appropriated to continue the Schedule Term for any fiscal period (as set forth on the Schedule) of Lessee beyond the fiscal period first in effect at the commencement of the Schedule Term, Lessee may terminate the Schedule with regard to those of the Assets on the Schedule so affected. Lessee shall endeavor to provide Lessor with written notice sixty (60) days prior to the end of its current Fiscal Period confirming which Assets on the Schedule will be so affected by the termination. All obligations of Lessee to make Rent Payments due with respect to those Assets after the end of the Fiscal Period for which such termination applies will cease, all interests of Lessee in those Assets will terminate, Lessee shall surrender those Assets in accordance with Section 15 ("Option to Extend; Surrender of Assets") of this MOLA, and the applicable Schedule shall be deemed amended. Lessee represents and warrants it has adequate funds to meet its obligations during the first fiscal period of the Schedule Term. Lessor and Lessee intend that the obligation of Lessee to make Rent Payments under this MOLA shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general revenues, funds or monies of Lessee or the State of Texas, as applicable, beyond the fiscal period for which sufficient funds have been appropriated to make Rent Payments hereunder.

9. Assignment of Warranties.

Each Schedule is intended to be a true lease and operating lease as defined in Tex. Bus. & Comm. Code Article 2A. Lessor has acquired or will acquire the Assets in connection with this MOLA and hereby agrees to assign to Lessee any warranties provided to Lessor with respect to the Assets during the Term of the applicable Schedule, to the extent the warranties are assignable. Unless Lessor is the manufacturer or is otherwise liable under the Contract, Lessor shall not be liable for damages for any reason for any act or omission of the manufacturer of the Assets. Except as provided in Section 24 ("Remedies") hereof, Lessee acknowledges that none of the following shall relieve Lessee from the obligations under this MOLA during the Schedule Term unless due to Lessor's acts or omissions: (i) Lessee's dissatisfaction with any unit of the Assets, (ii) the failure of an Asset to remain in useful condition for the Schedule Term, or (iii) the loss or right of possession of the Assets (or any part thereof) by Lessee. Lessee shall have no right, title or interest in or to the Assets except the right to use the same upon the terms and conditions herein contained. The Assets shall remain the sole and exclusive personal property of Lessor and not be deemed a fixture whether or not it becomes attached to any real property of Lessee.

10. Inspection and Acceptance.

Promptly upon delivery of the Assets, Lessee will inspect and test the Assets. No later than twenty (20) business days following its date of delivery (or, if the Assets are part of a system, the date of last delivery of the Assets comprising the system), Lessee will execute and deliver either (i) a Certificate of Acceptance, or (ii) written notification of any defects in the Assets. If Lessee has not given notice within such time period, the Assets shall be deemed accepted by Lessee as of the twentieth (20th) business day, as described above. In the event Lessee does not accept the Assets, Vendor will promptly remove the Assets from Lessee's premises and deliver conforming Assets within ten (10) business days thereafter. If conforming Assets are not delivered within that timeframe, Lessee may terminate the Schedule on written notice to Lessor. Lessee's acceptance of any Assets shall not be deemed to waive any rights Lessee may have against the manufacturer or licensor, as applicable. Lessor and its assigns, including either of their respective agents shall have the right to inspect the Assets upon reasonable notice to Lessee and during normal business hours provided that anyone who does so has first executed a non-disclosure agreement acceptable to Lessee.

11. Installation and Delivery; Use of Assets; Repair and Maintenance.

- (a) Except as set forth in this MOLA, all transportation, delivery, installation, and de-installation costs associated with the Assets shall be borne by Lessee. Lessee shall provide a place of installation for the Assets, which conforms to the requirements of the manufacturer and Lessor.
- (b) Subject to the terms hereof, Lessee shall be entitled to use the Assets for the conduct of its business in compliance with all laws, rules, and regulations of the jurisdiction in which the Assets are located. Lessee shall not use or permit the use of the Assets for any purpose for which, according to the specification of the manufacturer, the Assets are not designed.
- (c) Lessee, at its expense, shall take good and proper care of the Hardware and make all repairs and replacements necessary to maintain and preserve the Hardware and keep the Hardware in good order and condition (reasonable wear and tear excepted). Unless Lessor shall otherwise consent in writing, Lessee shall, at its own expense, enter into and maintain in force a maintenance agreement covering each Hardware unit. Lessee shall furnish Lessor with a copy of such agreement, upon request. Lessee shall not make any alterations, additions, or improvements, or add attachments to the Hardware without the prior written consent of Lessor, except for additions or attachments to the Hardware leased by Lessee from Lessor or purchased by Lessee from the manufacturer of the Hardware (or an authorized distributor of the manufacturer) or any other person approved by Lessor. Lessee shall affix on a prominent place on each item of Hardware any tags, decals or labels supplied by Lessor to Lessee which describe the ownership of the Hardware. Subject to the provisions of Section 15(b) under "Option to Extend; Surrender of Hardware and Software Assets," Lessee agrees to restore the Hardware to Return Condition prior to its return to Lessor.

12. Relocation of Hardware and Software.

Except as set forth on the applicable Schedule, Lessee shall at all times keep the Hardware and Software within its exclusive possession and control. Lessee may move the Hardware or Software to another location of Lessee within the continental United States, provided Lessee is not in default on any Schedule and pays all costs associated with such relocation. If such relocation requires Lessor's prior written consent, Lessee

shall obtain such consent prior to relocating the Hardware or Software, as applicable, which consent Lessor shall not unreasonably withhold. Notwithstanding the foregoing, in those situations where consent is otherwise required, Lessee may move the Hardware or Software to another location within Texas without notification to, or the consent of, Lessor; provided, however, that not later than December 31 of each calendar year, Lessee shall provide Lessor a written report detailing the total amount of Hardware and Software at each location of Lessee as of that date, and the complete address for each location. Lessor shall make all filings and returns for property taxes due with respect to the Hardware and Software, and Lessee agrees that it shall not make or file any property tax returns, including information returns, with respect to the Hardware and Software.

13. Taxes.

Unless otherwise agreed by the parties on the applicable Schedule, Lessor will pay any Imposition or file any forms or returns with respect thereto. Lessee shall, when billed, and with copy of Imposition invoice(s) with respect to Assets specified on the Schedule, reimburse Lessor for such payment. For purposes of this paragraph "Impositions" means all taxes, including personal property taxes and fees, without pro-rata as described in the Financial Disclosure Summary Work Sheet (Attachment 1) hereafter imposed, assessed or payable during the term of the relevant Schedule including any extension thereof. Because the reimbursement date for an Imposition may occur after the expiration or termination of the term of the relevant Schedule, it is understood and agreed that Lessee's liability to reimburse for such Impositions shall survive the expiration or termination of the term of the relevant Schedule.

14. Ownership.

The Hardware and Software shall at all times be and remain the sole and exclusive property of Lessor, subject to the parties' rights under any applicable software license agreement. Lessee shall have no right, title or interest in the Hardware except a leasehold interest as provided for herein. Lessee agrees that the Hardware shall be and remain personal property and shall not be so affixed to realty as to become a fixture or otherwise to lose its identity as the separate property of Lessor. Upon Lessor's request, Lessee will enter into agreements necessary to ensure that the Hardware remains the personal property of Lessor.

15. Option to Extend; Surrender of Hardware and Software Assets.

- (a) Not less than ninety (90) days prior to the expiration of the initial Schedule Term, Lessor shall notify Lessee in writing of options to extend the Schedule for continued use of the Hardware or Software specified in that Schedule. If Lessee desires to exercise any of the options offered by Lessor (and provided that, with respect to Hardware, any extension does not exceed seventy five percent (75%) of its economic life), Lessee shall give Lessor irrevocable written notice of the option Lessee intends to exercise at least forty-five (45) days before the expiration of such Schedule Term. In the event the Lease is extended for some but not all of the Hardware and Software specified on a Schedule, the Schedule shall be updated to reflect those changes. At the end of the Schedule Term (as well as with respect to any Hardware and Software not extended as described immediately above), Lessee will surrender and return the Hardware and Software to Lessor in compliance with Section 15(b) below.
- (b) Except as specified otherwise herein, upon the expiration, early termination as provided herein, or final termination of the Schedule, Lessee, at its cost and expense, shall promptly return the Hardware, freight

prepaid, to Lessor in good repair and working order, with reasonably unblemished physical appearance and with no defects which affect the operation or performance of the Hardware ("Return Condition"), reasonable wear and tear excepted. If the Hardware is not in Return Condition, Lessee shall, at its option, either restore the Hardware (at Lessee's cost) to Return Condition or pay for the Hardware at its Stipulated Loss Value if the Hardware is not reasonably repairable. Lessee shall arrange and pay for the de-installation and packing of the Hardware in suitable packaging, and return the Hardware to Lessor at the location specified by Lessor; provided, however, that such location shall be within the United States no farther than 500 miles from the original Lessee delivery location, unless otherwise agreed to on the applicable Schedule. At its option and expense, Lessor shall have the right to supervise and direct the preparation of the Hardware for return. If, upon termination or expiration of the Schedule for any reason, Lessee fails or refuses to return to Lessor a Hardware unit or Software program specified in that Schedule or to pay Lessor the Stipulated Loss Value for a Hardware unit, Lessee shall remain liable for Rent Payments for that unit or program up to the date on which the unit or program is returned to the address specified by Lessor (or on which Lessee has paid Lessor the Stipulated Loss Value). In such event and specifically with respect to the Hardware, Lessor shall also have the right to enter Lessee's premises or any other premises where the Hardware may be found upon reasonable written notice to the Lessee and during normal business hours, and subject to Lessee's reasonable safety and security requirements to take possession of and to remove the Hardware, at Lessee's sole cost and expense, without legal process. Lessee understands that it may have a right under law to notice and a hearing prior to repossession of the Hardware. However, as an inducement to Lessor to enter into a transaction, but only to the extent that Lessee, if a state agency, has statutory authority to do so, Lessee hereby expressly waives all rights conferred by existing law to notice and a hearing prior to such repossession by Lessor or any officer authorized by law to effect repossession and hereby releases Lessor from all liability in connection with such repossession except as provided by Paragraph b. Without waiving the doctrines of sovereign immunity and immunity from suit and to the extent authorized by the Constitution and laws of the State of Texas, Lessee's obligation to return Hardware may, at Lessor's option, be specifically enforced by Lessor.

16. Quiet Enjoyment.

During the Schedule Term, Lessor shall not interfere with Lessee's quiet enjoyment and use of the Assets as long as an Event of Default (as hereinafter defined in Section 23 ("Default") of the MOLA) has not occurred.

17. Warranties regarding the Assets.

Lessor acknowledges that warranties made by the manufacturer or licensor of the Assets, if any, inure to the benefit of Lessee. Lessee agrees to pursue any warranty claim directly against such manufacturer or licensor of the Assets and shall not pursue any such claim against Lessor.

18. No Warranties by Lessor regarding the Assets.

Except as set forth in the Contract, Lessee acknowledges that Lessor is not the manufacturer or licensor of the Hardware or Software Assets. Lessee agrees that Lessor makes no representations or warranties of whatsoever nature, directly or indirectly, express or implied, as to the suitability, durability, fitness for use, merchantability, condition, or quality of the Hardware or Software Assets or any unit thereof. Except to the

extent Lessor is the manufacturer or licensor of the Hardware or Software Assets, Lessee specifically waives all right to make claim against Lessor for breach of any warranty of any kind whatsoever; and with respect to Lessor, Lessee leases the Hardware and Software "as is". Except to the extent Lessor is the manufacturer or licensor of the Hardware or Software Assets, Lessor shall not be liable to Lessee for any loss, damage, or expense of any kind or nature caused directly or indirectly by any Hardware or Software leased hereunder, or by the use or maintenance thereof, or by the repairs, service or adjustment thereto or any delay or failure to provide any thereof, or by any interruption of service or loss of use thereof, or for any loss of business or damage whatsoever and howsoever caused. Lessor agrees to assign to Lessee, upon Lessee's request therefor, any warranty of a manufacturer or licensor or seller relating to the Hardware and Software that may have been given to Lessor.

19. Risk of Loss.

Commencing upon delivery and continuing throughout the Schedule Term, Lessee shall bear the entire risk of loss or damage in respect to the Hardware specified on the Schedule, whether partial or complete, from any cause whatsoever. Lessee shall promptly notify Lessor regarding any Event of Loss. Upon any Event of Loss, Lessee shall, at its option: (a) immediately repair the affected Hardware so that it is in good condition and working order, (b) replace the affected Hardware with identical equipment of at least equal value, in good condition and repair, and transfer clear title thereto to Lessor, or (c) to the extent permitted by law, pay to Lessor, within thirty (30) days of the Event of Loss, an amount equal to the Stipulated Loss Value for such affected Hardware unit, plus any other unpaid amounts then due under the Schedule. If an Event of Loss occurs as to part of the Hardware for which the SLV is paid, a prorated amount of each Rent Payment shall abate from the date the SLV payment is received by Lessor. The SLV shall be an amount equal to the sum of all future Rent Payments from the last Rent Payment date to the end of the Schedule Term with such Rent Payments discounted to present value at the like-term Treasury Bill rate for the remaining Schedule Term in effect on the date of such Event of Loss, or if such rate is not permitted by law, then at the lowest permitted rate.

In the event of a governmental taking of a Hardware unit for an indefinite period or for a stated period, which does not extend beyond the Schedule Term, all obligations of Lessee with respect to such Hardware unit (including payment of Rent) shall continue. So long as Lessee is not in default hereunder, Lessor shall pay to Lessee all sums received by Lessor from the government by reason of such taking.

20. Representations and Warranties of Lessee.

Lessee represents and warrants for the benefit of Lessor and its assigns, and Lessee will provide an opinion of counsel to the effect that, as of the time of execution of the MOLA and each Schedule between Lessor and Lessee:

- (a) Lessee is either a Texas state agency or Texas local government, as defined in Section 2054.003, Texas Government Code (including institutions of higher education as defined in Section 2054.003 (8-a), Texas Government Code) or a state agency purchasing from a DIR contract through an Interagency Agreement, as authorized by Chapter 771, Texas Government Code. Lessee has made an independent legal and management determination to enter into this transaction;

- (b) Each Schedule executed by Lessee has been duly authorized, executed and delivered by Lessee and constitutes a valid, legal and binding true lease and operating lease agreement of Lessee, enforceable in accordance with its terms;
- (c) No approval, consent or withholding of objection is required from any federal or other governmental authority or instrumentality with respect to the entering into or performance by Lessee of any Schedule between Lessor and Lessee;
- (d) The entering into and performance of any Schedule between Lessor and Lessee, this MOLA or any Schedule will not violate any judgment, order, law or regulation applicable to Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon assets of Lessee or on the Hardware or Software leased under any Schedule between Lessor and Lessee pursuant to any instrument to which Lessee is a party or by which it or its assets may be bound;
- (e) To the best of Lessee's knowledge and belief, there are no suits or proceedings pending or threatened against or affecting Lessee, which if determined adversely to Lessee will have a material adverse effect on the ability of Lessee to fulfill its obligations under the MOLA or any Schedule between Lessor and Lessee;
- (f) The use of the Assets is essential to Lessee's proper, efficient and economic operation, and Lessee will sign and provide to Lessor upon execution of each Schedule between Lessor and Lessee hereto written certification to that effect; and
- (g) Lessee represents and warrants that (i) It has authority to enter into any Schedule under this MOLA, (ii) the persons executing a Schedule have been duly authorized to execute the Schedule on Lessee's behalf, (iii) all information supplied to Lessor is true and correct, including all credit and financial information and (iv) it is able to meet all its financial obligations, including the Rent Payments hereunder.

21. Representation and Warranties of DIR.

DIR represents and warrants for the benefit of Lessor and its assigns, and DIR will provide an opinion of counsel to the effect that, as of the time of execution of the MOLA:

- (a) DIR is a State agency as defined in Section 2251.001, Texas Government Code. DIR has not provided Lessee or Lessor with any legal or management advice regarding the MOLA or any Schedule executed pursuant thereto;
- (b) This MOLA has been duly authorized, executed and delivered by DIR and constitutes a valid, legal and binding agreement of DIR, enforceable in accordance with its terms;
- (c) No approval, consent or withholding of objection is required from any federal or other governmental authority or governmental authority or instrumentality with respect to the entering into or performance by DIR of this MOLA;

- (d) The entering into and performance of the MOLA does not violate any judgment, order, law or regulation applicable to DIR or result in any breach of, constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon assets of DIR or on the Hardware or Software pursuant to any instrument to which DIR is a party or by which it or its assets may be bound;
- (e) To the best of DIR's knowledge and belief, there are no suits or proceedings pending or threatened against or affecting DIR, which if determined adversely to DIR will have a material adverse effect on the ability of DIR to fulfill its obligations under the MOLA;
- (f) DIR is authorized to charge and collect the administrative fee as set forth within Section 5 of the Contract; and
- (g) Lessor's payment of the administrative fee to DIR shall not constitute an illegal gratuity or otherwise violate Texas law.

22. Representations and Warranties of Lessor.

Lessor represents and warrants for the benefit of DIR and each Lessee:

- (a) Lessor is an entity authorized and validly existing under the laws of its state of organization, is authorized to do business in Texas, and is not in default as to taxes owed to the State of Texas and any of its political subdivisions;
- (b) The MOLA and each Schedule executed in conjunction to this MOLA have been duly authorized, executed and delivered by Lessor and constitute valid, legal and binding agreements of Lessor, enforceable with respect to the obligations of Lessor herein in accordance with their terms;
- (c) No approval, consent or withholding of objection is required from any federal or other governmental authority or instrumentality with respect to the entering into or performance by Lessor of this MOLA or any Schedule;
- (d) The entering into and performance of the MOLA or any Schedule will not violate any judgment, order, law or regulation applicable to Lessor or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon the assets of Lessor, including the Hardware or Software leased under the MOLA and Schedules thereto, pursuant to any instrument to which Lessor is a party or by which it or its assets may be bound;
- (e) To the best of Lessor's knowledge and belief, there are no suits or proceedings pending or threatened against or affecting Lessor, which if determined adversely to Lessor will have a material adverse effect on the ability of Lessor to fulfill its obligations under the MOLA or any Schedule;
- (f) Lessor acknowledges that DIR and any Lessee that is a state agency, as government agencies, are subject to the Texas Public Information Act, and that DIR and Lessees that are state agencies will comply with such Act, including all opinions of the Texas Attorney General's Office concerning this Act.

23. Default.

Lessee shall be in default under a Schedule upon the occurrence of any one or more of the following events (each an “Event of Default”): (a) nonpayment or incomplete payment by Lessee of Rent or any other sum payable on its due date; (b) Lessee’s material breach of this MOLA, any Schedule, or any applicable software license agreement, which is not cured within thirty (30) days after written notice thereof from Lessor; (c) Lessee’s filing of any proceedings commencing bankruptcy or the taking of other similar action by Lessee under any state insolvency or similar law, (d) the filing of any involuntary petition against Lessee or the appointment of any receiver not dismissed within sixty (60) days from the date of said filing or appointment; (e) subjection of a substantial part of Lessee’s property or any part of the Hardware to any levy, seizure, assignment or sale for or by any creditor or governmental agency; or (f) any representation or warranty made by Lessee in this MOLA, any Schedule or in any document furnished by Lessee to Lessor in connection therewith or with the acquisition or use of the Assets being or becoming untrue in any material respect.

24. Remedies.

(a) Lessor’s Remedies.

- i. Upon the occurrence of an “Event of Default,” Lessor may, in its sole discretion, do any one or more of the following:
 - A. after giving thirty (30) days prior written notice to Lessee of the Event of Default, during which time Lessee shall have the opportunity to cure such Default, terminate any or all Schedules executed by Lessor and the defaulting Lessee;
 - B. without Lessee and DIR waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Texas, Lessor may proceed by appropriate court action to enforce the performance of the terms of the Schedule;
 - C. after giving thirty (30) days prior written notice to Lessee of the Event of Default, during which time Lessee shall have the opportunity to cure such Default, and whether or not the Schedule is terminated, take possession of the Hardware and Software wherever located, without additional demand, liability, court order or other process of law. To the extent permitted by Texas law, Lessee hereby authorizes Lessor, its assigns or the agents of either to enter upon the premises where such Hardware or Software is located or cause Lessee, and Lessee hereby agrees, to return such Hardware and Software to Lessor in accordance with the requirements of Section 15 (“Option to Extend; Surrender of Hardware and Software Assets”) hereof;
 - D. by notice to Lessee, and to the extent permitted by law, declare immediately due and payable and recover from Lessee, as liquidated damages and as a remedy, the sum of:
 - I. the present value of the Rent owed from the earlier of the last date of payment by Lessee or the date Lessor obtains a judgment against Lessee until the end of the Schedule Term plus, if the Hardware is not returned to or repossessed by Lessor, the present value of the

Stipulated Loss Value of the Hardware at the end of the Schedule Term, each discounted at a rate equal to the rate used by Lessor for business opportunity analysis;

- II. without Lessee and DIR waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Texas, costs, fees (including all attorneys' fees and court costs) and expenses associated with collecting said sums; and
- III. interest on (I) from the date of default at 1½% per month or portion thereof (or the highest rate allowable by law, if less) and, on (II) from the date Lessor incurs such fees, costs or expenses.

- ii. Upon return or repossession of the Hardware, Lessor may, if it so decides in its sole discretion, upon notice to Lessee, use reasonable efforts to sell, re-lease or otherwise dispose of such Hardware, in such manner and upon such terms as Lessor may determine in its sole discretion, so long as such manner and terms are commercially reasonable. Upon disposition of the Hardware, Lessor shall credit the Net Proceeds (as defined below) to the damages paid or payable by Lessee. Proceeds upon sale of the Hardware shall be the sale price paid to Lessor less the Stipulated Loss Value in effect as of the date of default. Proceeds upon a re-lease of the Hardware shall be all rents to be received for a term not to exceed the remaining Schedule Term, discounted to present value as of the commencement date of the re-lease at Lessor's current applicable debt rate. Without Lessee and DIR waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Texas, "Net Proceeds" shall be the Proceeds of sale or re-lease as determined above, less all costs and expenses incurred by Lessor in the recovery, storage and repair of the Hardware, in the remarketing or disposition thereof, or otherwise as a result of Lessee's default, including any court costs and attorney's fees and interest on the foregoing at eighteen percent (18%) per annum or the highest rate allowable by law, if less, calculated from the dates such costs and expenses were incurred until received by Lessor. Lessee shall remain liable for the amount by which all sums, including liquidated damages, due from Lessee exceeds the Net Proceeds. Net Proceeds in excess thereof are the property of and shall be retained by Lessor.
- iii. No termination, repossession or other act by Lessor in the exercise of its rights and remedies upon an Event or Default by Lessee shall relieve Lessee from any of its obligations hereunder. No remedy referred to in this Section is intended to be exclusive, but each shall be cumulative and in addition to any other remedy referred to above or otherwise available to Lessor at law or in equity.
- iv. Neither DIR nor non-defaulting Lessees shall be deemed in default under the MOLA or Schedules because of the default of a particular Lessee. Lessor's remedies under this Section 24 shall not extend to DIR and those non-defaulting Lessees.

(b) Lessee's Remedies. Anything herein to the contrary notwithstanding, Lessee shall have all rights provided under Tex. Bus. & Comm. Code § 2A.508 through § 2A.522, including without limitation, the right to cancel a Schedule and recover damages from Lessor in the event of nonperformance of or other default by Lessor hereunder.

- (c) Each party agrees that any delay or failure by the other party to enforce that party's rights under this MOLA or a Schedule does not prevent that party from enforcing its rights at a later time.

25. Notices and Waivers.

- (a) All notices relating to this MOLA shall be delivered to DIR or Lessor as specified in Section 6 of the Contract, or to another representative and address subsequently specified in writing by the appropriate parties hereto. All notices relating to a Schedule shall be delivered in person to an officer of Lessor or Lessee or shall be given by certified or registered mail or overnight carrier to Lessor or Lessee at its respective address shown on the Schedule or to another address subsequently specified in writing by the appropriate parties thereof. DIR, Lessee, and Lessor intend and agree that a photocopy or facsimile of this MOLA or a Schedule and all related documents, including but not limited to the Acceptance Certificate, with their signatures thereon shall be treated as originals, and shall be deemed to be as binding, valid, genuine, and authentic as an original signature document for all purposes.
- (b) A waiver of a specific default shall not be a waiver of any other or subsequent default. No waiver of any provision of this MOLA or a provision of a Schedule shall be a waiver of any other provision or matter, and all such waivers shall be in writing and executed by an officer of the waiving party. No failure on the part of a party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

26. Assignment by Lessor; Assignment or Sublease by Lessee.

- (a) Upon thirty (30) days advance written notice to Lessee and provided that any such assignee expressly assumes Lessor's obligations under this MOLA and each Schedule, Lessor may (i) assign all or a portion of Lessor's right, title and interest in this MOLA and/or any Schedule; (ii) grant a security interest in the right, title and interest of Lessor in the MOLA, any Schedule and/or any Asset; and/or (iii) sell or transfer its title and interest as owner or licensor of the Hardware and Software and/or as Lessor under any Schedule; and DIR and each Lessee leasing Hardware under the MOLA understand and agree that Lessor's assigns may each do the same (hereunder collectively "Assignment"). All such Assignments shall be subject to each Lessee's rights under the Schedule(s) executed between it and Lessor and to DIR's rights under the MOLA. Each Lessee leasing Assets through Schedules under this MOLA and DIR hereby consent to such Assignments and agree to execute and deliver promptly such acknowledgements, Opinions of Counsel and other instruments reasonably requested to effect such Assignment. Lessor shall remain liable for performance under the MOLA and any Schedule(s) executed hereunder to the extent Lessor's assigns do not perform Lessor's obligations under the MOLA and Schedule(s) executed hereunder. Upon any such Assignment, all references to Lessor shall also include all such assigns, whether specific reference thereto is otherwise made herein.
- (b) Lessee will not sell, assign, sublet, pledge or otherwise encumber, or permit a lien to exist on or against any interest in this MOLA or the Assets without Lessor's prior written consent except otherwise permitted under this MOLA; provided, however, that no such prior written consent from Lessor is necessary in the event of a legislative mandate to transfer the MOLA to another state agency.

27. Delivery of Related Documents.

For each Schedule, Lessee will provide the following documents and information satisfactory to Lessor: (a) Certificate of Acceptance (if Acceptance has taken place); (b) Opinion of Counsel; (c) Financial Statements; (d) incumbency certificate; and (e) other documents specified in the applicable Schedule as being reasonably required by Lessor.

28. Miscellaneous.

- (a) Prior to delivery of any Assets, the obligations of Lessor hereunder shall be suspended to the extent that it is hindered or prevented from performing because of causes beyond its control. In such event, the obligation of Lessee to commence Rents for such Assets shall also be suspended.
- (b) Lessor and Lessee acknowledge that there are no agreements or understanding, written or oral, between them with respect to the Assets, other than as set forth in this MOLA, including the Contract, and in each Schedule to which Lessee is a signatory party. Lessor and Lessee further acknowledge that this MOLA, including the Contract, and each Schedule to which Lessee is a party contain the entire agreement between Lessor and Lessee and supersedes all previous discussions and terms and conditions of any purchase orders issued by Lessee, order acknowledgement and other forms issued by Lessor, and the like. DIR and Lessor acknowledge that there are no agreements or understandings, written or oral, between them other than as set forth in this MOLA and the Contract and that both contain the entire agreement between them. The terms and conditions of this MOLA may be amended only by written instrument executed by Lessor and DIR. The terms of a Schedule may only be amended in a writing signed by both Lessee and Lessor.

Appendix E

MASTER LEASE AGREEMENT

1. Scope.

Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor the Equipment described on each Supplementary Schedule (“Schedule”), which is a separate agreement executed from time to time by Lessor and Lessee and makes specific reference to this Master Lease Agreement (“MLA”). The terms and conditions contained herein shall apply to each Schedule that is properly executed in conjunction with this MLA and made subject to such terms and conditions as if a separate MLA were executed for each Schedule by the Lessee. Each Lessee has made an independent legal and management determination to enter into each Schedule. DIR has not offered or given any legal or management advice to the Lessor or to any Lessee under any Schedule. Lessee may negotiate additional terms or more advantageous terms with the Lessor to satisfy individual procurements, such terms shall be developed by the Lessor and Lessee and stated within a Rider to the MLA or the Schedule. To the extent that any of the provisions of the MLA conflict with any of the terms contained in any Schedule, the terms of the Schedule shall control. It is expressly understood that the term “Equipment” shall refer to the Products and any related Services as allowed within said Contract number DIR-CPO-4435, as described on a Schedule and any associated items therewith, including but not limited to all parts, replacements, additions, repairs, and attachments incorporated therein and/or affixed thereto, all documentation (technical and/or user manuals), operating system and application software as needed.

If more than one Lessee is named in a Schedule, the liability of each named Lessee shall be joint and several. However, unless DIR leases Equipment for its own use, DIR is not a party to any Schedule executed under this MLA and is not responsible for Rents, payments or any other obligations under such Lessee’s Schedule. The invalidation, fulfillment, waiver, termination, or other disposition of any rights or obligations of either a Lessee or the Lessor or both of them arising from the use of this MLA in conjunction with any one Schedule shall not affect the status of the rights or obligations of either or both of those parties arising from the use of this MLA in conjunction with any other Schedule, except in the Event of Default as provided in Section 23 of this MLA.

Any reference to “MLA” shall mean this Agreement, including the Opinion of Counsel, and any riders, amendments and addenda thereto, and any other documents as may from time to time be made a part hereof upon mutual agreement by DIR and Lessor.

As to conditions precedent to Lessor’s obligation to purchase any Equipment, (i) Lessee shall accept the MLA terms and conditions as set forth herein and execute all applicable documents such as the Schedule, the Acceptance Certificate, Opinion of Counsel, and any other documentation as may be required by the Lessor that is not in conflict with this MLA, and (ii) there shall be no material adverse change in Lessee’s financial condition except as provided for within Section 7 of this MLA.

2. Term of MLA.

The term of this MLA shall commence on the last date of approval by DIR and Lessor of Amendment Number XXX (XX) and shall continue until (i) the obligations of Lessee under every Schedule are fully discharged, (ii) the full and final expiration date of the Contract, or (iii) either party exercises their termination rights as stated within Appendix A, Section 11B of the Contract. In regards to either the Contract expiration date or Contract termination date or the termination of this MLA, before all obligations of Lessee under every Schedule are fully discharged, such Schedules and such other provisions of the Contract and this MLA as may be necessary to preserve the rights of the Lessor or Lessee hereunder shall survive said termination or expiration.

3. Term of Schedule.

The term for each Schedule, executed in conjunction to this MLA, shall commence on the date of execution of an Acceptance Certificate by the Lessee or twenty (20) days after the delivery of the last piece of Equipment to the Lessee ("Commencement Date"), and unless earlier terminated as provided for in the MLA, shall continue for the number of whole months or other payment periods as set forth in the applicable Schedule Term, commencing on the first day of the month following the Commencement Date (or commencing on the Commencement Date if such date is the first day of the month). The Schedule Term may be earlier terminated upon: (i) the Non-appropriation of Funds pursuant to Section 7 of this MLA, (ii) an Event of Loss pursuant to Section 18 of this MLA, or (iii) an Event of Default by Lessee and Lessor's election to cancel the Schedule pursuant to Section 24 of this MLA.

4. Administration of MLA.

- (a) For requests involving the leasing of Equipment, each potential Lessee will submit its request directly to the Lessor. Lessor shall apply the then current Equipment pricing discounts as stated within the Contract or the price as agreed upon by Lessee and Lessor, whichever is lower. Lessor shall submit the lease proposal and all other applicable documents directly to the potential Lessee and negotiate the Schedule terms directly with the potential Lessee.
- (b) All leasing activities in conjunction to this MLA shall be treated as a "purchase sale" in regards to the requirements of the Lessor to report the sale and make payment of the DIR administrative fee as defined within Section 5 of the Contract.
- (c) Upon agreement by Lessor and Lessee on pricing, availability and the like, Lessee may issue a purchase order in the amount indicated on the Schedule to Lessor for the Equipment and reference said Contract number DIR-CPO-4435 on the purchase order. Any pre-printed terms and conditions on the purchase order submitted by the Lessee shall not be effective with respect to the lease of Equipment hereunder. Rather, the terms and conditions of this MLA and applicable Schedule terms and conditions shall control in all respects.
- (d) Nothing herein shall require the Lessor to use this MLA exclusively with Lessees. Further, this MLA shall not constitute a requirements Agreement and Lessor shall not be obligated to enter into any Schedule for the lease of Equipment with any Lessee.

5. Rent Payments.

During the Schedule Term and any renewal terms, Lessee agrees to pay Lessor Rent Payments. Rent Payments shall be the amount equal to the Rent Payment amount specified in the Schedule multiplied by the amount of the total number of Rent Payments specified therein. Lessee shall pay Rent Payments in the amount and on the due dates specified by Lessor until all Rent Payments and all other amounts due under the Schedule have been paid in full. If the Schedule Commencement Date is other than the first day of a month, Lessee shall make an initial payment on the Schedule Commencement Date in an amount equal to one-thirtieth of the Rent Payment specified in the Schedule for each day from the Schedule Commencement Date (including the Schedule Commencement Date) through the last day of such month (including that day). For example, if a scheduled payment amount is \$3,000 and the Scheduled Commencement date is the 15th of the month, a payment of \$1,500 will be made.

Any amounts received by Lessor from the Lessee in excess of Rent Payments and any other sums required to be paid by the Lessee shall be held as non-interest bearing security for Lessee's faithful performance under the conditions of this MLA and any Schedule. All Rent Payments shall be paid to the Lessor at the address stated on the Schedule or any other such place as the Lessor or its assigns may hereafter direct to the Lessee. Lessee shall abide by Appendix A, Section 8J of the Contract in making payments to the Lessor. Any sum received by the Lessor later than ten (10) business days after its due date will bear interest from such due date at the rate of one-percent (1%) per month (or the maximum rate allowable by law, if less) until paid. Late charges, attorney's fees and other costs or expenses necessary to recover Rent Payments and any other amounts owed by Lessee hereunder are considered an integral part of this MLA.

Each Schedule is a net lease and except as specifically provided herein, Lessee shall be responsible for all costs and expenses arising in connection with the Schedule or Equipment. Lessee acknowledges and agrees, except as specifically provided for in Section 7 of this MLA, that its obligation to pay Rent and other sums payable hereunder, and the rights of Lessor and Lessor's assignees, shall be absolute and unconditional in all events, and shall not be abated, reduced or subject to offset or diminished as a result of any event, including without limitation damage, destruction, defect, malfunction, loss of use, or obsolescence of the Equipment, or any other event, defense, counterclaim or recoupment due or alleged to be due by reason of any past, present or future claims Lessee may have against Lessor, Lessor's assigns, the manufacturer, vendor, or maintainer of the Equipment, or any person for any reason whatsoever.

"Price" shall mean the actual purchase price of the Equipment. Rent Payments shall be adjusted proportionately downward if the actual price of the Equipment is less than the estimate (original proposal), and the Lessee herein authorizes Lessor to adjust the Rent Payments downward in the event of the decrease in the actual Equipment price. However, in the event that the Equipment price is more than the estimate (original proposal), the Lessor may not adjust the Rent Payment without prior written approval of the Lessee.

6. Liens and Taxes.

Lessee shall keep the Equipment free and clear of all levies, liens and encumbrances, except those in favor of Lessor or its assigns, and shall give Lessor immediate notice of any attachment or other judicial process affecting any item of Equipment. Unless Lessee first provides proof of exemption therefrom, Lessee shall promptly reimburse Lessor, upon receipt of an accurate invoice, as an additional sum payable under this MLA, or shall pay directly if so requested by Lessor, all license and registration fees, sales, use, personal

property taxes and all other taxes and charges imposed by any federal, state, or local governmental or taxing authority, from which the Lessee is not exempt, whether assessed against Lessee or Lessor, relating to the purchase, ownership, leasing, or use of the Equipment or the Rent Payments, excluding all taxes computed upon the net income of Lessor. Any tax statement received by the Lessor, for taxes payable by the Lessee, shall be promptly forwarded by the Lessor to the Lessee for payment.

7. Appropriation of Funds.

- (a) This paragraph applies only to Lessees designated as state agencies defined in Section 2054.003, Texas Government Code, including institutions of higher education as defined in Texas Education Code, Section 61.003 and those state agencies utilizing a DIR contract through an Interagency Agreement, as authorized by Chapter 771, Texas Government Code.

Lessee intends to continue each Schedule to which it is a party for the Schedule Term and to pay the Rent and other amounts due thereunder. Lessee reasonably believes that legally available funds in an amount sufficient to pay all Rent during the Schedule Term can be obtained. Lessee further intends to act in good faith to do those things reasonably and lawfully within its power to obtain and maintain funds from which the Rent may be paid. Notwithstanding the foregoing, in the event sufficient funds are not appropriated to continue the Schedule Term for any Fiscal Period (as set forth on the Schedule) of Lessee beyond the Fiscal Period first in effect at the Commencement of the Schedule Term, Lessee may terminate the Schedule with regard to not less than all of the Equipment on the Schedule so affected. Lessee shall endeavor to provide Lessor written notice sixty (60) days prior to the end of its current Fiscal Period confirming the Schedule will be so terminated. All obligations of Lessee to pay Rent due after the end of the Fiscal Period for which such termination applies will cease, all interests of Lessee in the Equipment will terminate and Lessee shall surrender the Equipment in accordance with Section 13 of this MLA. Notwithstanding the foregoing, Lessee agrees, without creating a pledge, lien or encumbrance upon funds available to Lessee in other than its current Fiscal Period, that it will use reasonable efforts to obtain appropriation of funds to avoid termination of the Schedule by taking reasonable and appropriate action including the inclusion in Lessee's budget request for each Fiscal Period during the Schedule Term hereof a request for adequate funds to meet its obligations and to continue the Schedule in force. Lessee represents and warrants it has adequate funds to meet its obligations during the first Fiscal Period of the Schedule Term. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rent hereunder shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general revenues, funds or monies of Lessee or the State of Texas beyond the Fiscal Period for which sufficient funds have been appropriated to pay Rent hereunder.

- (b) This paragraph applies only to Lessees designated as local government entities.

Lessee intends to continue each Schedule to which it is a party for the Schedule Term and to pay the Rent and other amounts due thereunder. Lessee reasonably believes that legally available funds in an amount sufficient to pay all Rent during the Schedule Term can be obtained. Lessee further intends to act in good faith to do those things reasonably and lawfully within its power to obtain and maintain funds from which the Rent may be paid. Notwithstanding the foregoing, in the event sufficient funds

are not appropriated for Lessee to continue the Schedule Term for any Fiscal Period (as set forth on the Schedule) of the Lessee beyond the Fiscal Period first in effect at the commencement of the Schedule Term, the Lessee may terminate the Schedule with regard to not less than all of the Equipment on the Schedule so affected. Lessee shall endeavor to provide Lessor written notice sixty (60) days prior to the end of its current Fiscal Period confirming the Schedule will be terminated. All obligations of Lessee to pay Rent due after the end of the Fiscal Period first in effect at the commencement of the Schedule Term will cease, all interests of Lessee in the Asset(s) will terminate and Lessee shall surrender the Equipment in accordance with Section 13 of this MLA. Notwithstanding the foregoing, Lessee agrees, without creating a pledge, lien or encumbrance upon funds available to Lessee in other than its current Fiscal Period, that it will use reasonable efforts to obtain appropriation of funds to avoid termination of the Schedule by taking reasonable and appropriate action including the inclusion in Lessee's budget request for each Fiscal Period during the Schedule Term hereof a request for adequate funds to meet its obligations and to continue the Schedule in force. Lessee represents and warrants it has adequate funds to meet its obligations during the first Fiscal Period of the Schedule Term.

8. Selection of Equipment.

The Equipment is the size, design, capacity and manufacture selected by Lessee in its sole judgment and not in reliance on the advice or representations of Lessor. No representation by the manufacturer or a vendor shall in any way affect Lessee's duty to pay Rent and perform its other obligations hereunder. Each Schedule is intended to be a "finance lease" as defined in Article 2A of the Uniform Commercial Code. Lessor has acquired or will acquire the Equipment in connection with this MLA. Lessor shall not be liable for damages for any reason, for any act or omission of the supplying manufacturer. Lessor agrees, to the extent they are assignable, to assign the Lessee, without recourse to Lessor, any warranties provided to Lessor with respect to the Equipment during the Term of the applicable Schedule. Lessee acknowledges that neither its dissatisfaction with any unit of Equipment, nor the failure of any of the Equipment to remain in useful condition for the Schedule Term, nor the loss of possession or the right of possession of the Equipment or any part thereof by the Lessee, shall relieve Lessee from the obligations under this MLA or Schedule Term. Lessee shall have no right, title or interest in or to the Equipment except the right to use the same upon the terms and conditions herein contained. The Equipment shall remain the sole and exclusive personal property of the Lessor and not be deemed a fixture whether or not it becomes attached to any real property of the Lessee. Any labels supplied by Lessor to Lessee, describing the ownership of the Equipment, shall be affixed by Lessee upon a prominent place on each item of Equipment.

9. Inspection and Acceptance.

Promptly upon delivery of the Equipment, Lessee will inspect and test the Equipment, and not later than ten (10) business days following the Commencement Date, Lessee will execute and deliver either (i) an Acceptance Certificate, or (ii) written notification of any defects in the Equipment. If Lessee has not given notice within such time period, the Equipment shall be conclusively deemed accepted by the Lessee as of the tenth (10th) business day. Lessor, its assigns or their agents, shall be permitted free access at reasonable times authorized by the Lessee, the right to inspect the Equipment.

10. Installation and Delivery; Use of Equipment; Repair and Maintenance.

- (a) All transportation, delivery, and installation costs associated with the Equipment shall be borne by the Lessee. Lessor is not and shall not be liable for damages if for any reason the manufacturer of the Equipment delays the delivery or fails to fulfill the order by the Lessee's desired timeframe. Any delay in delivery by the manufacturer shall not affect the validity of any Schedule. Lessee shall provide a place of installation for the Equipment, which conforms to the requirements of the manufacturer and Lessor.
- (b) Subject to the terms hereof, Lessee shall be entitled to use the Equipment in compliance with all laws, rules, and regulations of the jurisdiction wherein the Equipment is located and will pay all cost, claims, damages, fees and charges arising out of its possession, use or maintenance. Lessee agrees to solely use the Equipment in the conduct of Lessee's business. Lessee agrees, at its expense, to obtain all applicable permits and licenses necessary for the operation of the Equipment, and keep the Equipment in good working order, repair, appearance and condition (reasonable wear and tear is acceptable). Lessee shall not use or permit the use of the Equipment for any purpose, which according to the specification of the manufacturer, the Equipment is not designed or reasonably suited. Lessee shall use the Equipment in a careful and proper manner and shall comply with all of the manufacturer's instructions, governmental rules, regulations, requirements, and laws, and all insurance requirements, if any, with regard to the use, operation or maintenance of the Equipment.
- (c) Lessee, at its expense, shall take good and proper care of the Equipment and make all repairs and replacements necessary to maintain and preserve the Equipment and keep it in good order and condition. Unless Lessor shall otherwise consent in writing, Lessee shall, at its own expense, enter into and maintain in force a maintenance agreement covering each unit of Equipment. Lessee shall furnish Lessor with a copy of such agreement, upon request. Lessee shall pay all costs to install and dismantle the Equipment. Lessee shall not make any alterations, additions, or improvements, or add attachments to the Equipment without the prior written consent of Lessor, except for additions or attachments to the Equipment purchased by Lessee from the original supplier of the Equipment or any other person approved by Lessor. If Lessee desires to lease any such additions or attachments, Lessee hereby grants to Lessor the right of first refusal to provide such lease financing to Lessee for such items. Subject to the provisions of Section 13B of this MLA, Lessee agrees to restore the Equipment to Return Condition prior to its return to the Lessor.

11. Relocation of Equipment.

Lessee shall at all times keep the Equipment within its exclusive possession and control. Upon Lessor's prior written consent, which shall not be unreasonably withheld, Lessee may move the Equipment to another location of Lessee within the continental United States, provided (i) Lessee is not in default on any Schedule, (ii) Lessee executes and causes to be filed at its expense such instruments as are necessary to preserve and protect the interests of Lessor and its assigns in the Equipment, (iii) Lessee pays all costs of, and provides adequate insurance during such movement, and (iv) Lessee pays all costs otherwise associated with such relocation. Notwithstanding the foregoing, Lessee may move the Equipment to another location within Texas without notification to, or the consent of, Lessor. Provided, however, that not later than December 31 of each calendar year, Lessee shall provide Lessor a written report detailing the total amount of Equipment at each location of Lessee as of that date, and the complete address for each location. Lessor shall make all

filings and returns for property taxes due with respect to the Equipment, and Lessee agrees that it shall not make or file any property tax returns, including information returns, with respect to the Equipment.

12. Ownership.

The Equipment shall at all times be and remain the sole and exclusive property of Lessor, subject to the parties rights under any applicable software license agreement. Lessee shall have no right, title or interest in the Equipment except a leasehold interest as provided for herein. Lessee agrees that the Equipment shall be and remain personal property and shall not be so affixed to realty as to become a fixture or otherwise to lose its identity as the separate property of the Lessor. Upon request, Lessee will enter into any and all agreements necessary to ensure that the Equipment remain the personal property of Lessor.

13. Purchase and Renewal Options; Location and Surrender of Equipment.

- (a) Not less than ninety (90) days prior to the expiration of the initial Schedule Term Lessor shall notify Lessee of options for continued use of Equipment. Lessee shall have the option to: (i) renew the Schedule as to all but not less than all of the Equipment, or (ii) purchase all but not less than all of the Equipment for cash or by the Lessor's acceptance of a purchase order from Lessee upon the last business day on or prior to the expiration of the Schedule Term thereof for a price equal to the amount set forth in the Schedule. If the Fair Market Value (FMV) Purchase Option was selected on the Schedule, the FMV shall be determined on the basis of and shall be equal in amount to, the value which would be obtained in an arms-length transaction between an informed and willing buyer-user (other than a used equipment dealer), who would be retaining the Equipment as part of its current operations, in continuing and consistent use, and an informed and willing seller under no compulsion to sell, and in such determination, costs of removal from the location of current use shall not be a deduction from such value. If Lessee desires to exercise either option, it shall give Lessor irrevocable written notice of its intention to exercise such option at least sixty (60) days (and not more than 180 days) before the expiration of such Schedule Term. In the event that Lessee exercises the purchase option described herein, upon payment by Lessee to Lessor of the purchase price for the Equipment, together with all Rent Payments and any other amounts owing to Lessor hereunder, Lessor shall transfer to Lessee without any representation or warranty of any kind, express or implied, title to such Equipment. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, IF LESSEE FAILS TO NOTIFY LESSOR OF ITS INTENT WITH RESPECT TO THE EXERCISE OF THE OPTIONS DESCRIBED IN THIS SECTION 13 WITHIN THE TIME FRAMES CONTEMPLATED HEREIN, THE INITIAL SCHEDULE TERM SHALL BE TERMINATED ON THE DATE AS STATED IN THE SCHEDULE.
- (b) The Equipment shall be delivered to and thereafter kept at the location specified in the Schedule and shall not be removed therefrom without Lessor's prior written consent and in accordance with Section 11 of this MLA. Upon the expiration, early termination as provided herein, or upon final termination of the Schedule, upon at least ninety (90) days prior written notice to Lessor, Lessee at its cost and expense, shall immediately disconnect, properly package for transportation and return all (not part) of the Equipment (including, without limitation, all service records and user manuals), freight prepaid, to Lessor in good repair, working order, with unblemished physical appearance and with no defects which affect the operation or performance of the Equipment ("Return Condition"), reasonable wear and tear excepted. Lessee shall, at Lessor's request, affix to the Equipment, tags, decals or plates furnished by Lessor indicating Lessor's ownership and Lessee shall not permit their removal or concealment. Lessee

shall return the Equipment to Lessor at a location specified by Lessor, provided, however, such location shall be within the United States no farther than 500 miles from the original Lessee delivery location, unless otherwise agreed to on the applicable Schedule. If the Equipment is not in Return Condition, Lessee shall remain liable for all reasonable costs required to restore the Equipment to Return Condition. Lessee shall arrange and pay for the de-installation and packing of the Equipment and the de-installation shall be performed by manufacturer-certified technicians, approved by Lessor and the Lessor shall have the right to supervise and direct the preparation of the Equipment for return. IF, UPON TERMINATION OR EXPIRATION OF THE SCHEDULE FOR ANY REASON, LESSEE FAILS OR REFUSES FORTHWITH TO RETURN AND DELIVER THE EQUIPMENT TO LESSOR, LESSEE SHALL REMAIN LIABLE FOR ANY RENT PAYMENTS ACCRUED AND UNPAID WITH RESPECT TO ALL OF THE EQUIPMENT ON THE SCHEDULE AND SHALL PAY RENT UP TO THE DATE THAT THE EQUIPMENT IS RETURNED TO THE ADDRESS SPECIFIED BY LESSOR. Notwithstanding the foregoing, Lessor shall have the right, without notice or demand, to enter Lessee's premises or any other premises where the Equipment may be found and to take possession of and to remove the Equipment, at Lessee's sole cost and expense, without legal process. Lessee understands that it may have a right under law to notice and a hearing prior to repossession of the Equipment. As an inducement to Lessor to enter into a transaction, but only to the extent that Lessee, if a state agency, has statutory authority to do so, Lessee hereby expressly waives all rights conferred by existing law to notice and a hearing prior to such repossession by Lessor or any officer authorized by law to effect repossession and hereby releases Lessor from all liability in connection with such repossession. Without waiving the doctrines of sovereign immunity and immunity from suit and to the extent authorized by the constitution and laws of the State of Texas, Lessee's obligation to return Equipment may, at Lessor's option, be specifically enforced by Lessor.

14. Quiet Enjoyment.

During the Schedule Term, Lessor shall not interfere with Lessee's quiet enjoyment and use of the Equipment provided that an Event of Default (as hereinafter defined in Section 23 of the MLA) has not occurred.

15. Warranties.

Lessor and Lessee acknowledge that manufacturer Equipment warranties, if any, inure to the benefit of the Lessee. Each Lessee leasing Equipment through Schedules under this MLA and DIR hereby consent to such Assignments and agree to execute and deliver promptly such acknowledgements, Opinions of Counsel and other instruments reasonably requested to effect such Assignment. Each Lessee leasing Equipment through Schedules under this MLA and DIR acknowledge that the assigns do not assume Lessor's obligations hereunder and agree to make all payments owed to the assigns without abatement and not to assert against the assigns any claim, defense, setoff or counterclaim which DIR or the Lessee(s) may possess against the Lessor or any other party for any other reason. Upon any such Assignment, all references to Lessor shall also include all such assigns, whether specific reference thereto is otherwise made herein.
- (b) **LESSEE WILL NOT SELL, ASSIGN, SUBLET, PLEDGE OR OTHERWISE ENCUMBER, OR PERMIT A LIEN TO EXIST ON OR AGAINST ANY INTEREST IN THIS LEASE, OR THE EQUIPMENT, OR REMOVE THE EQUIPMENT FROM ITS LOCATION REFERRED TO ON THE SCHEDULE, WITHOUT LESSOR'S PRIOR WRITTEN CONSENT EXCEPT AS PROVIDED IN SECTION 11 OF THIS MLA. LESSOR MAY ASSIGN ITS INTEREST IN THIS LEASE AND SELL OR GRANT A SECURITY INTEREST IN ALL OR ANY PART OF THE EQUIPMENT WITHOUT LESSEE'S CONSENT. LESSEES THAT ARE STATE AGENCIES, WITHOUT WAIVING THE DOCTRINE OF SOVEREIGN IMMUNITY AND IMMUNITY FROM SUIT, AND ONLY AS MAY BE AUTHORIZED BY THE CONSTITUTION AND LAWS OF THE STATE OF TEXAS, AGREE THAT IN ANY ACTION BROUGHT BY AN ASSIGNEE AGAINST LESSEE TO ENFORCE LESSOR'S RIGHTS HEREUNDER, LESSEE WILL NOT ASSERT AGAINST SUCH ASSIGNEE AND EXPRESSLY WAIVES AS AGAINST ANY ASSIGNEE, ANY BREACH OR DEFAULT ON THE PART OF LESSOR HEREUNDER OR ANY OTHER DEFENSE, CLAIM OR SET-OFF WHICH LESSEE MAY HAVE AGAINST LESSOR EITHER HEREUNDER OR OTHERWISE. 29. Security Interest and UCC Filings.

To secure payments hereunder, Lessor reserves and Lessee hereby grants to Lessor a continuing security interest in the Equipment and any and all additions, replacements, substitutions, and repairs thereof. When all of the Lessee's obligations under this MLA and respective Schedules have been fully paid and satisfied, Lessor's security interest shall terminate. Nothing contained herein shall in any way diminish Lessor's right, title, or interest in or to the Equipment. Lessor and Lessee agree that a reproduction of this MLA and/or any associated Schedule may be filed as a financing statement and shall be sufficient as a financing statement under the Uniform Commercial Code ("UCC"). Lessee hereby appoints Lessor, its agents, successors or assigns its true and lawful attorney-in-fact for the limited purpose of executing and filing on behalf of Lessee any and all UCC Financing Statements which in Lessor's sole discretion are necessary or proper to secure Lessor's interest in the Equipment in all applicable jurisdictions. Lessee shall execute or obtain and deliver to Lessor, upon Lessor's request, such instruments, financing statements and assurances, as Lessor deems necessary or advisable for the protection or perfection of this Lease and Lessor's rights hereunder and will pay all costs incident thereto.

DIR Contract No. DIR-CPO-4435 and this Maintenance & Sale Agreement (the "Agreement") sets forth the specific terms and conditions under which Ricoh USA, Inc. ("Ricoh" and/or "Vendor") agrees to sell the specific equipment and/or hardware ("Products") identified on an Order (defined below) entered into hereunder and/or provide maintenance services for the specific items of equipment identified on an Order ("Services") entered into hereunder to Customer (defined above) from time to time. Either party may terminate the arrangement contemplated by this Agreement at any time upon prior written notice to the other in accordance to Appendix A, Section 11.B of DIR Contract No. DIR-CPO-4435. Termination of this Agreement shall not, however, alter or otherwise modify the rights or obligations of the parties with respect to any Order Form (each an "Order") placed and accepted prior to such termination.

The following terms shall apply to all Service transactions:

1. **Services.** (a) In order to obtain Services from Ricoh hereunder, Customer will either (i) execute an Order (in a form to be provided and executed by Ricoh) referencing DIR-CPO-4435 and this Agreement, or (ii) issue a valid and signed purchase order to Ricoh (each referred to in this Agreement as an "Order"). Each Order must identify the specific equipment to be serviced, the term of the Service engagement, the location at which Services shall be performed and the applicable Service charges for such order and must include the words, "DIR Contract No. DIR-CPO-4435". Ricoh will not be responsible to provide Services for equipment, for terms or locations not identified on the Order accepted by Ricoh.

(b) As part of its Services, Ricoh will repair or replace in accordance with the terms and conditions of DIR Contract No. DIR-CPO-4435, this Agreement, and the manufacturer's specifications, any part of the serviced equipment that becomes unserviceable due to normal usage (other than consumable supplies). Replacement parts will be furnished on an exchange basis and will be new, reconditioned or used. All parts removed due to replacement will become the property of Ricoh.

(c) The Services provided by Ricoh under an Order will not include the following: (i) repairs resulting from misuse (including without limitation improper voltage or the use of supplies that do not conform to the manufacturer's specifications) or the failure to provide, or the failure of, adequate electrical power, air conditioning or humidity control; (ii) repairs made necessary by service performed by persons other than Ricoh representatives; (iii) service calls or work which Customer requests to be performed outside of regular Ricoh business hours (unless covered under an extended hour service contract) and Service calls or work which Customer requests to be performed on Ricoh holidays; (iv) removable cassette, copy cabinet, exit trays, or any item not related to the mechanical or electrical operation of the serviced equipment; (v) consumable supplies such as paper, clear toner and white toner, unless expressly provided for in the Order; (vi) repairs and/or service calls resulting from attachments not purchased from Ricoh; (vii) any software, system support or related connectivity unless specified in writing by Ricoh; (viii) parts no longer available from the applicable manufacturer; (ix) electrical work external to the serviced equipment, including problems resulting from overloaded or improper circuits; (x) installation or de-installation and/or movement of the serviced equipment from one location to another unless specified in writing by Ricoh; (xi) repairs of damage or increase in service time caused by force majeure events; (xii) reconditioning and similar major overhauls of equipment; (xiii) any obligation to remove, delete, preserve, maintain or otherwise safeguard any information, images or content retained by or resident in any equipment, whether through a digital storage device, hard drive or other electronic medium ("Data Management Services"), unless Customer engages Ricoh to perform such Data Management Services and Customer to be charged in accordance to Appendix C, Pricing Index of DIR Contract No. DIR-CPO-4435; and (xiv) engineering changes which provide additional capabilities to the Ricoh Equipment (defined in Section 13) covered herein unless made at Customer's request and paid in accordance to Appendix C, Pricing Index of DIR Contract No. DIR-CPO-4435. Notwithstanding the foregoing in clause (x), initial equipment installation and/or final disposition de-installation of the equipment and transportation each way is included at no cost to Customer. Damage to serviced equipment or parts arising from causes beyond the control of Ricoh are not covered by this Agreement or any Order. Additionally, service necessitated as a result of inadequate key operator involvement, operator caused damage, lack of recommended service, or use of inadequate or incompatible supplies may result in Service being rendered on a time-and-material basis in addition to the Service Charges.

2. **Service Calls.** Service calls will be made during normal business hours at the installation address shown on the applicable Order exclusive of State of Texas published holidays listed on the Texas Comptroller of Public Accounts website at: http://www.window.state.tx.us/taxinfo/state_holidays.html. Travel is not an allowable charge under this Contract and labor-time for the service calls after normal hours, on weekends and on holidays, if and when available and only in the event and to the extent that Ricoh agrees to provide such non-standard coverage, will be charged in accordance to Appendix C, Pricing Index of DIR Contract No. DIR-CPO-4435. Ricoh representatives will not handle, disconnect or repair unauthorized attachments or components. Customer is responsible for disconnecting and re-connecting unauthorized attachments or components. While on-site at any Customer location, Ricoh personnel shall comply with Customer's reasonable policies pertaining to access, security and use of Customer sites and systems, provided that such policies are provided to Ricoh in advance and in writing and do not conflict with the terms and conditions of DIR Contract No. DIR-CPO-4435 and this Agreement.

3. **Reserved.**

4. **Term.** Each Order shall become effective on the effective date of the Order and shall continue for the term identified in the Order. Notwithstanding the foregoing, pricing shall be in accordance with Appendix C of DIR Contract No. DIR-CPO-4435. Termination shall be in accordance with Appendix A, Section 11.B of DIR Contract No. DIR-CPO-4435.

5. **Service Charges.** (a) Service charges ("Service Charges"), will be set forth in accordance with Appendix C of DIR Contract No. DIR-CPO-4435. Service Charges will not include any charges for repairs or Service that are otherwise covered by the applicable manufacturer's limited warranty during the period covered by any such warranty, to the extent Ricoh has agreed with such manufacturer not to charge its customer for any such charges. Customer acknowledges and agrees that: (i) alterations, attachments, specification changes, or use by Customer of sub-standard supplies that cause excessive service calls may result in Service Charges; (ii) the transfer of the serviced equipment from the location indicated on the applicable Order may result in an increase of Service Charges or the termination of the applicable Order; and (iii) the Toner Inclusive Program is based on manufacturer supply consumption rates. Delivery of supplies will not exceed agreed upon usage. As per Section 151.309, Texas Tax Code, Government Customers under this Agreement are exempt from the assessment of State sales, use and excise taxes. Further, Government Customers under this Agreement are exempt from Federal Excise Taxes, 26 United States Code Sections 4253(i) and (j).

(b) Service Charges are based on standard 8.5x11 images. Ricoh reserves the right to assess additional images charges for non-standard images, including 11x17 images. Pricing shall be in accordance with Appendix C of DIR Contract No. DIR-CPO-4435.

6. **Use of Recommended Supplies; Meter Readings.** (a) If the Customer uses other than manufacturer-recommended paper, and if such paper is defective or not acceptable for use on the serviced equipment or causes abnormally frequent service calls or service problems that are uncured and continuing, then Ricoh may, at its option, assess a surcharge or terminate the applicable Order, in accordance with Appendix A, Section 11, and/or Appendix C Pricing Index to DIR Contract No. DIR-CPO-4435, with respect to such items of serviced equipment. If so terminated, Customer will be offered service on a time and materials basis in accordance with Appendix C, Pricing Index of DIR Contract No. DIR-CPO-4435. Supplies, including toner, staples, developer and fuser oil are included in the cost of images listed in Appendix C, Pricing Index of DIR Contract No. DIR-CPO-4435.

(b) If Ricoh determines that Customer has used more than the manufacturer's recommended specifications for supplies provided by Ricoh, Customer and Ricoh will assess the equipment to determine if the device needs to be upgraded to a model that will accommodate the Customer's actual usage. Supplies are included in this Contract at no cost. Customer agrees to provide Ricoh true and accurate meter readings monthly and in any reasonable manner requested by Ricoh, whether via telephone, email or otherwise. If accurate meter readings are not provided on a timely basis, Ricoh reserves the right to estimate the meter readings from previous meter readings and Customer agrees to pay Service Charges based on such estimated meter reads. Appropriate adjustments will be made to subsequent billing cycles following receipt of actual and accurate meter readings. As part of its Services, Customer acknowledges and agrees that Ricoh may place automatic meter reading units on imaging devices, embedded or otherwise, including but not limited to the Equipment, at your location in order to facilitate the timely and efficient collection of accurate meter read data on a monthly, quarterly or annual basis, service calls and toner alerts. Ricoh agrees that such units will be used by Ricoh solely for such limited purpose. Once transmitted, all meter read data shall become the sole property of Ricoh and will be utilized for billing purposes only. In the event Customer does not rely on automatic meter reading devices or equipment monitoring services and if after repeated billing cycles of estimations, a meter reading is still not provided to Ricoh, then Ricoh may assess an administrative fee in an amount equal to fifteen dollars (\$15.00) per meter reading collected per billing period for the time and expense associated with meter collection activity in addition to the Service Charges. If Ricoh visits Customer location to obtain a meter reading, Ricoh may assess a fee according to the hourly service charge rate in accordance with Appendix C of DIR Contract No. DIR-CPO-4435.

7. **Basic Connectivity Services.** If any software, system support or related connectivity services are specifically set forth on an Order and accepted by Ricoh, Ricoh shall provide any such services at the Customer location set forth in the Services Order, as applicable, or on a remote basis. Customer shall provide Ricoh with such access to its facilities, networks and systems as may be reasonably necessary for Ricoh to perform such services. Customer acknowledges that Ricoh's performance of any such services is dependent upon Customer's timely and effective performance of its responsibilities as set forth in the Order, as applicable. Unless connectivity services are specifically identified in the Order as part of the services to be performed by Ricoh, Ricoh shall have no obligation to perform and no responsibility for the connection of any hardware or software to any Customer network or system.

8. **Customer Obligations.** Customer agrees to provide a proper place for the use of the serviced equipment, including electric service as specified by the manufacturer. Customer will provide adequate facilities (at no charge) for use by Ricoh representatives in connection with the Service of the serviced equipment hereunder within a reasonable distance of the serviced equipment. Customer agrees to provide "360 degree" service access to the serviced equipment. Customer will provide a key operator for the serviced equipment and will make operators available for instruction in use and care of the serviced equipment. Customer agrees that any equipment not serviced by Ricoh which utilizes identical supplies to the serviced equipment must be covered under a separate inclusive non-Ricoh service program. If Customer is authorized by law to perform background checks on

Ricoh personnel performing Services under this Agreement, then it shall provide Ricoh with advance written notice of any such requirement before the commencement of work under this Agreement.

9. **Early Termination.** Termination shall be in accordance with Appendix A, Section 11.B of DIR Contract No. DIR-CPO-4435.

10. **Insurance.** Each party certifies that it maintains reasonable amounts of general liability, auto and personal property insurance, and workers' compensation insurance in the amount required by law, and that such insurance will remain in effect during the term of this Agreement. Ricoh will maintain insurance coverage in accordance with Appendix A, Section 10.N of DIR Contract No. DIR-CPO-4435. Upon request, each party agrees to deliver the other evidence of such insurance coverage.

The following terms shall apply to all Product sale transactions:

11. **Order, Delivery and Acceptance.** In order to purchase Products from Ricoh hereunder, Customer will either (i) execute an Order (in a form to be provided and executed by Ricoh) referencing this Agreement, or (ii) issue a valid and signed purchase order to Ricoh (each referred to in this Agreement as an "**Order**"). Each Order must identify the Products, the Product delivery location and the applicable Product charges for such order. Ricoh will not be obligated to sell or deliver Products for which such information is not provided in an Order accepted by Ricoh. Unless otherwise agreed upon by both parties in writing, delivery of Products to common carrier or, in the case of an arranged delivery by a local Ricoh installation vehicle, actual delivery by such vehicle to Customer, shall constitute delivery to Customer. All handling, transportation and installation will be provided to Customer at no charge. Customer agrees to confirm delivery of all Products covered by this Agreement when the same is delivered by signing a delivery acknowledgement. Customer will have five (5) business days to provide Acceptance Certification. Orders shall not be cancelable by the Customer following acceptance by Ricoh. Ricoh reserves the right to make Product deliveries in installments and if necessary and in accordance with Customer's budgetary guidelines.

12. **Returns; Damaged Products.** No Products may be returned without Ricoh's prior written consent. Such service credit would be applied to Customer's next monthly billing invoice. Notwithstanding any of the foregoing, in no event shall Ricoh have any service credit obligations under the foregoing SLA program for any month in excess of the amount paid or payable by Customer under the Appendix G, Service Agreement in respect of such Managed Print Services for such month. Accordingly, this service credit shall not be deemed under any circumstances to limit, reduce or otherwise alter any equipment payment obligations of Customer under the Appendix G, Service Agreement, Managed Print Services Rider, or under any Appendix E, Master Lease Agreement, or Appendix D, Master Operating Lease Agreement between Customer and Ricoh or any of Ricoh's third-party lessors. No credits of any kind will be due or payable in the event that Customer is in default of any obligations owing to Ricoh or any of Ricoh's third-party lessors.

Customers may negotiate the terms and conditions of a SOW to suit their business needs, so long as the negotiated terms and conditions do not diminish the terms and conditions of the Contract.

D. Master Operating Lease Agreement

DIR and Vendor hereby agree that Vendor is authorized to utilize the Master Operating Lease Agreement in Appendix D and the Equipment Schedule to Master Operating Lease Agreement in Appendix L of this Contract for Lessees that are Texas State Agencies or otherwise authorized to conduct lease transactions through DIR contracts.

E. Master Lease Agreement

DIR and Vendor hereby agree that Vendor is authorized to utilize the Master Lease Agreement in Appendix E and the Equipment Schedule to Master Lease Agreement in Appendix K of this Contract for DIR authorized entities as Lessees that are **not** Texas State Agencies or otherwise required by statute to utilize the Texas Public Finance Authority for such leasing transactions. Texas State Agencies that have the requisite capital authority and who are not required to utilize such authority via the Texas Public Finance Authority may or may not be eligible to utilize the Master Lease Agreement; each such agency must confer with its own counsel to make this determination.

F. Conflicting or Additional Terms

In the event that conflicting or additional terms in Vendor Software License Agreements, Shrink/Click Wrap License Agreements, Service Agreements or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor's initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer's authorized signatory.

Vendor Contract No. _____

Vendor shall not without prior written agreement from Customer's authorized signatory, require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer or Publisher.

8. Authorized Exceptions to Appendix A, Standard Terms and Conditions for Product and Related Services Contracts.

- A. **Appendix A, Section 5, Intellectual Property Matters** is hereby deleted and replaced in its entirety as follows:

This Contract does not contemplate, authorize or support acquisition of custom software products or services. If Vendor and Customer seek to contract for such product or service, they must use a separate contract or seek amendment with DIR of this Contract. If DIR and Vendor decide to authorize customized software or hardware products; then the intellectual property language will be negotiated and applied.
